## VISIT TO AN OLD AGE HOME

Visiting the old age home situated near the village was an activity highly appreciated by the visiting NSS co-ordinator Prof.Pacharne sir. The activity which was more aimed towards the development of Indian Family values in the volunteers of an urban background hit a sore spot in every volunteers heart where we all realised that though the Indian Society prides itself for its family values it is a collapsing fort and the onus is on us to rebuild it.

The volunteers later expressed their concern for the people living in the lavish facilities of the old age facility and yet being dissatisfied due to lack of concern from the society. It was this disappointment that later strengthened into resolve to be sympathetic towards the old members of the facility as well as the realisation that it is up to this generation to ensure that none of such facilities are needed any more.
