

Department of Computer Engineering

Message from HOD:

The department has well qualified and experienced faculty with a unique blend of young faculty along with senior faculty having valuable academic and industrial experience which adds into teaching-learning experience. Considering industry requirements, various software tools and appropriate equipments are used in laboratories for practice.

Year of Establishment: 2011

Names of Programmes / Courses offered (UG)

Annual/ semester/choice based credit system (Programme wise):

Sr. No.	Course offered	Programme	Duration	System	Evaluation
1	U.G.	Computer Engineering	4 Years	8 Semester	Marks/Credit

Faculty Details:

No. of Teaching Faculty	Filled
Asst. Professors	22

Staff Details	
Faculties Pursuing PhD	03
Faculties with M.E./M.Tech Degree	18
Technical Assistants	01
Lab Assistants	01
Network Admin	01

Department Highlights➤ **Special Domain Oriented Labs**

1. Cyber Security Center of Excellence
2. Software Development Unit
3. Big Data Innovation Center
4. GPU Education Center
5. Cloud Computing Center of Excellence

➤ **Research Oriented Culture**

- Patent – 09 and Copyrights -02
- Grants Received = Rs. 4,23,264/-
- Funded Project = Rs. 1,50,000/-

➤ **Well Trained Faculties**

- Best Practices
- Department Portal – ‘ Let’s Study’
- Pedagogical Initiative
- Pre placement Training
 - ❖ Project Based Learning – Initiative towards Innovation K- Point Initiative
 - ❖ IITFOSS (IIT Bombay Open Source Software) and edX (Online certification course from Harvard University)
