

National Conference on 'Smart Cities: Approaches, Opportunities & Challenges' (NCSC-2017)

24th & 25th January, 2017

ABOUT THE INSTITUTION

Sinhgad Institute established in the year 1993 at the hands of Honorable Prof. M. N. Navale. As of now, it has 100 plus Institutes and around 70,000 students pursuing various education programmes from K.G. to Ph.D.

ABOUT THE COLLEGE

The Sinhgad College of Architecture (SCOA) came to life in the year 2000. SCOA in a short span of 16 years since its inception, has achieved the status of one of the top ten colleges in India. It offers B. Arch Course with 160 intake, two M. Arch courses & has an approved Ph.D centre.

SCOPE & OBJECTIVE

India is marching ahead with a mission statement by Government of India aiming for better quality of life for citizens. India is progressing through a phase of intense urbanization. Instead of indulging in buzzwords like sustainable cities, start up India, Digital India: one must go further with a perspective of comprehensive development including physical, institutional, social, economic & infrastructural development. Rational approaches will give solutions to large problems like sprawled growth, resource management, solid waste management, traffic & transportation planning; issue of urban poverty & many more. This conference would throw light on various approaches, opportunities & challenges with reference to smart cities.

We intend to publish this knowledge bank through conference proceedings. The conference includes talks by eminent guest speakers & contributed papers by researchers from academia & industry from all over the country.

THEME

Architecture
Planning
Architectural Conservation
Automated Intelligent systems (Digitalization)
