Dear all,

As you are aware, we have recently signed an MOU with Birlasoft. The said MOU was signed with the idea of training and placement of students from Sinhgad Engineering Institute at Birlasoft. Going forward, Birlasoft has selected 52 students from our Institute.

Now, Birlasoft has proposed foundation training of these students at the hands of our expert faculties who have already been trained by Birlasoft under the FDP. All these faculties have also received certificate of completion. We propose that faculty will start this training from next Monday i.e 14/12/2020.

Attached with this email is the proposed schedule along with the list of faculty who will be conducting the said foundation training, virtually. Post this training, Birlasoft will be conducting assessments and case studies based on the training modules. Only those students who complete the training and clear the assessments will be considered for phase-2 training by Birlasoft. Upon successful completion of phase-2 training, students will be onboarded.

Smooth execution of this foundation training is very critical to the success of this program and, thus, I kindly request you to call a meeting of respective faculty members (mentioned in the list attached) and their HOD to advise them on the significance and importance of this program.

We have assigned training responsibility to Dr. Durgaprasad Kamat from SAE.

Thanks & Regards.
