Organizes

National Conference on
Emerging Trends in
Architecture & Allied Fields-2014

Dates
27 & 28 February, 2014

Venue
Sinhgad Vadgaon Bk
Campus.
Pune.
About the Institute

Sinhgad Institute was established in the year 1993 at the hands of Honourable Prof., M. N. Navale founder president & Dr. Mrs. Sunanda M. Navale founder secretary. As of now, it has 107 plus Institutes and around 70,000 students pursuing various education programmes from K.G. to Ph.D. Today STES is taking a new leap in education field with its two young & dynamic directors Mr. Rohit M. Navale & Miss. Rachana M. Navale

The Sinhgad College of Architecture (SCOA) came to life in the year 2000-2001. Under the able leadership of its Principal Dr. M. V. Telang SCOA in a short span of 12 years since its inception, has achieved the status of one of the top ten colleges in India. It offers B. Arch Course with 160 intake, two M. Arch courses & has an approved PhD centre of University of Pune.

About the Conference

Architecture is going through a paradigm shift and faces a lot of challenges & opportunities from within and outside. Everyone is working consciously or subconsciously to cope up with these changes. Academics & Profession are intertwined and depend a lot on each other. We at Sinhgad College of Architecture always try to be on the fore front for creating a dialogue between both by organizing workshops, seminars, guest lectures of eminent academicians & professionals.

In continuation of the above endeavour the conference emphasizes on the latest advancements & upcoming trends in architecture. It allows academicians, masters & doctoral students & professionals to showcase their recent research & developments in the concerned fields on single platform. We intend to publish this knowledge bank as a conference proceeding with ISBN number. The conference includes talks by eminent guest speakers & presentations by researchers from academia & industry from all over the country.

Themes of the conference

Emerging trends in
- Sustainable Architecture
- Digital Architecture
- Interior Design
- Landscape design
- Urban & rural planning
- Urban Design
- Technology
