

- **Name** : Prof. Dashratha Laxmiprasad Mittapalli
- **Designation** : Assistant Professor
- **E-mail ID** : dashratha.mittapalli@sinhgad.edu
- **Qualifications** : M.E Structures
- **Total Experience** : 10 Yrs.
- **Subject Taught** :Structural Design III,
Structural Design II,
Structural Design I,
Structural Analysis I,
Strength of Material,
Engineering Mechanics,
Surveying,
Basic Civil and Environmental Engineering.
- **Research Paper Published** :
 1. An Investigation on Green Supply Chain Management in the Construction Sector within Maharashtra.
 2. EIA Guidelines for Airport.
 3. Assessment of Construction in Concrete by Mixing Activator Material.
 4. Time and Resource Management In Conventional And Prefabricated Construction Using Ms Project.
 5. Application of Lean Construction in Commercial Building.
 6. Application of BIM and Construction Process Simulation Using 5D BIM for Residential Building Project.
 7. Second Order Analysis of Hollow Tapered Circular Bridge Pier.
 8. Use of coupler Splices for Reinforcement.
 9. Use of Mechanical Splices for Reinforcing Steel.
- **Seminar, Conference, Workshop Attended** :
 1. Advanced Structural Dynamics
 2. University Syllabus Revision conducted by SPPU
 3. Engineering Mechanics Seminar conducted by SPPU
- **Professional Bodies Memberships** :
 1. Indian Society for Technical Education.
