**Table 3.1.6.a: Events organized by all departments at University/college levels**

Year	Department	Events/Workshops	Research Objective
2016-17	Mechanical	Automobile and Vehicle Dynamics	Gives the detailed knowledge of statics and dynamics of the automobile and practical knowledge also.
	E&TC	Research Convention-2016	PhD Pursuing faculties present their research progress in front of external RC members
	Computer	On Object Oriented Programming(C++)	Provide the detailed knowledge about programming skills and basics
		Android CS Workshop on	Give the information about Android, tools used for Android and their platforms
		EDC Workshop	Provides an opportunity and idea to have their own business
Electrical	Entrepreneurship Awareness	To develop the Entrepreneurship characteristics among students	
2015-16	Mechanical	Two Wheeler Maintenance	Make familiar with different components used in two wheeler and how to maintain the components.
	E&TC	Two Days Workshop On Research Methodology	Make faculties aware about Literature Review, Research problem formulation
		One Day Workshop on Backbones of Scientific Writing	Make faculties aware about the paper writing process and format.
	Electrical and E&TC	National workshop on Latex	Improve Research Paper/ Report writing skills
		Two Day's State Level Workshop on "Antenna design and simulation using CEM simulation tool."	For antenna simulation and research
	Computer and IT	National level Workshop on Mathematical Modeling	Develop mathematical modelling for research projects
IT	Big Data	Basics of Big data analysis	

		One day Entrepreneurship Awareness Workshop	To develop the Entrepreneurship characteristics among students
2014-15	Mechanical	Efficient Design for Manufacturing and Assembly	Gives the detail about manufacturing and assembly of different design used for an automobile.
		ROBOTICS	To create or enhance knowledge of students using automation.
		Mechanics Modeling	To create models by giving the different constraint to the motion or linkage.
	E&TC and Electrical	Workshop on Solar power	Generation and storage of solar power
	E&TC	Summer Training Program For Diploma Students	Platform for student interaction and advance learning sessions
		Scientific Report Writing	Make faculties aware about the paper writing process and format.
		Project Exhibition	Platform for student projects
	IT	Summer Training Program For Diploma Students	Platform for student interaction and advance learning sessions
	Computer	Workshop on Latex	Provides an approach and tool to prepare documents and reports
		Summer Training Program For Diploma Students	Providing platform to diploma students to enhance their skills in programming and networks
2013-14	Mechanical	ROBOTICS	To create or enhance knowledge of students using automation.
		Mechanics Modelling	To create models by giving the different constraint to the motion or linkage.
	IT	LATEX	Improve Research Paper/ Report writing skills
		National Level Workshop on Network Security	Network security issues and solutions
	Computer	National Network	Providing platform to students to

		Security Championship	show their calibre and skills in security
	Electrical	Teacher Advancement Program	Platform for faculty advance learning
2012-13	E&TC and Electrical	PCB designing	Hands-on Practice of PCB designing
	Computer	Workshop on Latex	Provides an approach how to write documents and reports
