The Convocation ceremony was organized for 2015 passed out batch. Degree certificates were distributed during this program.

The Alumni meet was organized for the 2015 passed out batch. Ekta Khalane and Jerin Joseph have shared their views of corporate world and guided junior student related to their placements and academics.

Project competition was held for TE & BE students.

Mock Interview of TE and BE students are conducted at college level with Personal Interview Expert

Parent - Teacher Meeting is organized in every semester for parents of SE, TE and BE students to know their wards' academic performance and efforts taken by department for student's academic and personal growth.

Different activities like group discussion, quiz competition, communication skill improvement for personality development of the students are conducted throughout the year which will be effectively utilized for their placements.

Technical paper presentation was taken for students under Techtonic 2016.

ROBO RACE was conducted as a chill zone event under Techtonic 2016.

Student's Association

e_WORTS

WINING ORIENTED & RADIANT TELECOMMUNICATION SOCIETY (E&TC Student's Forum)

Getting involved with the Student Association Board provides a terrific opportunity to gain new skills in areas such as meeting procedures, planning, marketing, editing, organizing and working as part of a team - all of which are transferable to the workplace and look good on your resume.

The e-WORTS club of E&TC department was established in January 2013. This club is student's association club driven by the students and for the students. Since its commencement, the primary objective of the club has been to impart quality of students in terms of working in team, improving leadership quality, initiating new tasks for students, organizing different events for students as well as staff.

e-WORTS is platform for all cultural, traditional, social and technical activities. E-WORTS is for developing a good student, a good person. E-WORTS is Student's forum for the ENTC department. This forum is by the students, of the students and for the students.

Governing body Structure:

This club is totally formed by students, for the students and of the students. Whole team along with President and Vice President are from Third year class. Selection of interested candidates was based on voting for the all the posts except for president and Vice President Post.

For the Post of President and Vice-President 5 students were interested namely Harsh Sampat, Unmesh Bhalerao, Shilpa Arya and Sonali Bhor, Rahul Kevalram. President and Vice President were selected on the basis of 50% Voting and 50% Interview Marks. All of them had campaigning first in the class. Then there was interview

process. B.E Students from last year e-WORTS team and e-WORTS coordinator staff took interviews toughly. President and Vice President were selected on the basis of communication skill, leader ship quality, presence of mind, academic records, extracurricular activities etc. Finally according to evaluation sheet Harsh Sampat was declared as president scoring highest marks and Shilpa Arya was declared as vice president having second highest marks.

Execution Cycle:

Once the club is formed students display the activities of the year. This club is fully run by students. It is monitored by one of the staff members.

Technical activities like

- **Technical Quiz,**
- **Aptitude test,**
- **Guest lectures ,**
- **Industrial tours,**
- **Workshops** are organized by the students.

Under nontechnical activities,

- **Indoor and Outdoor Game Competition,**
- **Teacher's day celebration, Engineer's Day celebration**
- **Topper's felicitation.**
