

# Result ( 2016-17 )

## Department of Mechanical Engineering

### SE Mechanical

| Particulars           | Count | Percentage |
|-----------------------|-------|------------|
| Total No. of Students | 338   | 100        |
| All Clear             | 116   | 34.31      |

### Overall Toppers

| Sr. No. | Name of Student                | Position | Marks Scored(SGPA) |
|---------|--------------------------------|----------|--------------------|
| 1       | Mr. Shelke Govardhan Satish    | 1        | 8.96               |
| 2       | Mr. Somvanshi Pravin Dhananjay | 2        | 8.83               |
| 3       | Mr. Patil Nikhil Champalal     | 3        | 8.8                |

### Subject-wise Result

| Sr. No. | Name of Subject ( SEM I ) | Percentage | Name of Subject ( SEM II )           | Percentage |
|---------|---------------------------|------------|--------------------------------------|------------|
| 1       | Thermodynamics            | 90.83      | Theory of Machines I                 | 62.18      |
| 2       | Material Science          | 97.13      | Applied Thermodynamics               | 74.50      |
| 3       | Strength of Materials     | 67.05      | Electrical & Electronics Engineering | 54.44      |
| 4       | Engineering Mathematics   | 79.66      | Fluid Mechanics                      | 71.63      |
| 5       | Manufacturing Process I   | 78.22      | Engineering Metallurgy               | 73.35      |

# Result ( 2016-17 )

## Department of Mechanical Engineering

### TE Mechanical

| Particulars           | Count | Percentage |
|-----------------------|-------|------------|
| Total No. of Students | 274   | 100        |
| All Clear             | 163   | 59.49      |
| Distinction           | 64    | 39.26      |
| First Class           | 54    | 33.12      |
| Higher Second Class   | 37    | 22.69      |
| Second Class          | 8     | 4.9        |

### Overall Toppers

| Sr. No. | Name of Student            | Position | Marks Scored | Percentage |
|---------|----------------------------|----------|--------------|------------|
| 1       | Mr. Minde Kunal Shriram    | 1        | 1223/1500    | 81.53      |
| 2       | Mr. Kuchekar Akshay Dadaso | 2        | 1172/1500    | 78.13      |
| 3       | Mr. Gade Anuj Kisan        | 3        | 1141/1500    | 76.07      |

### Subject-wise Result

| Sr. No. | Name of Subject ( SEM I )    | Percentage | Name of Subject ( SEM II )         | Percentage |
|---------|------------------------------|------------|------------------------------------|------------|
| 1       | Design of Machine Elements I | 90.88      | Design of Machine Elements II      | 81.75      |
| 2       | Heat Transfer                | 82.12      | Numerical Methods And optimization | 89.42      |
| 3       | Theory of Machines II        | 81.39      | Turbomachines                      | 86.86      |
| 4       | Metrology & Quality Control  | 97.08      | Mechatronics                       | 91.97      |
| 5       | Hydraulics And Pneumatics    | 95.26      | Manufacturing Process II           | 92.34      |

## Result ( 2016-17 )

### Department of Mechanical Engineering

#### BE Mechanical

| Particulars           | Count | Percentage |
|-----------------------|-------|------------|
| Total No. of Students | 255   | 100        |
| All Clear             | 219   | 85.88      |
| Distinction           | 133   | 60.73      |
| First Class           | 77    | 35.15      |
| Higher Second Class   | 9     | 4.1        |

#### Overall Toppers

| Sr. No. | Name of Student            | Position | Marks Scored | Percentage |
|---------|----------------------------|----------|--------------|------------|
| 1       | Mr. Runwal Yash Sunil      | 1        | 1245/1500    | 83.00      |
| 2       | Mr. Tamboli Saif Allauddin | 2        | 1218/1500    | 81.20      |
| 3       | Mr. Malkhedkar Rajas       | 3        | 1200/1500    | 80.00      |

#### Subject-wise Result

| Sr. No. | Name of Subject ( SEM I )        | Percentage | Name of Subject ( SEM II ) | Percentage |
|---------|----------------------------------|------------|----------------------------|------------|
| 1       | Refrigeration & Air Conditioning | 90.70      | Power Plant Engineering    | 99.22      |
| 2       | CAD/CAM & Automation             | 98.06      | Mechanical System Design   | 96.51      |
| 3       | Dynamics of Machinery            | 89.92      | Industrial Engineering     | 99.61      |
| 4       | Energy Audit & Management        | 100.00     | Finite Element Analysis    | 97.29      |
| 5       | Operation Research               | 97.29      |                            |            |
