13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

	Plan of Action	Achivements/Outcomes
	Value Addition Programs for Undergraduate Students	Student Training Program
	View	v File
	4. Whether AQAR was placed before statutory ody ?	Yes
	Name of Statutory Body	Meeting Date
	IQAC Committee / Academic Monitoring Committee (AMC)	02-May-2019
b	5. Whether NAAC/or any other accredited ody(s) visited IQAC or interacted with it to ssess the functioning ?	No
16. Whether institutional data submitted to AISHE:		Yes
Y	ear of Submission	2019
D	ate of Submission	18-Jan-2019
	7. Does the Institution have Management nformation System ?	Yes
	yes, give a brief descripiton and a list of modules urrently operational (maximum 500 words)	The Institute implemented paperless governance through MIS software system - GEMS. With the help of this system, all the academic processes of Institute are automated. The Context: Every faculty and staff are allotted an individual login ID through GEMS. The processes like AC, faculty appraisal, student feedback and placement activities are operational and followed by every faculty and the staff members of Institute. Academics: For every

semester faculty members upload their academic calendar, timetable, teaching plan of the subject, notes, schedules of examinations, attendance, etc. • Faculty appraisal and student feedbacks: Every semester faculty feedback is taken from students. Academic performance of faculty is evaluated through the GEMS annually. • Placement activities: All the students are registered on GEMS and they fill their academic data online. The placement officer makes the announcements of placement activities and furnishes the required student's data to the company's online.

#### Part B

#### **CRITERION I – CURRICULAR ASPECTS**

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

SKN Sinhgad Institute of Technology & Science, Lonavala (SKNSITS) is affiliated to the Savitribai Phule Pune University (SPPU), Pune. The institute follows the curriculum designed by respective Boards of Studies (BOS) with inputs from various stakeholders. Faculty members contribute to the curriculum design during the workshops conducted by the University. In line with the curriculum, the Course Education Objectives (CEOs) and Course Outcomes (COs) are prepared by the faculties of the respective course. The institute's academic calendar is prepared in line with the academic calendar of the University. Each department prepares academic calendar in line with institute's academic calendar. The institute strictly implements the same. The department allocates subjects to teachers and prepare time table. The teachers prepare the teaching materials and delivery content before the commencement of teaching. The teaching/practical plan is prepared by the individual and conducted lectures/practicals accordingly. The institute organizes training programs for the faculty like Train The Trainer (TTT) for effectively transacting the curriculum and improving teaching practices. The students are given a choice to choose elective subjects in the final year. All students are encouraged to take up academic projects in collaboration with industries. Feedbacks from the stakeholders received through formal and informal mechanisms are used to design and enrich the curriculum. The Institute has a formal mechanism to obtain feedback from students and other stakeholders like Alumni, Parents, Industry

and faculty. It has a well-designed feedback form with defined criteria to get feedback from each category of stakeholder. Unit tests, prelim examinations are conducted and mid-term submission is taken for continuous assessment of students. Based on unit tests performance week students are identified. For such students remedial classes are conducted and extra assignments are given

along with important question bank. The curriculum is also enriched by designing Value Added Programmes (VAP) and Student Training Programmes (STP). Additionally, various certificate courses are conducted for the professional development of the students. Participation in seminars, workshops, conferences and various technical activities, enhance the student's academic progress. PBL (Project Based Learning) is done by picking up a (small/mini) project

individually or in small groups in the respective field/areas under the

guidance of faculty allocated to developing skills like team work and applying knowledge, etc. Lab Innovation is done by students for any innovation or improvement done on any of the current apparatus or instruments or even source code in the lab. The aim of Lab Innovation is to achieve effective learning by undertaking small projects with reference to the labs of the department. It helps to developing skills like team work, writing skills, presentation skills, etc. The industry-institute interaction is encouraged through Industry Institute Interaction Cell (IIIC). The curriculum is designed and enriched so as to have the holistic development of the students.

#### 1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

#### Feedback Obtained

The Institute has a formal mechanism to obtain feedback from students and other stakeholders like Alumni, Parents, Industry and faculty. It has a welldesigned feedback form with defined criteria to get feedback from each category of stakeholder. Course exit surveys are conducted. A Course Feedback on curriculum and examination/evaluation pattern is taken from students periodically. The Alumni feedback is taken for revising the pedagogy and including the concepts as per industry requirement. The Parent Feedback Form is used to know their opinion about Institute, Infrastructure, Professional expectations. Parents are also forwarding their feedback transparently to HODs and TGs. Understanding and corrective actions based on these feedbacks are helpful in overcoming the drawbacks and increase the performance and quality of the department. IIIC is used to understand and bridge the gap between the institute and industry. The summary based on the feedback is used for the revision of syllabus at University. This summary is communicated to the University through faculty to Board of Studies (BOS). Individual Faculty's feedback from the students is collected periodically through software. The feedback is evaluated and teachers are instructed with the necessary guidelines by AMC/IQAC, Principal along with the HOD. The analysis of these feedbacks gives the opportunity to faculty to understand their performance and also helps in understanding the weaker sections to improve upon. Appreciation letters are given to the faculty and staff based on their feedback. Performance Appraisal reports are filled by the teachers online every year and PI score is communicated to them. External examiner appointed by SPPU gives feedback regarding projects and academics. Another source of feedback for the Institute authorities is Student's Council. Areas of concern, if any, from the student's point of view, is noted by the council and places them before the Principal for necessary action. Formal employer's feedback taken by Central Placement Cell (CPC) also helps in understanding the quality of students to fit for the jobs. These feedbacks are usually forwarded to HODs through Principal for better performance

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The college has started Alumni Association on Sep. 27, 2017. The registration number of Association is "Maharashtra / 1362 / 2017 / Pune / Sep. 27, 2017. By the end of the academic year 2018, the alumni association had grown up to 2200 plus members. Alumni Association Committee: Sr. No. Name Of Members Designation 01 Prof. M. N. Navale President 02 Dr. M. S. Rohokale Secretary 03 Prof. N. K. Gavade Treasurer 04 Mr. Prathamesh Walke Member 05 Mr. Swapnil Khandelwal Member 06 Mr. Rohit Dongare Member 07 Miss. Siddhi Ghare Member 08 Mr. Amol Walekar Member 09 Mr. Sandesh Balgude Member The main objectives of this official Alumni Association are to: • Create a strong network between Alumni and Institute. • Create a strong network for Alumni progression as well as student's progression. • To provide a forum for the Alumni for exchange of ideas on academic, cultural and social issues by organizing and coordinating reunion activities of the Alumni. • Maintaining the updated and current information of all Alumni. With these objectives, we are sure that we can increase strong bonding among alumni and Institute. Many of our Alumni occupied prominent positions in different sectors like in Banking, Finance, IT, Teaching, Entrepreneur etc. Institute is having a track record of outstanding performances of its passouts in different spheres. Many of them are occupying key positions in many private and public sector undertakings in India and abroad and have brought laurels to the institute. Most of alumni always contributed their knowledge and helped to institute in different way: Placements The alumni network of a institute is one of the biggest sources for placement. Alumni always help to place their juniors at their respective organizations. Mentorship Our alumni always play an active role in voluntary programmes like mentoring students in their areas of expertise. Career Guidance alumni is a huge talent pool whose guidance can be beneficial to many students and other fellowalumni in their respective areas of study. Networking Platform alumni network by itself is one of the best professional networking platforms available today in institute. Newsletter: Institute is publishing its quarterly newsletter which includes all the events happened in institute. This newsletter is always shared with all the alumni through which institute always get to know their feedbacks and suggestions about the activities conducted in institute. With the changing scenario IMRD also adopted latest technology and connected various alumni via different whatsapp groups, social websites like facebook, LinkedIn. Total 700 alumni are connected via whatsapp group. More than 2200 plus alumni are connected via facebook and LinkedIn. The alumni of Institute is guiding and nurturing our students to become more technical for IT industry. It is our plan to develop everlasting relations with our alumni which in turn will give rise to mutual benefits. Roles Responsibility: • Making a Strong network between Alumni and Institute • Organizing Annual Alumni Meet • Organizing and Participation in Induction Session during Orientation Program

5.4.2 – No. of enrolled Alumni:

781

5.4.3 - Alumni contribution during the year (in Rupees) :

19000

5.4.4 - Meetings/activities organized by Alumni Association :

9 sessions were conducted by Alumni on different topics such as Project work Higher Studies, Career Opportunities in Web Development, Android. 10 alumni students from all departments were invited to interact with First Year Students in FE Induction Programme. Alumni students have contributed as a Judge in TECHTONIC2018. The institute has a tradition and culture of social awareness percolated through alumni gives natural motivation to the current students and faculty to participate in various social activities. Motivation from faculty coordinators to the students and leadership shown by the enthusiastic students gives boost for various innovative ideas. These ideas are then converted into extension activities through NSS and students associations. TCT and college magazine also gives wide publicity and encouragement to the entire student community that ultimately resulted into massive participation and satisfaction of conduction of social work.

#### **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

#### 6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Committees are formed for the various curricular, cocurricular and extracurricular activities to be conducted during the academic year. The administrative office of the College is headed by the Principal. The Principal coordinates the day to day activities. Every department prepares academic calendar. Principal along with the HOD prepares activity in charge list which includes academic and nonacademic responsibilities which are assigned among all the faculties. Dead Stock Verification Committee: The dead stock verification committee carries out a complete audit of the dead stock of each department. Faculty Selection Committee The committee headed by the Head of the Institute, comprises of Senior Faculty Members assisted by a team of nonteaching staff. Its function is to ensure the smooth execution of the faculty recruitment process in line with the directives of AICTE, SPPU and the Institute. There are various committees constituted to manage different institutional activities which require the participation of faculty members be as follows. Sr. No. Name of the Committees 1 Governing Council 2 Local Managing Committee 3 AntiRagging Committee 4 AntiRagging Squad 5 Internal Complaint Committee(ICC) 6 Examination Committee 7 Research Committee 8 Cultural Committee 9 Student Council 10 Training and Placement Cell 11 Academic Monitoring Committee 12 Library Advisory Committee 13 Techtonic Committee 14 Anti Smoking Committee 15 Dead stock verification Committee `16 RTI 17 Suggestion Box

6.1.2 - Does the institution have a Management Information System (MIS)?

#### Yes

#### 6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Library, ICT and Physical Infrastructure / Instrumentation	<pre>? Library, ICT and Physical Infrastructure / Instrumentation ICT ? The department updates ICT facilities for classrooms, tutorial rooms and Laboratories. ? Teachers and students are motivated for different online courses on swayam online portal. ? The department has FTP Server for resource access by the faculty and Student community Lecture notes, assignments, question banks, quiz are uploaded. Library ? Suggestions from Library committee and IQAC suggestions are used for improvement in quality of library resource. ? New books/journals are purchased to update the library. ? Each</pre>

	Department has its own Departmental Library facility. ? Physical Infrastructure Physical infrastructure is always monitored to address the needs of courses or the intake capacity of the institute.
Research and Development	? Research and Development The institute has collaborations with reputed industries, national and international institutions and universities. The institute also believes in research culture and supports innovative ideas from faculty and students. ? Several faculty members take advantage of this facility and enhance their career by obtaining doctorates, publishing technical papers, books etc. ? The institute motivates the faculty to undertake research activities through doctoral studies. It motivates them to publish research papers. For this, an incentive such as financial assistance for research paper presentation etc. is provided. ? Potential research collaborators are identified and MOUs are established. ? Research Guidance is given to faculties and students by organising seminars and guest lectures
Examination and Evaluation	<pre>? Examination and Evaluation ? Two internal unit tests are conducted per semester. A preliminary examination is conducted at the end of semester. Improvement tests are also conducted after result analysis for poor performers. ? Remedial classes are conducted for slow learners. ? Standard question banks and model answers are prepared by the faculty members and distributed to the students. ? Term work evaluation is done on continuous basis. ? External theory examination and practical/oral examinations are conducted by SPPU schedule and rules. ? The Faculty members contribute in the examination work like setting question paper, being invigilators for theory examination, senior super visors, examiners, moderators etc.</pre>
Admission of Students	? Admission of Students Admission of the students is done through a central process conducted by a state government body DTE (Directorate of Technical education) where students choose an institute as per their choice. The institute maintains this repute by adopting following strategies ?

	Maintaining good results in University examinations by means of quality trends in teaching learning ? Providing quality infrastructure and facilities ? Maintaining good training and placement records. ? Maintaining Raggingfree environment ? Ample hostel facility for girls and boys is provided on the campus. ? Various sports facilities are available to students like 25acre sports complex with grounds for football, cricket, basketball, athletic track, swimming pool, gymnasium, etc. ? The institute conducts admission process awareness programmes, counselling sessions for prospective students.
Industry Interaction / Collaboration	<pre>? Industry Interaction / Collaboration ? Eminent speakers from industry and service sector are invited for interaction with the students and faculty. ? The Entrepreneurship Development Cell (EDC) orients students to start their own business ventures. ? Industry Internship programs, industry designed certification courses and Industrial training during vacation are organized for the students by Training and Placement cell. ? Alumni placed in the reputed industries are invited for informal dialogue with the students. ? Industrial tours are conducted for students to visit industries according to their stream. ? Industry interaction cell helps in making MOUs with the reputed companies for value added programs and placements.</pre>
Human Resource Management	? Human Resource Management While recruiting and retaining the HR, the institute adheres to the quality improvement strategy. ? For professional development of the HR, the institute delegates the faculty and staff to undergo development programs outside the institute, provides technical resources and financial assistance to undertake such development programs. ? Faculty are felicitated for their academic achievements. ? The institute uses performance evaluation methods for the HR. At the end of every academic year, Performance evaluation of the staff is done by online appraisal system provided on GEMS. ? Weekly department meetings with the heads are conducted to ensure healthy relations and

		communication among the members.
	Teaching and Learning	? Teaching and Learning Inputs from Student feedback, Alumni and Industries are considered for improving the teachinglearning. Quality improvement strategies adopted by the institution for Teaching and Learning Semester Precommencement Preparations ? Departmental Academic Calendar ? Teaching Plan ? Course learning Objectives and Course Outcomes ? Lecture notes ? A further useful resource is provided in the form of Audio Lectures on the KPoint Platform. These lectures are accessible to all the students and teachers in the institute. ? Updating the library with appropriate books as suggested by the faculty. ? Modifying the laboratories to cater for the needs of revised syllabus and new technology.
	Curriculum Development	<pre>? Curriculum Development: The institute is affiliated to Savitribai Phule Pune University (SPPU). Board of studies (BoS) is a body in the University to formulate the curriculum. Faculty members from this institute are nominated on the committee of faculty coordinators at the University. Inputs are obtained by following means ? Interaction with the industry through R and D cell. ? Interaction with parents through Parent Teacher Association ? Interaction with Alumni ? Interaction with academicians through workshops ? Teachers give the feedback regarding their respective subject. The outcome of this feedback is conveyed to SPPU through the university coordinator. According to the feedbacks taken from the stakeholders following programs are designed to cope up with the industry needs. ? STP ? VAP</pre>
(	6.2.2 – Implementation of e-governance in areas of operation	tions:
	E-governace area	Details

E-governace area	Details				
Administration	? Administration ? Staff and students profile has been monitored through Gems. ? Staff technical profiles are monitored through BCUD online portal of SPPU				
Finance and Accounts	<pre>? Finance and Accounts ? Student's yearly fee structure and managing fee collection and balances through Talley. ? Managing assets and faculty salary through Paywhiz. ? Students can pay</pre>				

	fees online.
	<pre>? Examination • The University conducts the examination. The schedule is given by the University. As per the schedule the examination is carried out in the institute. • There are two types of theory exams like in semester exam and end semester exam. • Institute also conducts various unit tests and prelim exam. Also mock practical and oral exams are conducted to prepare students for University final examinations. • Online mock test are conducted and also hall tickets, question papers are received online through SPPU portal.</pre>
Student Admission and Support	<pre>? Student Admission and Support ? Students admission process is monitored through Aspire Module ? Displaying of students achievements, Implant -training, Industry specific software training courses, placement training etc ? Scholarship work is done on MAHADBTIT Portal</pre>
	<pre>? Planning and Development ? Development of excellent infrastructure for education, research and entrepreneurship ? Training the employees to improve quality by certified courses on Swayam online portal. ? In cultivate research environment for Promotion of Research to develop innovative perspectives under SPPU portal, AICTE etc. ? It is planned to increase the number of faculty with PhD degree. ? Build strategies for enhancement of employability skills by Identifying industry requirement to fill the gaps and to sustain the growth and development. ? Accreditation by National agencies. ? Industry Institute Interaction Cell has been formed to enhance the industry institute interaction, and the cell has started Campus Connect programs with leading industries such as Cognizant, Accenture, Zensar etc.</pre>

# **CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES**

### 7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of Participants	
			Female	Male
Nirbhay Kanya Abhiyan	14/02/2019	16/02/2019	61	0

#### 7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

? Tree Plantation ? Fort Cultivation ? Street plays (Supporting Clean India) ? Winter Camp (For developing awareness regarding various environmental issues) ? Rain marathon.

### 7.1.3 - Differently abled (Divyangjan) friendliness

Item facilities	Yes/No	Number of beneficiaries
Physical facilities	Yes	193
Ramp/Rails	Yes	1
Rest Rooms	Yes	189
Special skill development for differently abled students	Yes	1
Any other similar facility	Yes	1

#### 7.1.4 - Inclusion and Situatedness

Year	Number of initiatives to address locational advantages and disadva ntages	Number of initiatives taken to engage with and contribute to local community	Date	Duration	Name of initiative	Issues addressed	Number of participating students and staff
2018	1	1	07/11/201 8	1	Tree Plan tation	No any	54
2018	1	1	31/07/201 8	1	Rain Marathon	Due to heavy rain roads are slippery	219
2018	1	1	19/09/201 8	1	Cleaning Drive	No any	48
No file uploaded.							

7.1.5 – Human Values and Professional Ethics Code of conduct (handbooks) for various stakeholders						
Title	Date of p	Date of publication Follow up(max 100 w				
Chronicles		Date of publication 30/03/2019		CHRONICLES, our college magazine brings out the essence of and puts to display the talents within our college and also gives an opportunity to collegians to prove their worth as it is a University of Pune level competition. The institute publishes an annual magazine "CHRONICLES". This College Magazine sends a positive signal to the faculty, staff, students and the persons who are interested in the educational and literary activities. A magazine is like a mirror which reflects the clear picture of all sorts of activities undertaken by the institution and develops writing skills among students in particular and teaching faculty in general. This magazine encourages students to become a part of the magazine by publishing their articles, poems, technical content, jokes, experiences, art etc. The magazine provides a platform for the students to showcase their creative talents.		
7.1.6 – Activities conducted for	promotion of universal Val	ues and Ethics				
Activity	Duration From	Duration To	Number of participants			
Institute Rule Book	15/06/2018	18/06/201				
'	No file	uploaded.				
7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)						
1) Tree plantation in and around the campus, 2) Implementation of solar water heating system to reduce power consumption on water heating. 3) The class rooms are spacious with good ventilation which requires less use tube lights causes minimized power consumption. 4) Students and Staff are requested to switch off the fans and lights when not in use. 5) Swach Bharat Abhiyan						
7.2 – Best Practices						

7.2.1 - Describe at least two institutional best practices

STP to enhance employability skill : Goal: Worldwide, the advancement in technology has not only revolutionised the scope of engineering education but also redefined the expectations from engineering graduates. At SKNSITS, a need was identified to start an innovative practice "Student Training Program" that would help the students to build a personality equipped with excellent technical and soft skills. With this in mind, a state of theart STP is being implemented from the year 201314. The aim of the program is to enhance the quality of the students by empowering them with skills those are globally at par. The Objectives of the STP are to: • Enhance the employability opportunity. Prepare students for entrepreneurship.
 Prepare students for higher education in India and abroad. The Context: • Integration into the Curriculum: Training incorporated into the curriculum to help students for preparation and self evaluation in technical and soft skills. • Lecture recordings: Subject wise lectures are recorded by expert faculty on Kpoint server. This is a LAN based resource to help the students to learn and revisit the concepts discussed in class earlier. • Expert faculty: A good blend of the classroom and handson training provided by expert faculty. • AMCAT assessment: Training need and outcome assessed using AMCAT, a test preferred by many wellknown industries globally. The Practice: The duration of STP is 120 hours that spread over five semesters as STP IV. It is to be undertaken by the student from the start of the second year of engineering. Project Based Learning Environment: Goal: For achieving effective learning by students. The Context: Learning happens only when one performs tasks on his own. The Practice: • Students are encouraged to pick up a project in small groups in the representative list of areas prepared by the department or by him. They are required to go through a structured process of analysing the problem, solution development and implementation. • Student projects are then evaluated by merit. • Necessary feedback is given to students. • Institute has developed various schemes such as Lab innovations, VAP, and IIIC, which promote learning through projects. Evidence of success: PBL shows improvement in understanding and confidence about core concepts among students. It also helps in achieving skills required for the professional practice.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://cms.sinhgad.edu/sinhgad engineering institutes/sknsits lonavala/usp.aspx

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution stresses on outreach programmes and inculcates in its students an awareness of the value of a holistic education and empathy for the less privileged sections of society. An active NSS Cell organizes programmes for the student community. In natural calamities the college supports to help and makes arrangements to collect relief materials actively. This is done by the students like packaging, transportation and distribution to centres is a part of our commitment. Institute conducts student training program (STP) for five continuous semesters.It is based on Soft Skill Training that includes: STP I: Training on Communication Skills Part I Listening, Reading (Technical and Nontechnical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion). STP II: Training on Communication Skills Part IIListening, Reading (Technical and Nontechnical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion). STP III: Training on Technical skills Training and refreshing of Technical Fundamentals. STP IV: Interview PreparationPractice of Group Discussion and Personal Interview. STP V: Value Addition ProgramTraining from outside expert to add value to CV. Institute provides international internship for the students.

#### 8. Future Plans of Actions for Next Academic Year

Teaching and Learning are two main pillars of the education system. To strengthen these systems, institute aims to introduce innovative practices in the academic year 201920 as mentioned below: . Administrative Reforms . Strict academic monitoring by IQAC . Increase utilization of eresources and NPTEL video lectures . Examination Reforms . Enhance Research activities . Increase number of quality publications . Enrich the students with Value Added Programme (VAP) . Incorporate Project Based Learning (PBL) Problem Based Learning (PBL) is a teaching method in which complex real world problems are used as the vehicle to promote student learning of concepts and principles as opposed to direct presentation of facts and concepts. In addition to course content, PBL can promote the development of critical thinking skills, problem solving abilities, and communication skills. It can also provide opportunities for working in groups, finding and evaluating research materials, and lifelong learning. . Motivate the faculty member to write a proposal for fetching research grants . Reformation in "Alumni cell", to increase the active participation of alumni . Grants form funding agencies like AICTE/DST/CSIR/UGC etc. . Introduction of more Innovative Teaching Methodologies (ITM) . Encouragement to interdisciplinary undergraduate level projects
