

## Department of Civil Engineering

| Sr. No | Title   | Level         | Arranged By  | Name of Faculty       | Dates of Program                                | Paper Presented YES/NO |
|--------|---|---------------|--|-----------------------|---|------------------------|
| 1.     | Experimental Investigation of bacterial concrete using bacillus sphaericus and bacillus pasteurii | International | DYPIET Ambi, Pune  | Mr. I. M. Jain        | 26 April to 27 April 2019                       | YES                    |
| 2.     | Analysis of watershed management of gulani village using GIS & HEC-HMS                            | National      | SCOE Pune , Association with SPPU  | Mr. A.A. Kohale       | 27 Feb to 28 Feb 2019                           | YES                    |
| 3.     | To Prepare Physical Model and Testing Hydraulic Parameter: A Case Study on Mutha River            | National      | SCOE Pune , Association with SPPU  | Mr. A.A. Kohale       | 27 Feb to 28 Feb 2019                           | YES                    |
| 4.     | Analysis of tall building with diagrid structural system  | National      | SCOE Pune , Association with SPPU  | Mr. S. T. Sanap       | 27 Feb to 28 Feb 2019                           | YES                    |
| 5.     | Solid waste Management for Smart City   | SPPU          | G. H. Riasoni College of Engg. & Management, Wagholi, Pune Association with SPPU | Mr. A.S. Kathe        | 1 March to 2 March 2019                         | NO                     |
| 6.     | Traning program-Hydrolic Modelling of Majar Comonents of Hydropower Schems                        | Central Govt. | CWPRS , Pune   | Mr. A.A. Kohale       | 26 to 27 feb 2019                               | NO                     |
| 7.     | Workshop –Effective teaching Methodology for Engg. Mechanics                                      | SPPU          | PCCOE Association with SPPU  | Mr. Karmuse Nilesh A. | 3 <sup>rd</sup> Jan to 5 <sup>th</sup> Jan 2019 | NO                     |
| 8.     | 16SEE , IIT Roorkee   | National      | IIT Roorkee  | Mr. Abhilash Singh    | 20 to 22 Dec 2018                               | Yes                    |
| 9.     | Workshop –Effective teaching Methodology for Fluid Mechanics I                                    | SPPU          | SCOE Pune , Association with SPPU  | Mr. A.A. Kohale       | 20 to 21 Dec 2018                               | NO                     |

|     |   |               |  |                     |                        |     |
|-----|---|---------------|--|---------------------|------------------------|-----|
| 10. | Workshop –Effective teaching Methodology for Fluid Mechanics I          | SPPU          | SCOE Pune , Association with SPPU  | Ms. Snehal T. Sanap | 20 to 21 Dec 2018      | NO  |
| 11. | FDP On BIM Workflow for AEC Industry                                    | SPPU          | CADD Centre & Bentley Association with SPPU                                      | Mr S. S. Shaikh     | 20 Dec 2018            | NO  |
| 12. | FDP On BIM Workflow for AEC Industry                                    | SPPU          | CADD Centre & Bentley Association with SPPU                                      | Mr G. A. Chougule   | 20 Dec 2018            | NO  |
| 13. | FDP On BIM Workflow for AEC Industry                                    | SPPU          | CADD Centre & Bentley Association with SPPU                                      | Mr. Suraj W. Jagtap | 20 Dec 2018            | NO  |
| 14. | Performance of suction pile anchor for floating offshore structure      | International | IGC Conference & IISc Bangalore  | Ms. A.H. Chavan     | 13 Dec 2018- 5 Dec2018 | Yes |
| 15. | Revised IS: 1983-2016, 13920-2016, IS: 16700-2017 & it's implementation | SPPU          | Indian Society of structural Engineers, Pune                                     | Mr. A.R. Kondekar   | 17 Nov 2018            | NO  |
| 16. | Revised IS: 1983-2016, 13920-2016, IS: 16700-2017 & it's implementation | SPPU          | Indian Society of structural Engineers, Pune                                     | Mr. G. A. Chougule  | 17 Nov 2018            | NO  |
| 17. | Disaster Management & Mitigation(Interdisciplinary)                     | SPPU          | G. H. Riasoni College of Engg. & Management, Wagholi, Pune Association with SPPU | Mr. A.R. Kondekar   | 19 to 23 Nov 2018      | NO  |
| 18. | STP on Wind Effect on Structures  | National      | VNIT Nagpur  | Mr. I.M. Jain       | 29 oct. to 2 Nov. 2018 | NO  |
| 19. | FDP on Advances in Concrete technology                                  | SPPU          | ICEM, Pune   | Mr. I.M. Jain       | 11Oct2018-12 oct 2018  | NO  |
| 20. | FDP on Advances in Concrete technology                                  | SPPU          | ICEM, Pune   | Mr. P.M. Wale       | 11Oct2018-12 oct 2018  | NO  |
| 21. | FDP on Advances in Concrete technology                                  | SPPU          | ICEM, Pune   | Mr. A.J.Kulkarani   | 11Oct2018-12 oct 2018  | NO  |

|     |   |          |                            |                    |                      |    |
|-----|---|----------|----------------------------|--------------------|----------------------|----|
| 22. | NPTEL online certification course on : " Design of RCC – Online                                 | National | NPTEL                      | Mr. I.M. Jain      | Jun-Oct 2018         | NO |
| 23. | NPTEL online certification course on : " Intergrated Waste management for a Smart City - Online | National | NPTEL                      | Mr. V. A. Angulwar | Jun-Oct 2018         | NO |
| 24. | NPTEL online certification course on : " Concrete Technology - Online                           | National | NPTEL                      | Mr. V. A. Angulwar | Jun-Oct 2018         | NO |
| 25. | Advance in concrete and concrete technology   | National | MIT, kothrud               | Mr. I. M. Jain     | 28.9.2018            | NO |
| 26. | Advance in concrete and concrete technology   | National | MIT, Kothrud               | Mr. A.J. kulkarni  | 28.9.2018            | NO |
| 27. | Advance in concrete and concrete technology   | National | MIT, kothrud               | Mr. S.C. Goudgaon  | 28.9.2018            | NO |
| 28. | Advance in concrete and concrete technology   | National | MIT, kothrud               | Mr. Abhilash Singh | 28.9.2018            | NO |
| 29. | Experimental Structural Dyamics   | National | Sanjay Ghodawat University | Mr. I. M. Jain     | 8.9.2018 to 9.9.2018 | NO |
| 30. | Design of PT Flat Slab & Introduction t vibretion and Earthquake Analysis                       | SPPU     | STES                       | Mr. S.C. Goudgaon  | 28.7.2018            | NO |
| 31. | Design of PT Flat Slab & Introduction t vibretion and Earthquake Analysis                       | SPPU     | STES                       | Mr. V.A. Angulwar  | 28.7.2018            | NO |
| 32. | Design of PT Flat Slab & Introduction t vibretion and Earthquake Analysis                       | SPPU     | STES                       | Mr. A. S. Kathe    | 28.7.2018            | NO |
| 33. | Design of PT Flat Slab & Introduction t vibretion and Earthquake Analysis                       | SPPU     | STES                       | Mr. B.k Thakur     | 28.7.2018            | NO |
