

<i>Title of the Research Project</i>	Parametric studies on characterization of Reactive Powder Concrete.
<i>Period of Research</i>	2014-2016
<i>Funding Agency</i>	Savitribai Phule University of Pune
<i>Reference Number</i>	13ENG000587
<i>Name of the Principal Investigator</i>	Mrs. J. P. Bhusari
<i>Name of the Co-Investigator</i>	Mr. M. V. Bhogone
<i>Grant Received (Rs.)</i>	1,40,000
<i>Objectives of the project</i>	<ul style="list-style-type: none"> ▪ Establish mix design process. ▪ Study the effects of humidity and temperature on the strength characteristics. ▪ Evaluate the bond characteristics.
<i>Number of UG/PG Project Groups</i>	02
<i>Publications out of this Research (if any)</i>	Nil
<i>Photograph of Equipment Fabricated / Instruments purchased</i>	 <p style="text-align: center;">Humidity chamber</p>
<i>Any other information</i>	Nil
