- Organizational chart and processes

- **Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

There has been active involvement and participation of faculty and students in academic and administrative bodies. Every year SCOP constitutes the student council as per Maharashtra Public University Act 1994 by nomination. The student council is actively involved in academics in arrangement of different guest lectures, seminars workshops. Class representative of each class is a member of committee who coordinates with class teacher and academic in-charge for monitoring routine academic activities. The student and faculty members also play administrative role in college development cell, Internal Quality Assurance Committee. They help in planning and arranging campus interviews and industrial visits. They play important role in observation of misconduct among students' community in classroom as well as at other places. It also implements and coordinates anti-ragging measures taken by grievance redressal committee. Student and faculty members work for various college working committees and are engaged in preparation of alumni bulletin for maintaining communication with alumni and maintains the contact with alumni to support the training and placement cell of SCOP. They actively participate in extracurricular and co-curricular activities. Extracurricular activities like IIC activities, Sports, Cultural, Sinhgad Carnival, Sinhgad Techfest, arrangement of blood donation camps, health checkup camps, campus cleaning activities, tree plantation, Nirmal wari under National Service Scheme and various activities which promotes social awareness in student's mind. Student and Faculty also involved in conduct of various co-curricular activities like workshops, conferences and professional activities like Techtonic (STES organized a Pharma Tech Fest), National Pharmacy Week, Pharmacist Day celebration etc.

- **Mechanism/ Norms and Procedure for democratic/ good Governance**

At Sinhgad College of Pharmacy, we have adopted decentralization practices which ensures participation and involvement of every member in various activities conducted in the institute. Decentralization is practiced in curricular, co-curricular and extra-curricular activities.

In view of current pandemic situation we have implemented e-governance in various areas.

Administration: We have biometric attendance system for teaching, nonteaching staff and postgraduate students. TALLY ERP is the software for the purpose.

Finance and Accounts are monitored using TALLY Server 9 (Account) and Paywhiz Professional Software

For **Student Admission and Support** we use TALLY Server 9 (Aspire). Application for scholarships offered by various government and non-government agencies is done by online mode. Feedback of students and stakeholders is taken by online mode. Admission process is facilitated by online mode by ARA-MS. Online grievance redressal system to address the grievances, if any. Parent-teacher meetings are conducted twice a year.

Examination: Various procedures of examinations such as exam form filling, internal marks communication to University etc. are done by online mode

Research and Development: We have various softwares to support research such as Nano particle size analyzer, Ex- Pharmacology and Minitab 19, Design Expert, SYBYL-X. Reference management software Endnote and plagiarism checking software Urkund is well utilized. Funds are received from various agencies to support research activities.

We provide analytical services to outside agencies on paid basis

Library has subscribed to Delnet and has OPAC search facility.

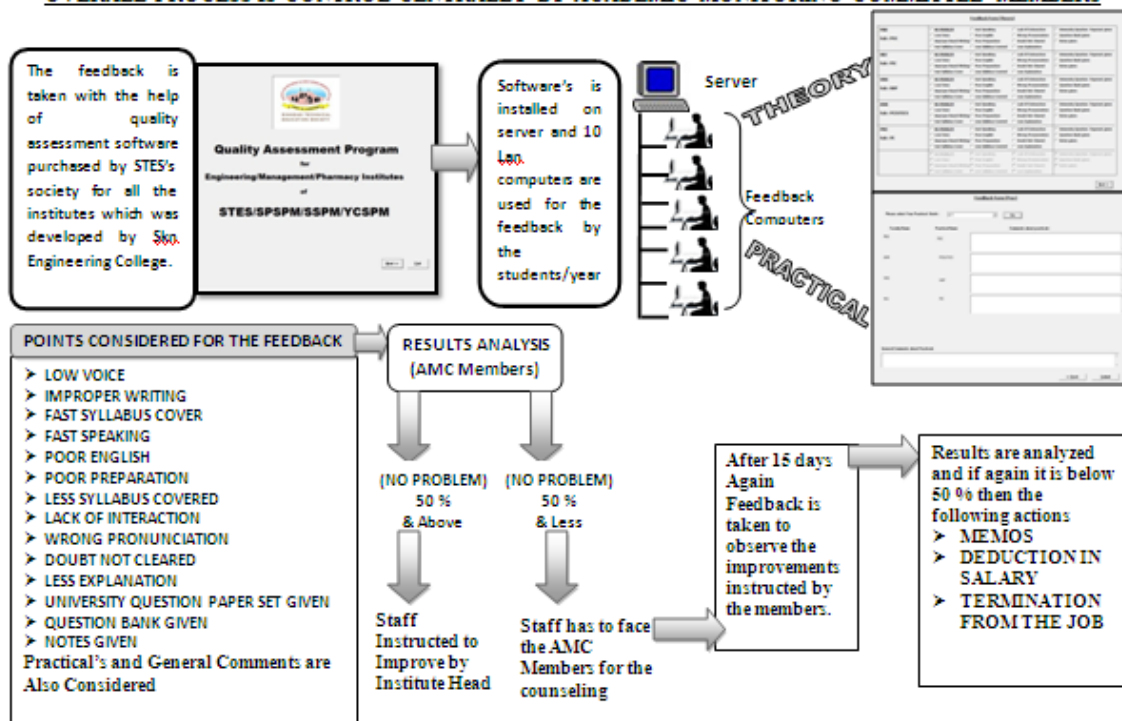

Institute provides financial support to faculty members for professional memberships and attending seminars and conferences. Apart from students, institute also arranges various developmental programs for teaching and non-teaching staff. Management has provision in its budget for financial support to staff for their professional development.

- **Student Feedback on Institutional Governance/ Faculty performance**

Sinhgad College of Pharmacy, Being a affiliated college its role in the design is further explored. The suggestion/feedback are communicated to the University and council from time to time. Students and teachers feedback on curriculum and syllabus has been recorded and analyzed. The suggestions are communicated to the University through the Principal. Feedback from the Alumni and Employers is also recorded and analysed statistically and graphically. SCOP is affiliated to Savitribai Phule Pune University, SPPU has implemented the Pharmacy Council of India syllabus from the academic year 2018-2019. The suggestions regarding the syllabus which were communicated to the Board of Studies have now been incorporated in the academic year 2019-2020. All the Teachers those who required improvement in teaching as per the feedback were called for giving the demo lectures on the specific subject topic in front of seniors teachers, subject expert and principal during the demonstration they were advised the improvements measures. The effect would be seen in the next feedback. Courses on PV, IPR have started to get knowledge over and above the syllabus. The instruments and equipments are being maintained in working conditions. Facilities are kept working on Saturday and Sunday. Batch size has been restricted to 1:20. Feedback is analysed for the content scope and application. The upcoming recent trends which cannot be immediately incorporated into the syllabus are considered for value added modules, online courses and accordingly planned and implemented.

STES'S
SINHGAD COLLEGE OF PHARMACY
STUDENTS FEEDBACK

OVERALL PROCESS IS CONTROL CENTRALLY BY ACADEMIC MONITORING COMMITTEE MEMBERS

- **Grievance Redressal mechanism for Faculty, staff and students**

Class representatives as well as representative students of each class gives feedback about the faculty, administration and facilities to the class teacher and Principal. This takes care of most of the student problems in day-to-day affairs.

In case there is a grievance that is not addressed in regular meetings the principal is informed of the same by the class teacher after interaction with class representative and students. Whenever need arises a common meeting is then held with the principal along with class teacher and class representative/ students. If required a written application is given to the principal, upon which appropriate action is taken.

We also have an academic monitoring committee which includes all the class teachers and an

Academic monitoring Incharge. This committee ensures that regular feedback is taken from the students regarding satisfactory teaching and syllabus coverage by different teachers. It ensures regularity and systematic approach from both sides, students, as well as, teachers and thus helps to improve the overall academic performance of students and thus the college.

Any grievance arising from students, staff or faculty is addressed by Academic Monitoring Committee through discussions with representatives from staff and students along with the Principal.

Savitribai Phule Pune University has appointed a grievance Redressal Committee as given below.

Sinhgad Technical Education Society have purchased the MS Teams meeting app for the conduct of online meetings as well as Theory and Practicals for the students. The login Ids and passwords for the faculties and students were generated and distributed to the Faculties and students. The teachers have created Teams for the respective classes and create the meeting for particular class through calendar. The links can be shared on their official Whats app groups for joining the classes. The same is used for conducting the meetings of the faculties via online mode. Apart from MS Teams app ZOOM and Google meet apps are also used for the online meetings.

• Innovation Cell

Institution's Innovation Council (IIC) under MHRD was established in the year of 2018 at Sinhgad College of Pharmacy (SCOP) with proper constitution of staff members and students for smooth conduction of activities. SCOP, IIC has aimed to engage large number of staff, students (innovators, entrepreneurs) in various innovation and entrepreneurial activities. Under this innovation cell various activities are conducting which includes IIC driven, MIC (Ministry of Education's (MoE's) Innovation Cell) driven and Self driven activities. These activities are divided in total four quarters. Quarter I from July to September, Quarter II October to December, Quarter III January to March and Quarter IV April to June. These activities are such as ideation competition, PoCs and prototype development, design thinking, problem solving, intellectual property rights (IPR), project handling and management, start-up and entrepreneurship mentoring session etc. Also we Sinhgad College of Pharmacy have established committee under Centre for Innovation, Incubation, and Enterprise (CIIE) under Savitribai Phule Pune University (SPPU) in the year of 2019 to promote the students to participate in ideas and innovations to get funding to start their own start-up through the university ecosystem. Also centre would facilitate and hone ideas and innovations that are useful to the society and address some of the problems faced through development of product, process and services. Sinhgad College of Pharmacy also established Centre for Innovation, and IP management Cell in 2020 to raise awareness and basic skills regarding IP and Knowledge transfer through training actions for all staff members, students, visitors. Also to motivate institutions to commercialize IP and develop collaborative research initiatives. Under that aegis of Centre for Innovation and IP management Cell, IP Policy was drafted, released and made available to all beneficiaries through SCOP website.

- **Academic Time Table with the name of the Faculty members handling the Course**

Different versions of the time table were prepared and shared with the students time to time.

- **Teaching Load of each Faculty**

The teaching workload of the faculties is distributed as per the post of the faculty. Professors have workload of 12 – 14 hrs/week, Associate professors have workload of 14 – 16 hrs/week and Assistant professors have work load of around 16 – 18 hrs/week.

- **Internal Continuous Evaluation System and place**

Continuous internal evaluation have been extended for theory and practicals. Apart from the existing modes of CIE including assignments, project work, open book test, quiz etc, some new models for continuous assessment like project based, problem based learning, field survey, market survey and regulatory survey etc. have been adopted. In year 2019, SPPU have again revised the syllabus and course structure. F Y B Pharm and M Pharm follow this new reform. The major focus of CIE was to increase the learning abilities of the students and enhancement of the professional skills. To mark the reforms at UG and PG level the initiative can be summarized as follows

UG course:

PCI Syllabus: In this pattern, continuous internal assessment (CIA) viz. Theory Internal Continuous Assessment (TICA) of 10 marks and sessional of 15 marks is conducted after requisite minimum teaching hours. For Practical Internal Continuous Assessment (PICA) of 5 marks and sessional of 10 marks is conducted. Non university end – semester examinations are conducted for remedial courses mentioned in syllabus along with equivalence subjects for students from earlier pattern.

PG course:

PCI Syllabus: In this pattern, continuous internal assessment (CIA) viz. Internal Continuous Assessment (TICA) and sessional of 25 marks is conducted after requisite minimum teaching hours. Apart from this Journal club activities, participation in poster competition, Plagiarism check for thesis as suggested by SPPU, seminars and mini research industrial projects are also included.

- **Student's assessment of Faculty, System in place**

All the Teachers those who required improvement in teaching as per the feedback were called for giving the demo lectures on the specific subject topic in front of seniors teachers, subject expert and principal during the demonstration they were advised the improvements measures. The effect would be seen in the next feedback. Courses on PV, IPR have started to get knowledge over and above the syllabus. The instruments and equipments are being maintained in working conditions. Facilities are kept working on Saturday and Sunday. Batch size has been restricted to 1:20.

Feedback is analysed for the content scope and application. The upcoming recent trends which cannot be immediately incorporated into the syllabus are considered for value added modules, online courses and accordingly planned and implemented.

- **For each Post Graduate Courses give the following:**

- Title of the Course
- Curricula and Syllabi

Industry Linkage

- Sinhgad College of pharmacy is connected with different industries and research institute through M. Pharm Projects. Every year around 5-6 students work in Industry as a part of their research project.

Industrial Projects during Academic Year 2019-2020				
Sr. No.	Candidate Name	Guide	Industry	Topic
1	Hagawane Namrata	Dr.A.M.Avachat & Dr.J.M.Gazabhiye	CSIR-National Chemical Laboratory, PUNE	Development of ionic liquid PCL-PLA microspheres hybrid system for pulmonary delivery of poorly soluble drug
2	Mali Mrunalini Jaywant	Mrs. S. A. Unavane & Mr Amlesh Tambe	Serum Institute of India, Pvt Lit. Hadapsar, Pune	Study of Td vaccine with additional characteristics
3	Nahar Naveen Mohan	Mr. P. B. Dudhe & Mr. Pradeep Gate	Glenmark Pharmaceuticals Ltd. Taloja, Navi Mumbai.	Formulation and Development of Delayed Release Tablet of Drug X
4	Nawale Sonal Vishvanath	Dr. S V. Mulgund & Imran Ghogari	Zydus Cadila Healthcare Limited Mumbai, Thane	Formulation of Antihyperglycemic fixed dose combination tablet
5	Sapnar Deepali Dattatray	Dr. H. K. Jain & Mrs. Sugandha Kanitkar	Lupin Limited (Biotechnology Division), Pune.	Stability Study of Monoclonal antibodies using various Analytical Techniques

We are connected with various pharmaceutical industries viz Covance Scientific Services and solutions Pvt. Ltd, Gebbs Healthcare, Cognizant, TCS, USV Pvt Ltd., Ajantha Pharma, Allied Analytics Pune, Fresenius Kabi, Nestle, Cipla, Fedora healthcare solutions, Abbott, Sciformix, Aculife, Riverer Route, Medicapress, Prersistence, Xogene, Novo Nordisk, Raptim Research Limited, Macleods, Vogene, OG Healthcare Bangalore for placements of final year B.pharm and M.pharm students. College is having tie up with some industries like Serum Institute of India Pvt. Ltd, Shrangdhar Ayurvedics, T walker Pvt. Ltd, Hindusthan Antibiotics, Lupin, Emcure, ACG Associated Capsules, Nulife pharma, Adison lab for Summer internship and in plant training concerned with T.Y B Pharm students
