FOREWORD

Kaleidoscope is an annual publication of Sinhgad Institute of Management (MCA). It also provides a multidirectional view of the cultural, academic, sports and literary activities and achievements during the academic year. Kaleidoscope is a joint effort of Students and Teaching Staff of this institution.

We understand that this magazine is intended to bring out the hidden literary talents in the students, and teachers and also to inculcate IT skills among them. “KALEIDOSCOPE-2017” is the Sinhgad Institute of Management (SIOM)-MCA students’ unique magazine where in you experience and feel silicon mirror of many different patterns of colours through events, cultural activities, Socio-Economic Development, Entrepreneurship Development Program, Industry Institute Interaction, Workshop, Alumni Meet, Consultancy & Testing Project, Quiz Competition, Students’ Excellence & Achievements.

We appreciate the students who made the most out of this opportunity to showcase their talent.

We are thankful to Prof. M. N. Navale Sir, Founder President (STES), Dr. Mrs. Sunanda Navale madam, Founder Secretary (STES), Mr. Rohit M. Navale, Vice President (HR)-STES and Rachana Navale Aasthetekar madam, Vice President (Admin) –STES for their continuing support and motivation for creating inspirational environment for such activities.

We owe to the entire faculty members with whose help, we were able to publish this magazine in a very short time span.

Year by year “KALEIDOSCOPE” will keep on exploring the creative potential of the students and improve its contents as well as quality.

Once again, we would like to express our considerable appreciation to all student authors of the articles in this magazine. These contributions have required a substantial contribution of time and effort. It is this willingness to make the effort to share knowledge, concerns and special insights on IT at outsized that has made this KALEIDOSCOPE magazine possible.

The editor committee welcomes your suggestions concerning content but can make no assurances regarding the use of suggested and provided material.

Thank you all! Happy Reading!

Editorial Team, KALEIDOSCOPE-2017
I am my pleasure to present the current issue of our institute's Annual magazine Kaleidoscope-2017. The year 2017's edition speak volumes of the appreciable activities on almost all fronts of academic life in the Institute's academic environment. It presents an intimate, timely and honest portrait of the institution – its people, its programs, its history, its challenges, its resources and its mission.

I express my pleasure over the enthusiastic interest among the academia of the University. As usual, the current issue will attract the attention of its readers not only within the University and also outside. I congratulate the efforts put in preparing this issue so informative.

In the face of new Information Technology (IT) of modern world where we want India to take the navigation point, it is our dream that educational organizations should act as the nucleus to solve real-life problems which we face daily. It is the need of the hour to develop IT skills in the young minds of Indian youth that can take IT forward on the path of building India as a DIGITAL nation. Hope, this KALEIDOSCOPE will shows some of that aspect as well.

The magazine aims to enlighten opinion of the Institute over various contemporary issues related to academics and careers. It strives to bring the latest news regarding various events happening in the institution along with giving a platform to its students to show their writing creativity skills.

I am sure that this year's annual publication of KALEIDOSCOPE-2016 magazine will give us the chance to see the reflection of our progress and achievements.

My best wishes to all the students and faculty members involved with their innovative ideas and activities which are explored in this KALEIDOSCOPE magazine.

We hope to keep the momentum going!

Thank you all for your support in making SIOM empowered!
