Sinhgad Institutes

Sinhgad Engineering Institutes Student Training Program

Introduction:

Worldwide, the advancement in technology has not only revolutionized the scope of engineering education, but also redefined the expectations from engineering graduates. At STES, a need was identified to start an innovative "Student Training Program" that would help the students to build a personality equipped with exquisite technical and non-technical skills. With this in mind, a state of the art Student Training Program is being implemented from the year 2013. While the atm of this program is "to enhance the quality of the students by empowering them with skills those are globally at par", the objectives of this program are to:

- Enhance the employability opportunity,
- · Prepare students for entrepreneurship and
- Prepare students for higher education in India as well as Abroad.

Program Details:

This training program, the duration of which is 120 hours that spread over 7 semesters, is to be undertaken by the student from the start of the First Year of Engineering. The details of the program are mentioned in Table 1.

Unique Features:

The unique features of this program are mentioned below.

- Integration in to the curriculum: Training incorporated into the curriculum to help prepare and evaluate the students in technical and non-technical skills.
- Lecture Recordings: As a part of STP, subject wise, all lectures are recorder by expert faculty on K-point server. This is an LAN based resource to help the students learn and revisit the concepts discussed in class.
- · Need based training: Training provided is based on the need of the student
- · Expert faculty: A good blend of class room and hands on training provided by expert faculty
- AMCAT assessment: Training need and outcome assessed using AMCAT, a job test preferred by many industries.
- Portal presence: Students will be provided a three year presence on AMCAT portal to seek placement.

Table 1: Semester wise program details, Student Training Program

Smt. Kanbbai Navale College of Engineering Vadgaon(Ek.), Pune-41.

Semester I, II Introduction to Student Training Program

- Motivational Lectures
- · Quantitative Aptitude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all 10 subjects

Semester III Training on Soft Skills

- SWOT Analysis, Goal Setting (Personal and Career), Personality and Stress Management, Behavioral Skills, Listening, Reading (Technical and Non-technical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion)
- AMCAT Assessment: To be used to assess the need for training in soft skills
- Quantitative Aptltude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all subjects

0

Semester IV Training on Communication Skills

- Listening, Reading (Technical and Nontechnical), Writing (Letter, Resume, CV, Report), Speaking (Public speaking, Group Discussion)
- AMCAT Re assessment: To be used to evaluate the communication skills of the student
- Quantitative Aptitude and Logical Reasoning Tests
- Audio backed Lectures by expert faculty with video illustrations for all subjects

Semester V Training on Technical Skills & Aptitude

- Training and refreshing of Technical Fundamentals
- · Aptitude Training from corporate trainer
- AMCAT Assessment: Score will be used to assess the need for training in technical skills
- Quantitative Aptitude and Logical Reasoning
 Tarte

Semester VI

Research Methodology and Aptitude Training

- · Aptitude Training from corporate trainer
- Training on Research Methodology
- AMCAT Re-Assessment: To be used to evaluate skills and may be used for placement numose.
- Quantitative Aptitude and Logical Reasoning Tests

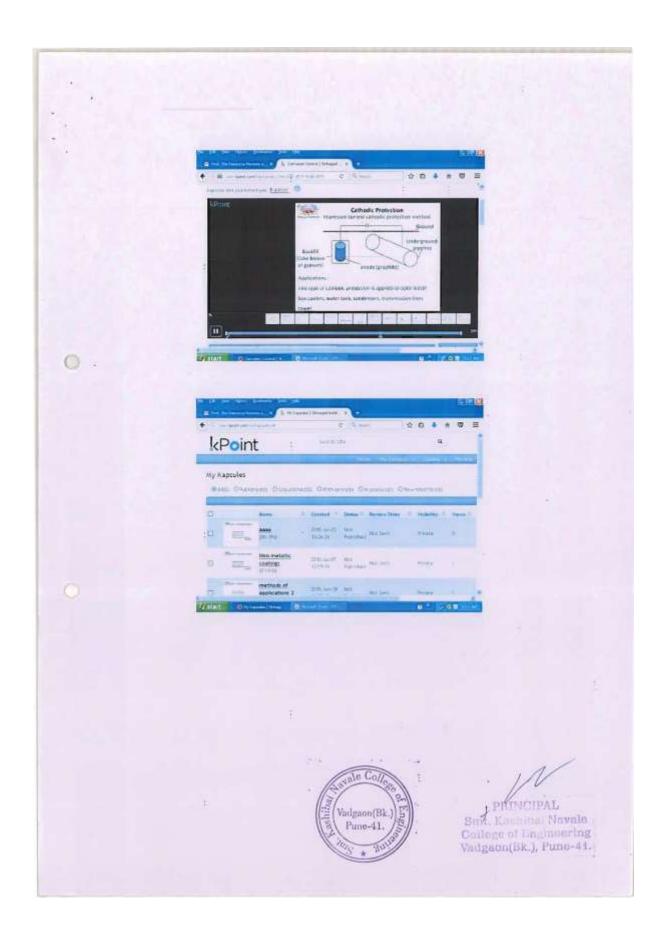

Semester VII

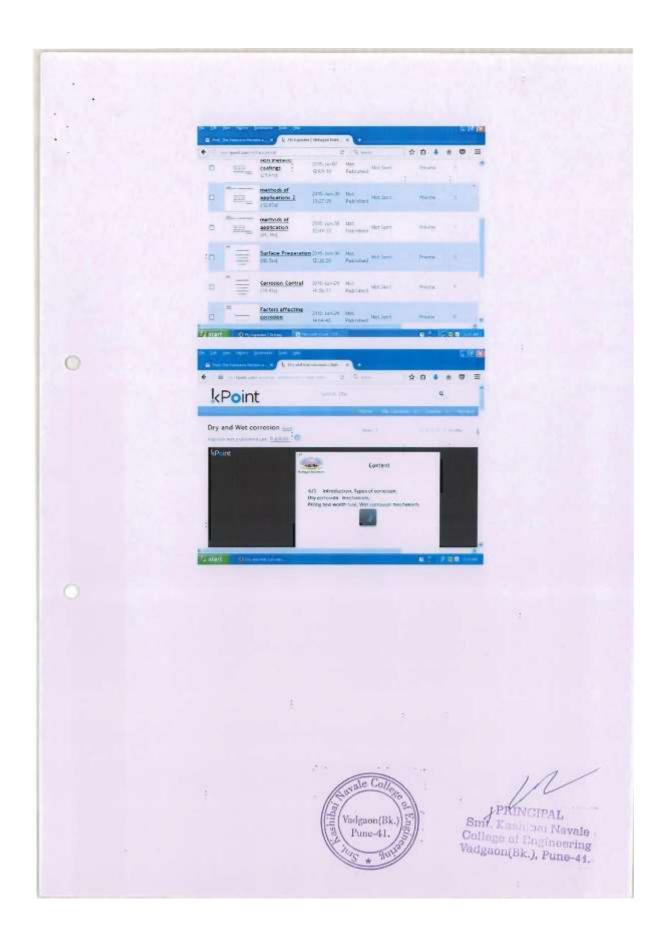

Value Addition Program & Interview Preparation

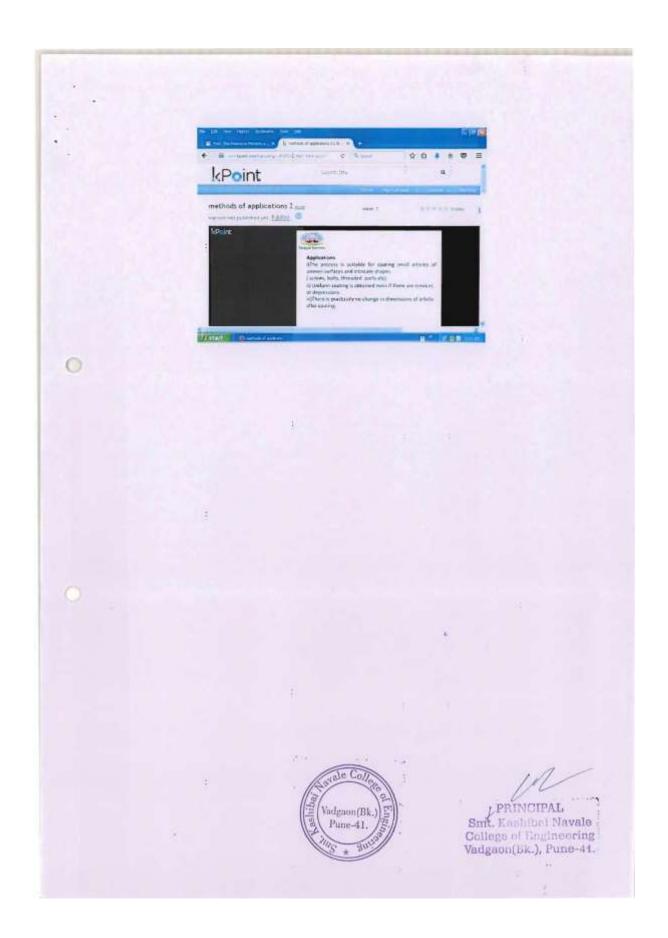

- · Training and Practice of Group Discussion and Personal Interview by corporate trainer
- · Value Addition Program: Training on latest technology by expert trainer from industry

Smit Kashibui Navalo Collans of Engineering Vacquentik, Pune-41.

Red Hat's University Connect at SKNCOE- 12th February 2017

The Red Hat's University Connect team visited the campus of Smt. Kashibai Navale College of Engineering Dept. of IT on **12th February 2017** Sunday. Prathamesh Chavan and Kenneth Dsouza were the members who represented Red Hat Pune at the event.

The members were welcomed by the faculty members of the IT Dept of SKNCOE. The members conducted a 5 hours talk cum hands-on workshop for the attendees which included the following points:

- Introduction to Red Hat History, Red Hat values, Products and Technology
- Red Hat's University Connect initiative
- Linux booting process
- Fedora, basic commands and contributing to Fedora
- Open Source communities

Prathamesh and Kenneth started with introducing Red Hat to the participants. The introduction included points like the Red Hat history, the values and culture of Red Hat and the products and technologies with which Red Hat is identified with. A quiz round was conducted based on these points and the winners were awarded with Red Hat goodies.

The Linux boot process is one of the amazing processes which could be seen first hand. The members gave a brief overview as how the process is carried out with the control getting transferred from one component to other. The participants were more curious and were proactive in asking questions which stroked to their ignited minds.

MOZILLA IN SKNCOE- IT DEPT

Date: 8th March 2016 Tuesday

Venue: Dept. of IT, Smt. Kashibai Navale College of Engineering

The Firefox Club STES had organized a contribution day event on 8th March on the occasion of Women's Day. The aim of this event was to keep up with the Super March initiative of Mozilla Pune community. The agenda was inclined with the women-centric topics as well as following goals and included March Super with the

-MozillaL10n

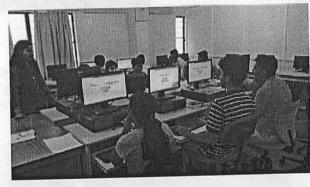

-MozillaDevelopersNetwork

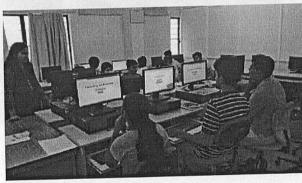

-WoMoz

Accordingly, there were talks as well as hands-ons activities for the generic participants who wished to contribute towards various Mozilla projects.

The event started with 2 parallel tracks: Mozilla L10n and Mozilla Developers Network.

Mozilla L10n was a handson activity in which about 29 participants had enrolled. It also covered a general introduction to Mozilla contribution areas and whatcanidoformozilla.org. The participants were given a detailed info about L10n in general and how to localize strings. This track saw many string submissions in many Indian languages. Prathamesh Chavan, Tanmayee Khadilkar and Saurabh Chivate mentored this track.

Mozilla Developers Network was taken up by Tejas Kale, Shivraj Kadam and Dhanashri Kadu. The main points which were covered in this track were introduction to MDN, how useful it is to developers and how to make use of it in active learning.

BITSMITH COLLEGE REGISTRATION AGREEMENT

This Agreement is executed on 1st August 2020 by and between:

Bitsmith Technologies Private Limited, having its registered office at 18A, Ujjwal Nagar, Darwha Road, Yavatmal – 445001, acting through its authorized representative **Mr. Ishwar Sarade**, Director (hereinafter referred to as "**Bitsmith**");

AND

Department of Information Technology, Smt. Kashibai Navale College of Engineering (hereinafter referred to as the "College" which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives and permitted assigns) of the other Party; acting through its authorized representative Mr. R. H. Borhade, Head Of Department.

Bitsmith and College may be referred to as 'Party' individually and as 'Parties' collectively, as the context may require.

Overview:

This agreement is regarding the college registration of 'Department of Information Technology, Smt. Kashibai Navale College of Engineering' with 'Bitsmith'.

Responsibilities of Bitsmith:

- Create student accounts for all the students registered by the College.
- Provide monthly internship updates to all the students registered by the College as per their filled in preferences.
- Safeguard students' data as per Bitsmith privacy policy (https://bitsmith.tech/privacy_policy).
- Inform the college when students get selected for an internship.
- Provide College with Bitsmith logo and brand name to be used in College's communications (internal or external) and on its website to recognize Bitsmith as the internship and training partner and any other purpose limited to the scope of the agreement.

Bitsmith Technologies Private Limited 18A, Ujjwal Nagar 2, Darwha Road Yavatmal, MH, IN 445001

CIN: U80904MH2020PTC342801

Responsibilities of College:

- Recognize Bitsmith as the internship and training partner in all internal and external communications including on its website and iin admission/media brochures.
- Send a communication to all the students and faculties regarding the association and directly encourage students to verify their accounts.
- Provide the information of all the interested students of the College as required by Bitsmith for their registration. The information should contain the first name, last name, mobile number and the email address of all the students of the College.
- Regularly post a list of students selected for internships through Bitsmith every month on the college's notice board.
- Authorize Bitsmith to recognize college, using College logo and/or brand name, as a registered user in its communications (internal or external) and on Bitsmith platform only for the purpose limited to the scope of the agreement.

Commercials:

This is a non-commercial agreement whereas neither party is required to make any payment to the other party for carrying out the responsibilities listed in this agreement.

Term and Termination:

This agreement will be operational and valid from 1st August 2020 to 30 July 2025 and the initial tenure of the agreement is 5 (five) years. Upon completion of the tenure, the agreement can be renewed for another 5 years and so on with mutual consent of both parties. Under normal circumstances, either party wanting to terminate the agreement can do so and it can be done on a mutually agreed upon date in a justified way with a notification given at least one month prior to termination date.

Indemnity

The college understands and agrees that all the information provided on Bitsmith related to internships and training is provided on as is basis. It further agrees that while Bitsmith makes efforts to ensure the accuracy of the information supplied, it does not guarantee it and the college will choose to disseminate this information to its students solely at its discretion. The college agrees to defend, indemnify and hold harmless Bitsmith, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors against any loss, claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees) arising out of or related to its use of content of Bitsmith platform feed that it posts, stores or otherwise transmits on or through its platform(s) or to its students or to general public at large.

The college understands and agrees that as a platform, Bitsmith acts as a bridge between the organizations who wish to hire interns and the students who wish to apply for the internships. We make best efforts to bring the best internships on the platform, educate students about the same and ensure that

they can apply to these internships in a seamless manner. However, the eventual hiring decision, rightfully, resides with the organization which is hiring interns and is dependent on several factors such as the skills of the applicant, quality of her applications, competition, requirements and assessment process of the organization, student's availability at the required location and for the desired period of the internship etc. Since these factors are beyond Bitsmith's control, Bitsmith does not and can not guarantee an internship to an applicant.

The college further agrees to indemnify and hold harmless Bitsmith, its subsidiaries, affiliates, licensors, employees, agents, third party information providers and independent contractors, if any, who controls any thereof, against any loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all expenses whatsoever reasonably incurred in investigating, preparing or defending against any litigation commenced or threatened or any claim whatsoever) arising out of or based upon any false representation or warranty or breach or failure by the College to comply with any covenant or agreement made by the College herein or in any other document furnished by the College to any of the foregoing in connection with this agreement.

Trademarks:

Except to the limited extent expressly provided in this Agreement, neither Party grants, nor the other Party will not acquire any right, title or interest (including, without limitation, any implied license) in or to any property of the first Party. All rights not expressly granted herein are deemed withheld. All use by a Party of the other trade names, trademarks, service marks, logos, etc., and any goodwill associated therewith, will insure to the benefit of the granter.

Confidentiality:

Bitsmith and the College will not disclose the details of this agreement and any private information that they come across when this agreement is in effect to any third-party.

If either Party (the "Receiving Party") under this Agreement gains access to confidential information of the other Party (the "Disclosing Party") concerning the Disclosing Party's prices, business, plans, technology, products, and other non-public information of the Disclosing Party (collectively, "Cl" or "Confidential Information"), then the terms of this section will apply. Cl includes all information in tangible or intangible form that is marked or designated as confidential by the Disclosing Party or that, under the circumstances of its disclosure, should be considered confidential. The Disclosing Party owns all right, title and interest, including all patents, copyright. trademark, trade secret rights and any other intellectual property or proprietary rights in any jurisdiction, including any and all applications, renewals, extensions and restorations thereof, in the Disclosing Party's Cl.

Each Party agrees that it will not use in any way, for its own benefit or the benefit of any third party, except as expressly permitted by, or as required to implement, this Agreement, nor disclose to any third

2018 Events of Mozilla:

Maker Fest 2018 - Ahmedabad

With high ambitions, students started off with the Mozilla presence at MakerFest 2018. They spoke about many different things at the Mozilla booth; some of which created a buzz in the entire arena. Firefox Quantum, Mozilla VR, Privacy and Security, Rust, Web extensions, Locations and what not. The confidence of the Mozillians and the enthusiasm of the audience was just perfect.

Mozilla VR session at Anibrain School of Media Design – Pune on 20th January 2018

Speaker: Prathmesh Chavan

Right from exploring the A-frame application source code to building a VR application using A-frame were the scenes at the venue. It was not just the students who were eager to learn some cool VR stuff but also the in-house professors and trainers of the school. An active content and a positive audience is something which makes a session perfect and this kind of mixture was seen at the venue.

We are thankful to the Faculty of Anibrain School of Media Design for inviting us as the event speakers and for presenting a vibrant participation and warm hospitality.

SAE India's Collegiate Design Series (CDS) competitions take students beyond textbook theory by enabling them to design, build, and test the performance of a real vehicle and then compete with other students from all over India in exciting and intense competitions.

All CDS competitions prepare undergraduate and graduate engineering students in a variety of disciplines for future employment in mobility-related industries by challenging them with a hands-on, team engineering experience that also requires budgeting, communication, project management, and resource management skills.

Students also gain valuable exposure with recruiters from leading companies in the mobility industry to help land their first engineering job after graduation.

In Baja SAE, engineering students are tasked with designing and building a single-seat, all-terrain sporting vehicle that is to be a prototype for a reliable, maintainable, ergonomic, and economic production vehicle that serves a recreational user market. The students must function as a team to design, engineer, build, test, promote, and compete with a vehicle within the limits of the rules.

E-Baja and M-Baja 2017-18

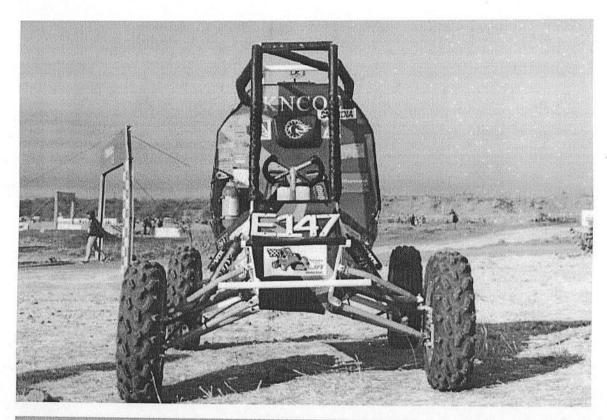

SAE Initia's Collegiate Design Series (CDS) competitions take students beyond textbook theory by enabling them to design, build, and test the performance of a real vehicle and then compete with other students from all over India in exciting and intense competitions.

All CDS competitions prepare undergraduate and graduate engineering students in a variety of disciplines for future employment in mobility-related industries by challenging them with a hands-on, team engineering experience that also requires budgeting, communication, project management, and resource management skills.

Students also gain valuable exposure with recruiters from leading companies in the mobility industry to help land their first engineering job after graduation.

In Baja SAE, engineering students are tasked with designing and building a single-seat, all-terrain sporting vehicle that is to be a prototype for a reliable, maintainable, ergonomic, and economic production vehicle that serves a recreational user market. The students must function as a team to design, engineer, build, test, promote, and compete with a vehicle within the limits of the rules.

Stallion Karting

Stallion karting participates in various workshops and events through-out the year. Any event participation is taken into consideration after a series of feasibility checks and steps.

Overview of the complete event

First major step before participating into any event is to take a closer look at the **RULE BOOK** of the event provided by the organizing committee. A rule book is a documented set of instructions provided as an event brochure cum rules and regulations CV , this is the most crucial step which determines whether the event is feasible and within the approach of the team. It consists of all the details regarding the commencement, procedures, rules, fees etc.

Once the rule book seems to be in favor or doable to the team within the given time constraint the further procedure can be initiated, which is the **PROJECT PLAN**.

Project plan is a series of formal documents that defines the execution and control stages of the event. All the project goals ,objectives ,specific tasks, team members assigned to that particular task , milestones , deadlines every single value.

Smt. Kashibai Navale Gellegs of Engineering Vadgaon(Bk.), Pune-44 Vinlgaon 131

detail is planned and is tried to be completed strictly according to the planning. It majorly focuses on the deadlines and the time allotted to every task.

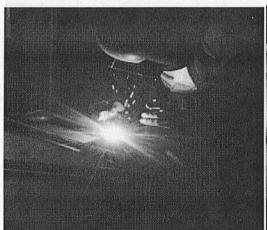

Once the project plan is dealt with **CAD** team and the **DESIGN** team come into action to carry out the next step which is the chassis design and analysis. The design team provided the cad team with multiple designs with necessary dimensions and tolerances and then a 3D model is obtained using catia, solid works, PTC creo etc.

This model is then analyzed in the **CAE** software's like ANSYS and hyper mesh which determines the optimal design and is chosen accordingly. The analysis includes testing of the vehicle in different dynamic as well as static conditions (front crash impact, side crash impact etc). If the design chosen is termed as safe for all conditions it is provided to the departmental teams for subsystem design.

Again a rule book parameter study is performed to check whether the designed vehicle fits within the given constraints and is manufactured at the least possible budget.

MANUFACTURING AND FABRICATION:

The manufacturing is the most technical and fun part of the overall competition, during which most of the hand on experience is gained. Manufacturing not only includes fabrication operations but also market surveys, cost bargaining, sponsor ships etc. Based on the market survey the chassis material is procured from a sponsored vendor or at the least possible price. Again considerations are to be made according to the rule book. After procurement, bending operations are performed from local vendors or in-house if possible. Here again a good deal is tried to be made with the vendors to reduce the expense on manufacturing. Later in the process all the subsystem parts are manufacture or procured if needed and the final vehicle is assembled to check all the tolerances and rule book compliance.

PRINCIPAL Sml. Kashibai Navala Gellege of Engineering Vadgaon(Bk.), Pune-41,

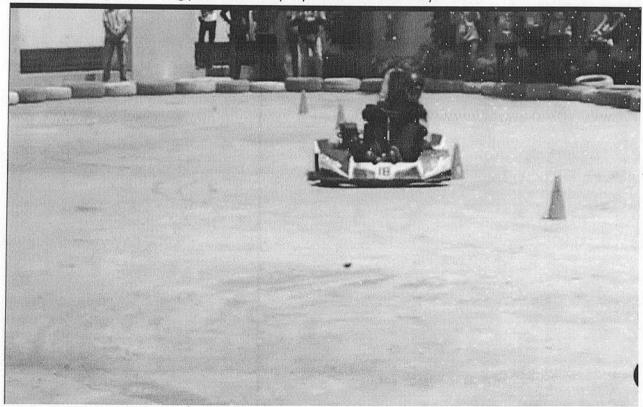

SPONSORSHIPS AND BUSINESS DEALS.

Being a partially non-profit organization, stallion karting does not wish to put financial burden on the team members. Instead we try to compensate and generate revenue through various sponsor ships and business proposals. A marketing and sponsorship team constantly works on bringing in new deals and sponsor's, a very recent achievement is 15 licensed software copies PTC CREO and SOLIDWORKS. These sponsorship drives are a constant process carried out with the manufacturing process wherein most of the cost cutting can be done.

TESTING:

The vehicle can never be given the final go until its complete testing is done. Vehicle Testing is a repetitive try and fix process wherein the vehicle is tested for all the various tracks and subevents that are expected to be held during the final event. The vehicle must satisfy and break previous records in the testing itself. This is the last stage of the manufacturing process wherein any disaster or part failure is identified and corrected. This is a very crucial stage to ensure the vehicle is fit for the final event. All the tracks are prepared in the testing zone and the vehicle is tested rigorously. The testing period is usually kept between 25-30 days.

EVENT VENUE AND FINAL EVENT:

Smi Kashibai Navale Sellege of Engineering Vadgaen(Bk.), Pune-41.

Page 71 of 716.

The vehicle is to be transported to the location of the final event 2-3 days prior to ensure that no delay is caused and also to fix any errors caused during the transportation. The event site can vary from state to state depending upon the organizing committee. On reaching the first step is to clear the technical inspection wherein the vehicle parameters are cross checked with the rule book. The organizers have the authority to disqualify a vehicle if it is found to violate the rules mentioned in the rule book. Only on clearing the TI the vehicle is allowed to participate in the dynamic events.

Later the vehicle is allowed to perform the acceleration test, brake test endurance run, figure of 8, autocross etc. The event also has multiple statics events as well, which include **COST PRESENTATION**, **MARKETING PRESENTATION**(**BPLAN**), **CAE REPORT**.

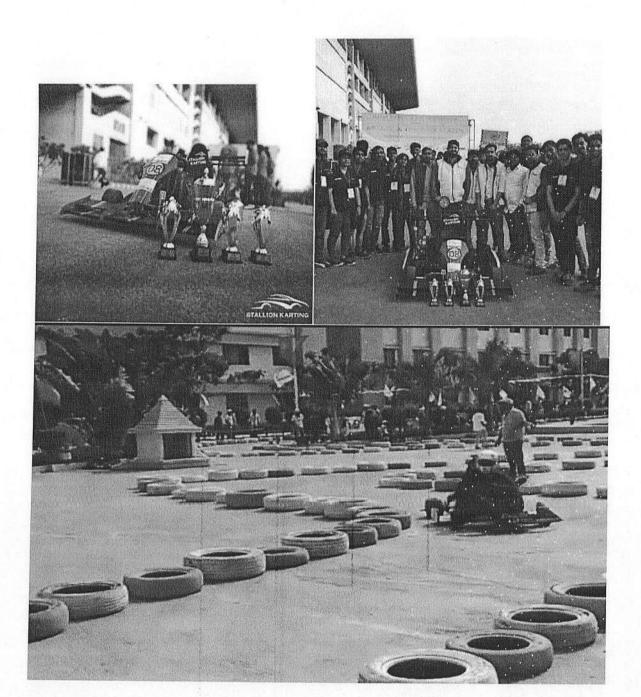

- 1. COST REPORT: The cost report is documented collection of all the expenses that were incurred during the manufacturing of the vehicle. This cost report includes all the costs in the BILL OF MATERIAL format and in a report format as well. Whichever team has the best cost presentation will be given an award with a cash prize. Team stallion has always been in the leader board s when it comes to cost presentations. This report has to be submitted along with all the original bills of any expense that is mentioned in the report.
- 2. BUSINESS PLANNING: BPLAN also known as marketing presentation is a PowerPoint presentation that is built upon the assumption that stallion karting is a start-up that produces go-karts and is willing to expand its business country wide, for which funding is needed. The judges are thought of as hypothetical investors who the team has to impress by their excellent marketing presentations. This presentation includes everything that a company would need to set up its own business firm. E.g. where will the factory be set up? why is that location most suitable?, what is the payback period?, what will be the setup cost? Etc.

After successful completion of all the sub events both static and dynamic the total score is evaluated align with individual score and all India rankings of the teams are displayed. Also teams who have scored excellently well will be awarded individually.

Department of E&TC

Best Practices-I

Title of the practice: STP

Objective of Practice

The student training programme makes the student's placement ready or ready to take on entrepreneurship. Students either are job creators or job seekers and it is responsibility of the institute to assist them in development.

It is one of the important objectives of the institute to develop the students such that they get placed in good companies in their field of specialization. Thus the college carries on activities like practicing aptitude, group discussion, general knowledge, current affairs, mock interview etc.

The context

Conduction of such a variety of events with expert supervision and advice involves a lot of specialists from each of the respective fields. It is challenging to arrange for resource persons and managing their schedules to coincide with academic activities.

It is important to track progress of the students in individual activities and give them feedback. Counseling critical cases is also necessary. The judgment given to students in activities which are subjectively evaluated should be fairly looked upon.

The practice

- Developing aptitude: aptitude tests are of paramount importance to prospective job seekers in today's competitive job market. employers use aptitude tests to distinguish between candidates and a poor score on a numerical or verbal reasoning aptitude tests could be the difference between getting an interview or not.
- > General knowledge: general knowledge contributes to personal enrichment, and a better understanding of the world as a whole.
- Awareness about current affairs: current affairs refer to the important incidents that have occurred and hold social importance in the world. The important role of current affairs can be evident with the various eligibility criteria adopted by the job sector, where individuals are hired based on their knowledge of their surroundings.
- > Developing domain knowledge: domain knowledge is the basis of the job the students will be acquiring in the organization. Strong foundation in domain knowledge is a stepping stone to further learning.
- > Technical skills (excel, PowerPoint): many companies today hire employees by looking at their computer literacy. If you know how to operate Microsoft tools then it is a plus because many companies today use the software in their computers.
- > Group discussion: discussions of any sort are supposed to help us develop a better perspective on issues by bringing out diverse view points. The understanding makes us better equipped to deal with the problem.

Smt. Kashibai Navale College of Engir Page 78 of 716. Vadgaon(Bk.), Pune-41. > Preparation for personal interview: interviews help the candidate and employer make an informed, mutually beneficial employment choice. Candidates who understand both sides of the interviewing process stand to have a more successful job search.

All the activities of the student training programme are conducted by faculty who has their expertise in respective areas. The activities are planned semester wise are weekly scoring and reporting is done to ensure continuous progress.

Problems encountered and resources required Since a large number of activities are planned any student missing any activity leads to loss of marks in that activity. It becomes very difficult to re-conduct the activity again

At the time of submission period students wanted to use lab resources beyond college hours so one peon was allocated for the same

7.2 Best Practices

1. Title of the practice -1

Participation of students in technical competitions likeVISION (National level technical symposium at Walchand College of Enginering Sangli, Maharashtra)

2. Objective of the practice

To support the students who are willing to participate in Technical competitions

To give students opportunity to connect with top notch organizations sponsoring the competition

To build the resume in fun way with hands on engineering work

also provide the technical support such as material, lab, technical support.

To give students an opportunity to connect with the students all around the world participating into the competition

3. The context

The First Year department encourage students to participate in Technical competition such as VISION(National level technical symposium) organized by Walchand College Of Engineering, Sangali Maharashtra. Every year around 100 students from the first year are participated in different technical events such as Paper Presentation, a Presentation, Project Presentation, On spot Modelling Making, many others competition. First year students won Overall championship since 2016. Travelling and accommodation facility provided by our college to student

4. The practice

A faculty co-ordinator has been appointed to help the students. The feasibility, cost effectiveness, material and equipment required building that idea/ project is discussed and then given a green signal for working. Members interested in working on that idea are assigned on that project. Before actual event student give presentation to faculty so primary analysis are made for students.

5. Evidence of the success

Head of Department
Engineering Science Department
Smt. Kashibai Navale College
of Engineering, Vadgaon, Pune - 41.

Page 81 of 716.

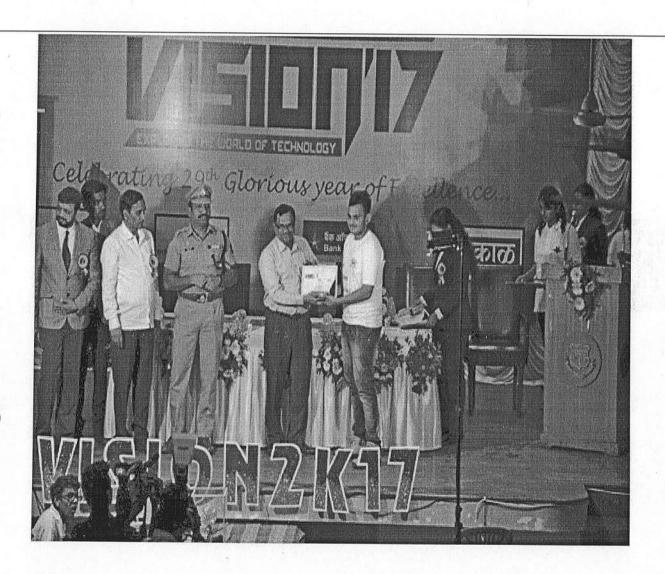

Vadgaon(B)

Pune-41

Students have participated in various competitions in Vision and have won several prizes in above mentioned competitions. Our students get to meet with students across the globe, gives them exposure of their education system, culture, traditions etc.

6. Problems encountered and resources required

These competitions are not compulsory on any institute, so one has to participate willingly. But once participated, it requires certain resources, expert advisors and separate workshop to carry on with the related work. Department has every time provided students with expert faculty for uninterrupted work environment.

7.2 Best Practices

1. Title of the practice -2

Vision, Mission, Discussion with Parents after Confirmation of Admission.

Dijective of the practice

To Discuss with the parents to motivate students for achieving throughout distinction in engineering study.

To encourage students for participating different placement drives.

To make the parents as well as students comfortable with new environment.

3. The context

The First Year department senior faculties discuss with parents so that they can motivate their ward for best academics in upcoming four years and get placed in reputed companies in future.

The practice

Different senior faculty has been appointed for discussion with parents.

They explain First year department's all academic plan and activities.

They explain current scenario of various branches applications in various industry.

Also explain the total placement, placement requirement, reputed companies visited to college.

Providing information for previous year results, also about higher studies in abroad.

5. Evidence of the success

Head of Department

Engineering Science Department

7.2 Best Practices

1. Title of the practice -2

Vision, Mission, Discussion with Parents after Confirmation of Admission.

2 Objective of the practice

To Discuss with the parents to motivate students for achieving throughout distinction in engineering study.

To encourage students for participating different placement drives.

To make the parents as well as students comfortable with new environment.

3. The context

The First Year department senior faculties discuss with parents so that they can motivate their ward for best academics in upcoming four years and get placed in reputed companies in future.

4 The practice

Different senior faculty has been appointed for discussion with parents.

They explain First year department's all academic plan and activities.

They explain current scenario of various branches applications in various industry.

Also explain the total placement, placement requirement, reputed companies visited to college.

Providing information for previous year results, also about higher studies in abroad.

5. Evidence of the success

Head of Department

Engineering Science Department

Smt. Kashibai Navale College

of Engineering, Vadgaon, Pune - 41.

Due to discussion with parents, they got all information about different criteria of companies.

All these discussions resulted in increase in placement of students in reputed companies with good packages.

Student entrepreneurship ratio increased due to this practice.

6. Problems encountered and resources required

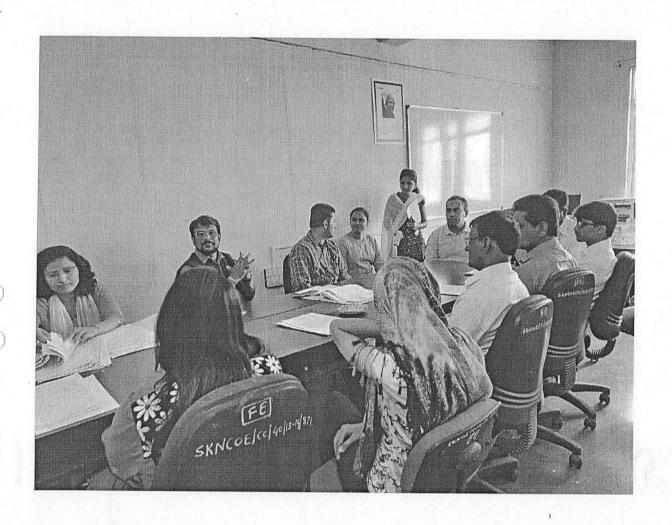

Parents from rural areas are not at all interested in higher studies in abroad. But the parents who are interested in higher studies in abroad resources like senior faculties are provided to clear the doubts of parents.

The list contains the topic for GD to be conducted for the academic year 2015-16

- 1. Are peace and nonviolence outdated concepts?
- 2. Security Cameras and Privacy!
- 3. Rules are meant to be broken
- 4. A man should not be too honest: Straight trees are cut first
- 5. Our culture: An advantage or disadvantage
- 6. Family owned Vs Professionally owned business
- 7. Flexi timings Vs Fixed timings: Which is better?
- 8. If winning isn't important why keep score?
- 9. Do we need education to be successful?
- 10. E learning: A substitute to class room learning!
- 11. Ethics in Business, Just a social FAD
- 12. Should we set up more IIT/IIMs or use the money for Primary/Secondary Education?
- 13. India spends too much on defence. Discuss
- 14. Privatization of Universities/colleges/schools
- 15. Women managers are less effective
 - 16. Engineering students should be made to study social sciences and arts
 - 17. HR is important than all other departments in an organization
- 18. If change is for good what about job loyalty?
- 19. The Brand Called You
- 20. Creating Environments that Nurture Success
- 21. Staying Positive in a Negative Environment
 - 22. India is poised for a drastic political change for Good or Bad
 - 23. When all you have is a hammer, everything looks like a nail
 - 24. A closed mouth catches no fly
- 25. Are women better managers than men?
 - 26. Product makes brand or the brand makes product.
 - 27. Are MNC's superior to Indian companies?
- 28. Technology has made our lives more dependent
 - 29. Opening up of Retail Sector in India Implications on kirana shops.
 - 30. Should a service sector like transport be left totally to market forces?
- 31. Industrialization should not be done at the cost of agricultural land.
- 32. IT and telephones have had a negative impact on human relations.
- 33. Manufacturing is the base for economic development
- 34. Unique Identification Numbers will be panacea to India's problems.
- 35. Unequal distribution of income in India. What is the solution?
- 36. Should India shift focus from service sector to manufacturing sector?
- 37. Cyber-crimes and their prevention
- 38. How can an airline under economic crisis be turned around to make profits?
- 39. Which option is better -subsidy or loan?
- 40. Changes in investment choices of Indian Middle Class
- 41. Will India become the most powerful country of Asia by 2020
- 42. India is a superpower in 21 century with 40 crore hungry people.
- 43. Expensive quality is better than cheap trash
- 44. Rural Vs Urban development

0

Page 122 of 716.

- 45. Should doctors be tried in consumer courts?
- 46. India should attack Pakistan in order to retaliate for Mumbai terror attacks.
- 47. Success is all about Human Relations.
- 48. Excessive use of electronic gadgets is leading to hampering of analytical skills of students
- 49. Promotion of Insurance using emotions: how ethical is it?
- 50. Should mercy killing be legalized in India?
- 51. India's biggest advantage- it's youth.
- 52. Who can be the best brand ambassador for 'Save Girl Campaign'- Kiran Bedi, Barkha Dutt, Sanya Mirza or Shabana Azmi?
- 53. Red Dragon verses Striped Tiger
- 54. Are women capable of taking more stress as compared to men?
- 55. Women empowerment is the cause for increase in the divorce rate in India
- 56. Social networking: boon or bane?
- 57. If it suits you carry on and forget everything else
- 58. Should civil society be added in law making process?
- 59. Competition is best for increasing efficiency
- 60. Who is responsible for eve teasing, boys or girls?

General Instructions

- STP MBA 1st semester consists STP Cycles, Weekly Test, Alumni Challenge, Excel in PowerExcel Challenge, Psychometric Test and Communication Skills Module.
- STP MBA 3rd semester consists STP Cycles, Weekly Test, Domain Doyens, Excel in PowerExcel Challenge and Communication Skills Module including CV Preparation.
- 3. STP Activities are expected to be conducted as per the STP Calendar and the relevant data like scores of the students or names of the students qualifying for the next level should be submitted on the date mentioned.
 - 4. Psychometric Test is to be conducted on 1st day of STP and the result is to be declared in the last week of Oct. 2015. Discussion with the students is to be arranged in the month of Nov. 2015.
 - 5. STP Students scores and division scores should be displayed on either LCD. Screen or Notice Board or both on the decided day. The same to be mailed to the students through Sinhgad mail ID.
 - 6. At the end of the semester, students will be ranked according to their STP performance.
 - 7. In Excel in PowerExcel Challenge, challenges will be set by the experts. Training Programme will be scheduled for the subject faculty and it is responsibility of the faculty to conduct this challenge as per the STP Calendar.
 - 8. Training Programme for the Communication Skills Module will be scheduled for the subject faculty and it is responsibility of the faculty to conduct this module as per the STP Calendar.
 - 9. Faculty taking C5 module for 3rd semester has to ensure that CV of the student is ready by the end of Oct. 2015
 - 10. For MBA 1st Semester, 02 Management Games must be conducted during the Induction Programme and 03 Management Games relevant to the subject to be conducted by the subject faculty.
 - 11. For MBA 3rd Semester, 03 Management Games relevant to the subject to be conducted by the subject faculty.

12. Students' feedback for STP Programme will be arranged in the last week of every month.

Subject: Permission for Computer Lab for AMCAT Exam

Respected Sir,

We have to conduct AMCAT Exam. The scheduled dates are from 13th Dec 2018 to 15th Dec **2018** full day.

Faculty coordinator Prof. Sanket Charkha, Prof. Geetabala Lendhare and Mr. Samadhan Gaikwad will accompany students in the Lab in this duration.

You are kindly requested to grant the permission to occupy the LAB for the same.

Thanking You.

Yours Truly.
Gor

Dr. Krishan M. Sharma

Virtual M-Baja 2020-21

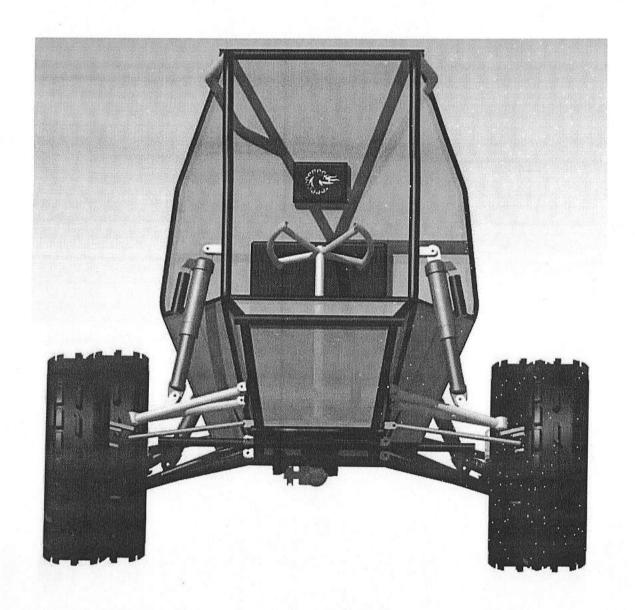

SAE India's Collegiate Design Series (CDS) competitions take students beyond textbook theory by enabling them to design, build, and test the performance of a real vehicle and then compete with other students from all over India in exciting and intense competitions.

All CDS competitions prepare undergraduate and graduate engineering students in a variety of disciplines for future employment in mobility-related industries by challenging them with a hands-on, team engineering experience that also requires budgeting, communication, project management, and resource management skills.

Students also gain valuable exposure with recruiters from leading companies in the mobility industry to help land their first engineering job after graduation.

In Baja SAE, engineering students are tasked with designing and building a single-seat, all-terrain sporting vehicle that is to be a prototype for a reliable, maintainable ergonomic, and economic production vehicle that serves a recreational user market. The students must function as a team to design, engineer, build, test, promote, and studies compete with a vehicle within the limits of the rules.

Aptitude Test I

Q1) All the tulips in Zoe's garden are

All the pansies in Zoe's garden are yellow. All the flowers in Zoe's garden are either white or yellow

If the first two statements are true, the third statement is:

- true
- В. false
- C. uncertain

Answer: Option C

Q2) During the past year, Josh saw more movies than Stephen. Stephen saw fewer movies than Darren. Darren saw more movies than Josh. If the first two statements are true, the third statement is

- true
- В. false
- C. uncertain

Answer: Option C

03.

Fact 1: All drink mixes are beverages.

Fact 2: All beverages are drinkable.

Fact 3: Some beverages are red.

If the first three statements are facts, which of the following statements must also be a fact?

I: Some drink mixes are red.

II: All beverages are drink mixes.

III: All red drink mixes are drinkable.

- I and II only
- В. II only
- C. I and III only
- D. III only
- None of the statements is a E. known fact.

Answer: Option D

Q4. Fact 1: All chickens are birds.

Fact 2: Some chickens are hens.

Fact 3: Female birds lay eggs.

If the first three statements are facts, which of the following statements must also be a fact?

All birds lay eggs.

II: Some Hens are birds.

III: Some chickens are not hens.

- I only
- B. II only
- II and III only
- None of the statements is a D. known fact.

Answer: Option C

Q5. Four defensive football players are chasing the opposing wide receiver, who has the ball. Calvin is directly behind the ball carrier. Jenkins and Burton are side by side behind Calvin. Zeller is behind Jenkins and Burton. Calvin tries for the tackle but misses and falls. Burton trips. Which defensive player tackles the receiver?

- A. Burton
- В. Zeller
- C. Jenkins
- D. Calvin

Answer: Option C

Q6. A four-person crew from Classic Colors is painting Mr. Field's house. Michael is painting the front of the house. Ross is in the alley behind the house painting the back. Jed is painting the window frames on the north side, Shawn is on the south. If Michael switches places with Jed, and Jed then switches places with Shawn, where is Shawn?

- in the alley behind the A. house
- on the north side of the В. house
- C. in front of the house
- on the south side of the D. house

Answer: Option C

Q7. Of the following two statements, both of which cannot be true, but both can also be falses Which are these two statements? The college of Engg I. All machines make noise statements 2 and 341. II. Some machines are noisy

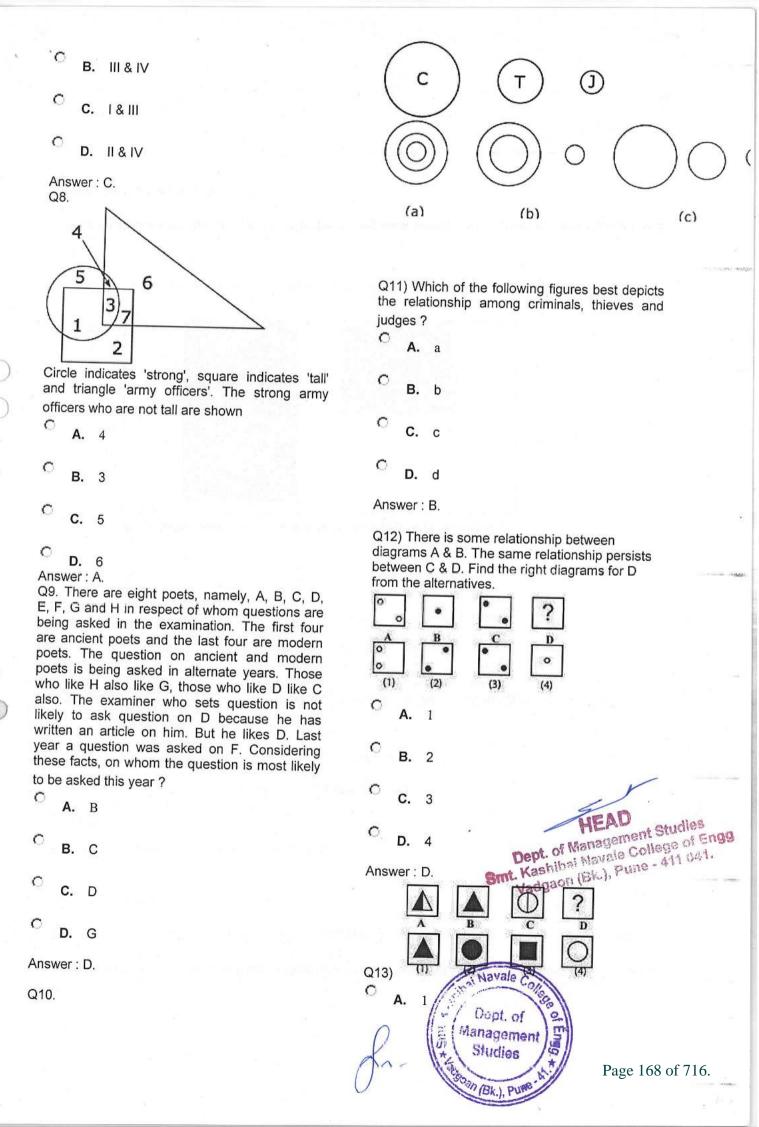

III. No machine makes noise

IV. Some machines are not noisy

Aptitude Test II

- Q1. Rover weighs less than Fido.
 Rover weighs more than Boomer.
 Of the three dogs, Boomer weighs the least.
 If the first two statements are true, the third statement is
 - A. true
 - B. false
 - C. uncertain

Answer: Option A

Q2. All the offices on the 9th floor have wall-to-wall carpeting.

No wall-to-wall carpeting is pink.

None of the offices on the 9th floor has pink wall-towall carpeting.

If the first two statements are true, the third statement is

- A. true
- B. false
- C. uncertain

Answer: Option A

- Q3. Fact 1: All hats have brims.
 - Fact 2: There are black hats and blue hats.
 - Fact 3: Baseball caps are hats.

If the first three statements are facts, which of the following statements must also be a fact?

- I: All caps have brims.
- II: Some baseball caps are blue.
- III: Baseball caps have no brims.
- A. I only
- B. II only
- C. II and III only
- D. None of the statements is a known fact.

Answer: Option D

- Q4. Fact 1: Most stuffed toys are stuffed with beans.
 - Fact 2: There are stuffed bears and stuffed tigers.
 - Fact 3: Some chairs are stuffed with beans.

If the first three statements are facts, which of the following statements must also be a fact?

- I: Only children's chairs are stuffed with beans.
- II: All stuffed tigers are stuffed with beans.
- III: Stuffed monkeys are not stuffed with beans.
 - A. I only
 - B. II only
 - C. II and III only
 - D. None of the statements is a known fact.

Answer: Option D

- Q5. In a four-day period Monday through Thursday each of the following temporary office workers worked only one day, each a different day. Ms. Johnson was scheduled to work on Monday, but she traded with Mr. Carter, who was originally scheduled to work on Wednesday. Ms. Falk traded with Mr. Kirk, who was originally scheduled to work on Thursday. After all the switching was done, who worked on Tuesday?
 - A. Mr. Carter
 - B. Ms. Falk
 - C. Ms. Johnson
 - D. Mr. Kirk

Answer: Option D

- Q6. Four people witnessed a mugging. Each gave a different description of the mugger. Which description is probably right?
 - A. He was average height, thin, and middleaged.
 - B. He was tall, thin, and middle-aged.
 - C. He was tall, thin, and young.
 - D. He was tall, of average weight, and middle-aged.

Answer: Option B

Q7. In a family there are husband wife, two sons and two daughters. All the ladies were invited to a dinner. Both sons went out to play. Husband did not return from office. Who was at home?

- C A. Only wife was at home
- B. All ladies were at home
- C. Only sons were at home
- D. No body was at home

Answer: D.

0

Q8. Artists are generally whimsical. Some of them are frustrated. Frustrated people are prone to be drug addicts. Based on these statements which of the following conclusions is true?

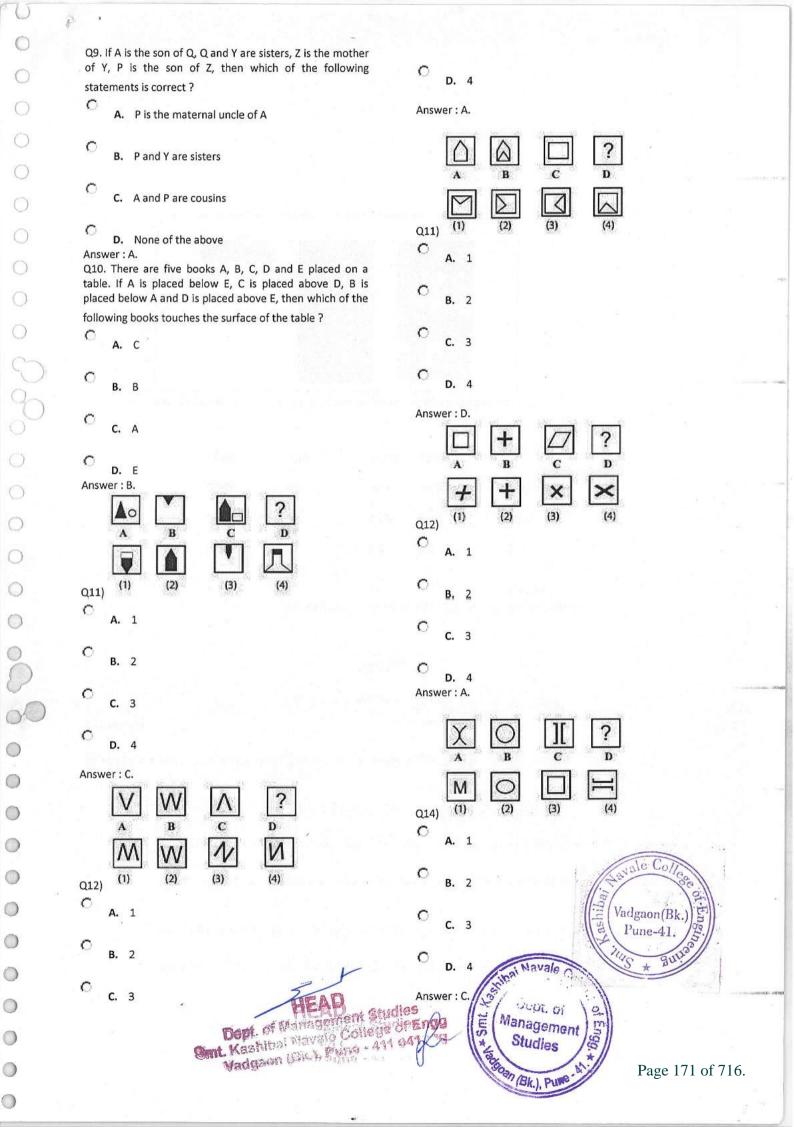

- A. All frustrated people are drug addicts
- B. Some artists may be designed for Management Studies
 - Smt. Kashibai Navale Gollege of E.:

 C. All drug addicts are a Mst gaon (Bk.), Pune 411 841.

D. Frustrated geople are whimsical Answer: B.

HBR Quiz

STP Cycle - I

- 1. The HBR article "What Leaders Really do is written by"
- a) John Kotter
- b) Tom Peters
- c) Peter Drucker
- d) Warren Bennis

- 2. Who is the CEO of Scandinavian Airlines System (SAS)
- a) John Kotter
- b) Tom Peters
- c) Peter Drucker
- d) Jan Carlzon

- 3. Who was the President of Travel Related Services (TRS) at American Express in 1979.
- a) John Kotter
- b) Tom Peters
- c) Lou Gerstner
- d) Jan Carlzon

- 4. The names Chuck Trowbridge & Bob Crandall are names associated with which of the following company?
- a) Apple
- b) Sony
- c) Kodak
- d) Microsoft

- 5. The name Richard Nicolosi is associated with which company?
- a) Apple
- b) Procter & Gamble
- c) Kodak
- d) Microsoft

- 6. The HBR article "Crucibles of Leadership is written by"
- a) John Kotter
- b) Tom Peters
- c) Peter Drucker
- d) Warren Bennis

- is the co-founder of Harman Kardon an Audio Components' company.
- a) Sidney Harman
- b) Harman Baweja
- c) Jan Carlzon
- d) John Kotter

- 8. What is the name of the mythological bird which rises from its own ashes?
- a) Unicorn
- b) Hoopoe
- c) Phoenix
- d) Garuda

Student Training Programme

Students either are job creators or job seekers and it is responsibility of the institute to assist them in development. The student training programme makes the students placement ready or ready to take on entrepreneurship.

It is one of the important objectives of the institute to develop the students such that they get placed in good companies in their field of specialisation. Thus the college carries on activities like practicing aptitude, group discussion, general knowledge, current affairs, mock interview etc.

Title of the Practice: Student Training Programme

2. Goal:

The student training programme makes the students placement ready or ready to take on entrepreneurship. Students either are job creators or job seekers and it is responsibility of the institute to assist them in development.

It is one of the important objectives of the institute to develop the students such that they get placed in good companies in their field of specialisation. Thus the college carries on activities like practicing aptitude, group discussion, general knowledge, current affairs, mock interview etc.

3. The Context:

Conduction of such a variety of events with expert supervision and advice involves a lot of specialists from each of the respective fields. It is challenging to arrange for resource persons and managing their schedules to coincide with academic activities.

It is important to track progress of the students in individual activities and give them feedback. Counseling critical cases is also necessary. The adjunct given to students in activities which are subjectively evaluated should be taken to track progress of the students in individual activities and give them feedback. Counseling critical cases is also necessary. The adjunction of the students in individual activities and give them feedback. Counseling critical cases is also necessary. The adjunction of the students in individual activities and give them feedback in activities which are subjectively evaluated should be a subjective evaluated sho

looked upon.

The Practice 4.

- a. Developing Aptitude: Aptitude tests are of paramount importance to prospective job seekers in today's competitive job market. Employers use aptitude tests to distinguish between candidates and a poor score on a numerical or verbal reasoning aptitude tests could be the difference between getting an interview or not.
- b. General Knowledge: General knowledge contributes to personal enrichment, and a better understanding of the world as a whole.
- c. Awareness about current affairs: Current affairs refer to the important incidents that have occurred and hold social importance in the world. The important role of current affairs can be evident with the various eligibility criteria adopted by the job sector, where individuals are hired based on their knowledge of their surroundings.
- d. Developing domain knowledge: Domain knowledge is the basis of the job the students will be acquiring in the organisation. Strong foundation in domain knowledge is a stepping stone to further learning.
- e. Technical skills (Excel, PowerPoint): Many companies today hire employees by looking at their computer literacy. If you know how to operate Microsoft tools then it is a plus because many companies today use the software in their computers.
- f. Group Discussion: Discussions of any sort are supposed to help us develop a better perspective on issues by bringing out diverse view points. The understanding makes us better equipped to deal with the problem.
- g. Preparation for Personal Interview: Interviews help the candidate and employer make an informed, mutually beneficial employment choice. Candidates who understand both sides of the interviewing process stand to of Managament Grudies All the activities of the student training programme are conducted by faculties

IDBI Bank's Profile

IDBI Bank Ltd. is today one of India's largest commercial Banks. For over 40 years, IDBI Bank has essayed a key nation-building role, first as the apex Development Financial Institution (DFI) (July 1, 1964 to September 30, 2004) in the realm of industry

On October 1, 2004, the erstwhile IDBI Bank converted into a Banking company (as Industrial Development Bank of India Limited) to undertake the entire gamut of Banking activities while continuing to play its secular DFI role.

Post the mergers of the erstwhile IDBI Bank with its parent company (IDBI Ltd.) on April 2, 2005 (appointed date: October 1, 2004)

merger of the erstwhile United Western Bank Ltd. with IDBI Bank on October 3, 2006,

The tech-savvy, new generation Bank with majority Government shareholding today touches the lives of millions of Indians through an array of corporate, retail, Small Medium Enterprises and Agri products and services.

Headquartered in Mumbai, IDBI Bank today rides on the back of a robust business strategy, a highly competent and dedicated workforce and a state-of-the-art information technology platform, to structure and deliver personalised and innovative Banking services and customised financial solutions to its clients across various delivery channels.

As an Universal Bank, IDBI Bank, besides its core banking and project finance domain, has an established presence in associated financial sector businesses like Capital Market, Investment Banking and Mutual Fund Business.

Pvt. Bank Field Visit

HDFC BANK
HDFC Bank
HINGNE KHURDA BRANCH

The bank was incorporated in August 1994 in the name of 'HDFC Bank Limited', with its registered office in Mumbai, India. HDFC Bank commenced operations as a Scheduled Commercial Bank in January 1995.

BUSINESS FOCUS

HDFC Bank's mission is to be a World Class Indian Bank. The objective is to build sound customer franchises across distinct businesses so as to be the preferred provider of banking services for target retail and wholesale customer segments, and to achieve healthy growth in profitability, consistent with the bank's risk appetite. The bank is committed to maintain the highest level of ethical standards, professional integrity, corporate governance and regulatory compliance. HDFC Bank's business philosophy is based on five core values: Operational Excellence, Customer Focus, Product Leadership, People and Sustainability.

Interest on Fixed Fixed Deposit for a tenor of 1 year and Senior Citizens earn an Interest rate of 7.75% for 1 year

Urja has a range of fun flavours(Soft Drinks)- Jeera fresh, Orango, Spark, Fizzer cola, Soda.

PACKAGED DRINKING WATER

- **2. Price-** As this segment is a competitive market, its prices almost similar to its competitors. The prices are set with keeping certain objectives in consideration, maximize profits, achieve target return on investment, achieve a sales figure, match the competition. The total cost of the products includes costs involved in production, research and development, transportation charges and direct costs such as raw materials and ingredients. As it's a retail outlet the price of the product is already set by manufacturers, there is fixed MRP already set.
- **3.Place-** my urja outlet mega food works is located in Anandnagar locality at Sinhgad road Pune. The outlet has all the residential areas near by it, there is even school near by it which attracts kids as well. Due to residential area all people living near by are getting well versed about the shop. The location the shop has chosen is beneficial commercially as people do access it often.

4.Promotion- They promoted it through certain ads on radio, social media too. Special discounts were availed on purchase of icecream recently. They even accept party orders at their

REPORT ON FIELD VISIT

Visit To PS Automation (India) Pvt. Ltd. Pune

30TH January 2018

S.N.	PARTICULARS	REMARKS
1.	Participants	student candidates • Jagruti Adeshara • Chandrashekhar Ahire • Rohit Amale • Prashant Avhad • Apoorva Balakrishnan
2.	Duration	12:00 am to 2:00 pm
3.	Objectives	The Objectives was to get information about the Manufacturing process.
4.	Students present	• 5 Students
5.	Activities undertaken	 Gathering information Watching different Manufacturing Process Talking to Manager and supervisor
6.	Corporate/Academic Resources	Faculty Coordinators- • Prof. Sanket Charkha
8.	Outcome	 We learned about how to Manufacture the Plastic Bottles. How the process works. Working environment.

DISCRIPTION:

A water bottle is a container that is used to hold <u>water</u>, liquids or other beverages for consumption. The use of a water bottle allows an individual to transport, and drink, a beverage from one place to another.

A water bottle is usually made of plastic, glass, or metal. Water bottles are available in different shapes, colors and sizes. In the past, water bottles were sometimes made of wood, bark, or animal skins such as leather and sheepskin. Water bottles can be either disposable or reusable. Reusable water bottles can also be used for liquids such as juice, iced tea, alcoholic beverages, or soft drinks. This water bottle form can help save the environment, through reducing waste.

Easily portable, water bottles make for convenient use.

5th Stage: Final Product

Dent of Management Studies

Nashibal Navan College of Engo

Smit Mashibal Navan Page 278 of 716.

PROCESS OF MANUFACTURING:

The first stage in bottle manufacturing is stretch blow molding. The PET is heated and placed in a mold, where it assumes the shape of a long, thin tube. (The process by which the plastic is forced into the mold is called injection molding). The tube of PET, now called a parison, is then transferred into a second, bottle-shaped mold. A thin steel rod, called a mandrel, is slid inside the parison where it fills the parison with highly pressurized air, and stretch blow molding begins: as a result of the pressurized air, heat and pressure, the parison is blown and stretched into the mold, assuming a bottle shape. To ensure that the bottom of the bottle retains a consistently flat shape, a separate component of plastic is simultaneously joined to the bottle during blow molding.

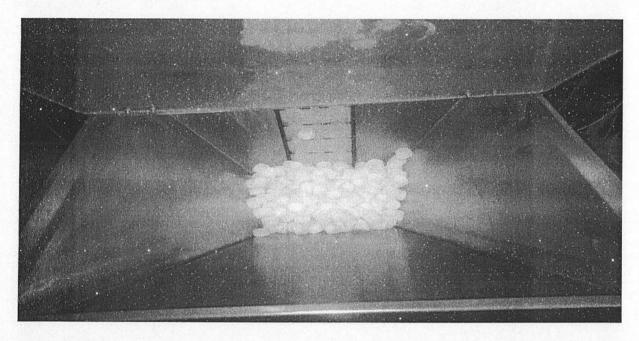

The mold must be cooled relatively quickly, so that that the newly formed component is set properly. There are several cooling methods, both direct and indirect, that can effectively cool the mold and the plastic. Water can be coursed through pipes surrounding the mold, which indirectly cools the mold and plastic. Direct methods include using pressurized air or carbon dioxide directly on the mold and plastic.

Once the bottle (or, in continuous manufacturing, bottles) has cooled and set, it is ready to be removed from the mold. If a continuous molding process has been used, the bottles will need to be separated by trimming the plastic in between them. If a non-continuous process has been used, sometimes excess plastic can seep through the mold during manufacturing and will require trimming. After removing the bottle from the mold and removing excess plastic, the bottles are ready for transportation.

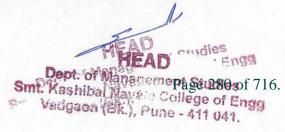

OTHER COMPONENTS IN PROCESS:

1ST Component: Caps of bottles

2nd Component: Stickers

Group Pics:

REPORT ON FIELD VISIT

Visit To PAVAN ELECTRONICS, SINHGAD ROAD PUNE

31ST October 2018

S.N.	PARTICULARS	REMARKS
1.	Participants	student candidates • Alshree Sontakke (• Rutuja Totala • Anshul Vaidya (• Pratham Whelhekar • Pratik Soyaskar
2.	Duration	12 NOON TO 12:30 PM
3.	Objectives	The Objectives was to get information about the store.
4.	Students present	• 5 Students
5.	Activities undertaken	Gathering information Knowing about the products
6.	Corporate/Academic Resources	Faculty Coordinators- • Prof. Sanket Charkha
8.	Outcome	 We learned about how the shop works. How they attract the customers. Services they provide. Types of products and their brands. Types in which they promote themselves.

1/2/18

DISCRIPTION:

The name of the store is PAVAN ELECTRONICS.

PRODUCT:

There were various types of products like washing machine, television, air conditioner, air cooler, mixer grinder, water purifier.

All these products were available in different brands according to demand of the customers.

The products were:

- Television: SONY, SAMSUNG, LG, VIDEOCON, ONIDA, PANASONIC.
- Washing Machine: IFB, BOSCH, WHIRLPOOL, SAMSUNG, HAIER.
- AIR CONDITIONER: VOLTAS, PANASONIC, LG, VIDEOCON, BLUE STAR.
- AIR COOLER: SYMPHONY, KENSTAR, BAJAJ, USHA.
- MIXER GRINDER: BAJAJ, PHILLIPS.
- WATER PURIFIER: AQUAGUARD, KENT, LIVPURE

PLACE:

The area consists of both urban and rural population which gives them flexibility of customers.

The transportation is quite easier as shop is in the prime location. Due to this location it is easily accessible to people of nearby area.

PRICE:

Price of different products are according to the brand value.

According to demand of the product the price fluctuates.

Moreover, the price is decided by the manufacturer itself.

Dealer sells the product within the margin so the customers and the seller are both satisfied.

PROMOTIONS:

Shop does its promotion by providing advertisements in newspapers, radio channels, pamplets.

By giving discounts on certain products in popular indian festivals.

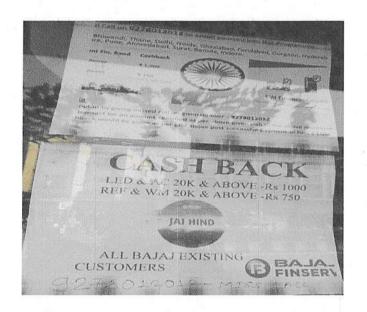

By providing after sell services and alluring offers they manage to promote themselves

HEAD

Dept. of Management Studies

Smt. Kashibai Navni Page 317 of 7169 Vadgash (Dk.), Pune - 411 041.

Description: Banking is just not only depositing cash or withdrawing money. Basically functions of banks is divided into two types- 1) Primary functions 2) Secondary functions. Primary functions include accepting deposits. We also got to know about the loan process and it's other departments like Forex department, RTGS/NEFT etc.

The primary functions of a bank are also known as banking functions. They are the main functions of a bank.

These primary functions of banks are explained below.

1. Accepting Deposits

The bank collects deposits from the public. These deposits can be of different types, such as :- Saving, DepositsFixed, DepositsCurrent,DepositsRecurring Deposits

a. Saving Deposits

This type of deposits encourages saving habit among the public. The rate of interest is low. At present it is about 4% p.a. Withdrawals of deposits are allowed subject to certain restrictions. This account is suitable to salary and wage earners. This account can be opened in single name or in joint names.

b. Fixed Deposits

Lump sum amount is deposited at one time for a specific period. Higher rate of interest is paid, which varies with the period of deposit. Withdrawals are not allowed before the expiry of the period. Those who have surplus funds go for fixed deposit.

c. Current Deposits

This type of account is operated by businessmen. Withdrawals are freely allowed. No interest is paid. In fact, there are service charges. The account holders can get the benefit of overdraft facility.

d. Recurring Deposits

This type of account is operated by salaried persons and petty traders. A certain sum of money is periodically deposited into the bank. Withdrawals are permitted only after the expiry of certain period. A higher rate of interest is paid.

2. Granting of Loans and Advances

The bank advances loans to the business community and other members of the public. The rate charged is higher than what it pays on deposits. The difference in the interest rates (lending rate and the deposit rate) is its profit.

The types of bank loans and advances are :-

Overdraft, Cash Credits, Loans, Discounting of Bill of Exchange

B. Secondary Functions of Banks

These important secondary functions of banks are explained below.

1. Agency Functions

The bank acts as an agent of its customers. The bank performs a number of agency functions which are as Transfer of Funds, Collection

Cheques, Periodic Payments, Portfolio Management, Periodic Collections, Other Agency Functions

Dept. of Management Studies
Smt. Kashibal Nav. Page 318 of 716.
Vadgaon (Bk.), Page - 411 041.

2. General Utility Functions

The bank also performs general utility functions, such as :-

a. Issue of Drafts and Letter of Credits

Banks issue drafts for transferring money from one place to another. It also issues letter of credit, especially in case of, import trade. It also issues travellers' cheques.

b. Locker Facility

The bank provides a locker facility for the safe custody of valuable documents, gold ornaments and other valuables.

c. Underwriting of Shares

The bank underwrites shares and debentures through its merchant banking division.

d. Dealing in Foreign Exchange

The commercial banks are allowed by RBI to deal in foreign exchange.

e. Project Reports

The bank may also undertake to prepare project reports on behalf of its clients.

f. Social Welfare Programmes

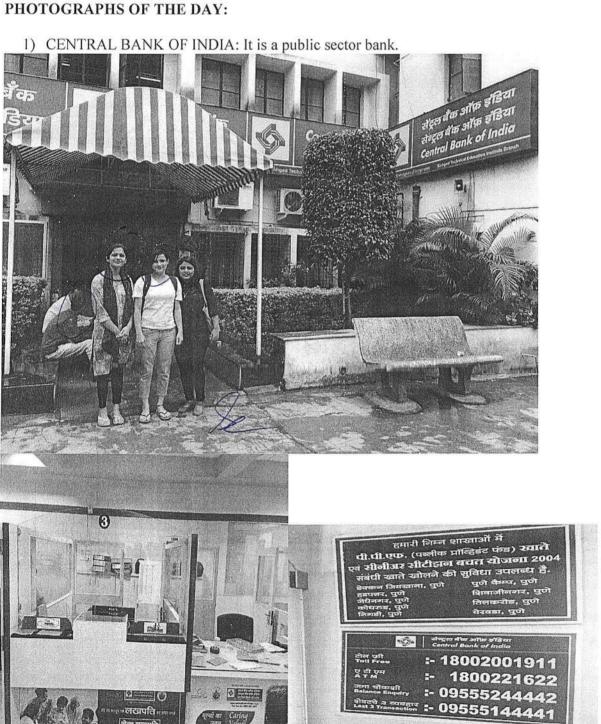

It undertakes social welfare programmes, such as adult literacy programmes, public welfare campaigns, etc.

g. Other Utility Functions

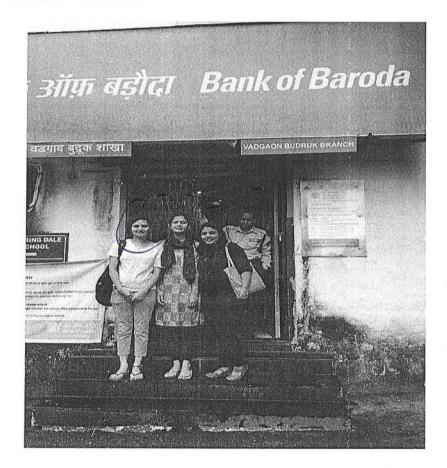

It acts as a referee to financial standing of customers. It collects creditworthiness information about clients of its customers. It provides market information to its customers, etc. It provides travellers' cheque facility.

Introduction:-

Bank of Baroda (BoB) is an Indian state-owned International banking and financial services company headquartered in Vadodara (earlier known as Baroda) in Gujarat, India. It has a corporate office in Mumbai.

The bank was founded by the Maharaja of Baroda, Maharaja Sayajirao Gaekwad III on 20 July 1908 in the Princely State of Baroda, in Gujarat. The bank, along with 13 other major commercial banks of India, was nationalised on 19 July 1969, by the Government of India and has been designated as a profit-making public sector undertaking (PSU).

Present day Bank of Baroda is the successor of the erstwhile "The Bank of Baroda Limited", founded in 1908 in a small town - Baroda - by the great visionary the late Maharaja of Baroda - Sir Sayajirao Gaekwad-III. From its humble beginnings, the Bank has grown, over the years.

A passbook or bankbook is a paper book used to record bank, or building society transactions on a deposit account. The passbook, which was around the size of a passport, ensured that eustomers had control over their own information, and was called a "passbook" because it was used as a way to identify the account holder without needing further identification. It also regularly passed between the bank and the account holder for updating.

3) Cheque

A cheque is a negotiable instrument instructing a financial institution to pay a specific amount of a specific currency from a specified transactional account held in the drawer's name with that institution. Both the drawer and payee may be natural persons or legal entities. Cheques are order instruments, and are not in general payable simply to the bearer as bearer instruments are, but must be paid to the payee.

Introduction:-

ICICI Bank is an Indian multinational bank and financial services company headquartered in Mumbai, Maharashtra, India, with its registered office in Vadodara. In 2018, it is the second largest bank in India in terms of assets and market capitalisation. It offers a wide range of banking products and financial services for corporate and retail customers through a variety of delivery channels and specialised subsidiaries in the areas of investment banking, life, non-life insurance, venture capital and asset management. The bank has a vast network of 4,867 branches and 14,367 ATMs in India, and has a presence in 17 countries including India.

The bank has subsidiaries in the United Kingdom and Canada; branches in United States, Singapore, Bahrain. Hong Kong, Sri Lanka, Qatar, Oman, Dubai International Finance Centre, China and South Africa; and representative offices in United Arab Emirates, Bangladesh, Malaysia and Indonesia. The company's UK subsidiary has also established branches in Belgium and Germany.

Introduction:-

A central bank, reserve bank, or monetary authority is an institution that manages a state's currency, money supply, and interest rates. Central banks also usually oversee the commercial banking system of their respective countries. In contrast to a commercial bank, a central bank possesses a monopoly on increasing the monetary base in the state, and usually also prints the national currency, which usually serves as the state's legal tender. Central banks also act as a "lender of last resort" to the banking sector during times of financial crisis. Most central banks usually also have supervisory and regulatory powers to ensure the solvency of member institutions, prevent bank runs, and prevent reckless or fraudulent behavior by member banks.

Central banks in most developed nations are institutionally designed to be independent from political interference. Still, limited control by the executive and legislative bodies usually exists.

9	Outcome	 Established in 2009. Owner of this Dairy is Mr.Dattatray Walgude. Earlier his shop was on rent and now this year he has purchased his own shop at Ambegaon. He sells milk and milk products. The speciality at his dairy are Basundi and Lassi which are sold in very big quantity. As everything cannot be produced by himself and so some eatables like Paneer are bought from outside and sold. The outcome is that hard work can always succeeds. Today his dairy is running quite well because of the quality of the products and his service towards the customers.

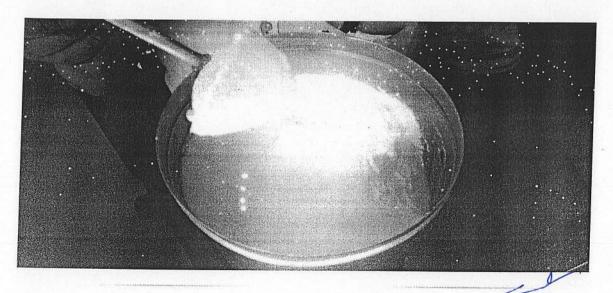

Dept. of Management Studies Smt. Kashibai Navale College of Engo Vadgaon (Bk.), Pune - 411 041.

Below are some of the shop and the products:-

1) Mango and Dryfruit Shrikhand - Homemade Shrikhand is available here. The demand for Shrikhand among the customers is quite good.

2) Dahi - Homemade Dahi is available here. The quality of the Dahi is thick and good in taste.

Sinhgad Institutes collaborates with Amazon Web Services Academy for cloud platform learning programme

Pune, May 12 (UNI) At a time when Covid-19 has thoroughly shaken up the education sector and forced institutions to look for ways and means of tackling the ongoing crisis, Sinhgad Institutes has become one of the chosen few premier educational institutes in India to partner with Amazon Web Services (AWS) Academy to offer a cloud platform learning programme. Department of Computer Engineering of Smt Kashibai Navale College of Engineering (SKNCOE), Vadgaon, has initiated the process to be a part of this training programme, an official release said here on Wednesday.

This innovative programme will give students of SKNCOE Sinhgad Institutes access to AWS Academy, thereby providing them the resources needed to accelerate the cloud-related learning that drives innovation in fields such as artificial intelligence, voice and facial recognition, gaming, medical advancements and more. Please log in to get detailed story.

KĮSHOR BOROLE < krborole@sinhgad.edu>

Educator Enablement program - AWS Academy, 26th Sept

1 message

Rawat, Amit <arrawa@amazon.com>

22 September 2017 at 11:32

To: "krborole@sinhgad.edu" <krborole@sinhgad.edu>, "CPOC-2 Singhad Prof. Patil" <pramod.patil@sinhgad.edu>

Respected Dr.Borole sir,

Greetings from AWS Academy!

I am delighted to share with you that under your guidance and support, we are able to coordinate the 'Educator Training' program in Pune.

The training shall start from 26th September to 29th September at Hotel Crowne Plaza, Pune city center. 16 participants from 8 institutes from Singhad group shall attend this training.

Other faculties are also joining from Jammu, Indore, Delhi and Jaipur.

It will be an honor if you could spare some 30 minutes to be with all of us on day 1 (26th Sept). Your presence shall boost the morale of the participants and shall encourage them to participate actively in the program. This being the first AWS Academy training in India, it would become more special if the day could start with your note.

Request you to kindly grace the occasion with your presence.

Best Regards

Amit Rawat

About Training Program

AWS Academy is a global program that provides educational institutions and educational non-profits (collectively, "institutions") with access to AWS-developed and authorized curricula so they can more easily offer cloud computing courses to their students. By participating in AWS Academy, institutions can help students become proficient and certified on the use of Amazon Web Services (AWS) technology.

AWS Academy curricula are developed and maintained by AWS. Each curriculum addresses different subject areas, such as the AWS Academy *Cloud Computing Architecture* curriculum, and consists of 55-60 hours of content comprised of course manuals, e-learning content, hands-on labs, knowledge assessments, and project work. Content is designed to be delivered over a semester or a minimum period of 6 weeks. The curriculum is packaged in a modular format that must be delivered to students as synchronous learning in either an instructor-led or virtual classroom environment.

Each curriculum is designed to prepare students for AWS certification. Students are provided with access to free certification practice exams and discounted certification exams that are aligned to the curriculum. AWS Academy curriculum must be delivered by educators who have completed the AWS instructor accreditation requirements for each curriculum they teach.

The said training was conducted by AWS Academy under academic collaboration with Sinhgad Institutes: The total no. of 16 Educators from our 8 different Engineering colleges of STE'S are appointed for this training session.

The AWS Academy training for Cloud Architect Solution is held between 26/09/2017 to 29/09/2017 at Hotel Crowne Plaza City Center, Bund Garden Road Pune.

Inauguration Function

Inauguration of Four days AWS Training & Certification Programme by Amazon Web Services at Hotel Crowne Plaza, Pune Station. There are total 26 participants from all over the India among them 16 Faculty from Sinhgad Institutes, 2 faculties from Pimpri Chinchwad College of Engineering, 4 faculties from Acropolis Engineering College, Indore, 2 faculties from Suresh Gyan Vihar University, Jaipur and 2 from Model Institute of Engineering and Technology Jammu and Kashmir. These faculties are trained on Amazon Cloud Architect Solution which is essentials for Cloud Architecture Deployment and Design during this entire training.

From Amazon AWS Academy Mr. Amit Rawat, India Academic Relations Head is present for the program on first day from STE'S Dr. K. R. Borole, Vice Principal, Smt. Kashibai Navale College of Engineering and Dr. P. N. Mahalle, Professor and Head, Department of Computer Engineering, Smt. Kashibai Navale College of Engineering, is Present for Inaugural function. From PCCOE Dr. Nilesh Uke, Professor Department of Information Technology is also present for the function. Program coordinators Prof. Bhagwan Thorat and Prof. Pramod Patil, Department of Computer Engineering, SKNCOE, Vadgaon coordinated the entire activity.

Course Contents of the Training session

Description

Cloud Computing Architecture is an AWS Academy curriculum designed to help students develop technical expertise in cloud computing and prepare them for the AWS Certified Solutions Architect Associate certification exam. The curriculum is delivered through instructor -led classes, hands -on labs, and project work. Students have access to course manuals, online knowledge assessments, hands-on labs, a free practice certification exam, and a discount voucher for the certification exam.

Curriculum Outline

UNIT 1:

Introduction to Cloud Computing

- What is Cloud Computing?
- Leveraging Cloud Computing
- Cloud Economics and Total Cost of Ownership

UNIT 2:

Getting Started with AWS

AWS Compute, Storage, and Networking

Lab:

Creating Amazon EC2 instances with Microsoft Windows

Lab: Build Your Virtual Private Cloud (VPC) and Launch a Web Server

Lab:

Working with Amazon Elastic Block Store (EBS)

•AWS Security, Identity, and Access Management

Lah:

Introduction to AWS Identity and Access Management(IAM)

AWS Database Options

Lab:

Build Your Database Server and Interact with Your Database using an Application

/adgaon(B) Pune-41.

•AWS Elasticity and Management Tools Lab:

Scale and Load Balance Your

Architecture

Smt Kashibai Navasa of 716.
College of Eng Page 456 of 716.
Vadgaon(Bk.), Pune-44.

UNIT 3:

Architecting on AWS

Part 1: Introduction to System Design

- · AWS Essentials Review
- Designing Your Environment

Lab:

Deploy a Web Application on AWS Group discussion

Forklift an Existing Application onto AWS

• System Design for High Availability (Part I & II)

Lab:

Making Your Environment Highly Available

Part 2: Automation and Serverless Architectures

• Event Driven Scaling

Lab:

Using Auto Scaling with AWS Lambda and Lifecycle Hooks

Automating Your Infrastructure

Lab:

Creating an Amazon VPC with AWS Cloud Formation

Mid curriculum project

- Decoupling Your Infrastructure
- · Designing Web Scale Storage

Lab:

Caching Static Files with Amazon CloudFront

Lab:

Implementing a Serverless Architecture with AWS Managed Services

Group discussion:

Build an Environment for a New Web ApplicationPart:

Well Architected Best Practices

- Introducing the Well Architected Framework
- Well Architected Pillar 1: Security
- Well Architected Pillar 2: Reliability

Lab: Multi Region Failover with Amazon Route 53

- Well Architected Pillar 3: Performance Efficiency
- Well Architected Pillar 4: Cost Optimization

Lab:

Launching EC2 Spot Instances with Auto Scaling and Amazon Cloud Watch

Vadgaon(Bk.) Smf. Kashibai Navale College of Engineering Vadgaon(BRage 457cof 716.

Part 4:

Deployment and Implementation

- Troubleshooting
- Design Patterns and Sample Architectures

Lab:

Using AWS Services to Enhance a Web Application Final project

Recommended

- AWS Certification Exam Readiness Workshop(e-learning)
- · Testing Center Information and Expectations
- · Exam Overview and Structure
- Content Domains and Question Breakdown

Sinhgad Institutes collaborates with Google Cloud: now Authorized Google Cloud Facilitator

Pune, May 5 (UNI) Sinhgad Institutes has collaborated with Google Cloud to offer the Google Cloud Ready Facilitator program, a Google Cloud initiative designed to help students kick start a career in cloud and get hands-on practice with Google Cloud's platform, a statement said on Wednesday.

Smt. Kashibai Navale College of Engineering, SKNCOE, Vadgaon Campus, is now Authorized Google Cloud Facilitator, Department of Computer Engineering of SKNCOE Vadgaon initiated the process to be a part of this reputed cloud ready training program.

The Institute stated that It is a proud moment for Sinhgad Institutes to be counted amongst the few renowned engineering colleges who have been listed as Authorized Google Cloud Facilitator. Through this program students of Sinhgad Institutes can become Google Cloud Facilitators and not only gain in-depth knowledge about Google Cloud technology but also enable others to do so. The program introduces students to cloud computing, cloud-native application development, big data and machine learning using Google Cloud and also help to build their leadership skills. Persistent efforts of Dr. Parikshit N. Mahalle, Head of Department of Computer Engineering and Prof. Pramod Patil, Assistant Professor along with student facilitators Abhijeet Kahore and Satya Narayan Sahoo on behalf of Sinhgad Institutes SKNCOE, Computer Department Vadgaon brought success to this laudable initiative.

The students will get live training by Google Trainers on Cloud Architect and Hands on Labs also. The students will get International certification and recognition by Google. Skill Badges, Goodies will be offered by Google to certified students. The skill badges and certification earned by students have International Recognition

Smt. Kashibai Navale Corlege o Page 464 of 716. Vadgaon(Bk.), Pune-41.

Sinhgad Institutes SKNCOE, Vadgaon will receive future offers from Google Training Programs. Dr. Mahale expresses heartfelt gratitude to the motivation and support from Founder President Prof. M. N. Navale Sir, the entire Management of Sinhgad Institutes, Principal and Vice-Principal of SKNCOE and his colleagues. He says, "Till today we have successfully enrolled 500+ SKNCOE students to this program and we shall enroll many more in future. As of now the number of students enrolled is 570, new registrations 110 and number of badges earned is 100. We will post much higher figures on student achievements on this platform in the near future." Says Abhijit Kahore, one of the student facilitators, "When I wanted to prepare for a career in cloud computing, I had no idea what to do, how to discover new learning opportunities. Thanks to Sinhgad Institutes, my College SKNCOE and my wonderful Professors for developing this program and for connecting me. It is a proud moment for me. I am now ready to support other students as a Cloud Facilitator." Satya Narain Sahoo also feels very proud and privileged. He says, "I feel thrilled to be counted amongst the first Google Cloud Facilitator of Sinhgad Institutes - a historic and proud moment for me. Google Cloud is global leader in delivering a secure, open, intelligent, and transformative enterprise cloud platform. Demand for cloud-ready talent is rising every day, with more than probably 80% of all IT departments across the globe requiring cloud-ready talent. Surely, dream career in IT awaits us."

Dear Prof. Pramod,

Thank you for being a part of the Facilitator program earlier this year and helping us drive cloud skills in your institution. To strengthen our partnership further, we would like to invite Smt.Kashibai Navale College of Engineering, Pune to participate in the Google Cloud Career Readiness program.

We know that as part of the Facilitator program, not everyone got a chance to become a part of it due to limited number of seats. Hence, we will be providing your students access to Google's leading edge, enterprise-ready curriculum and learning resources for FREE to help

ol Page 468 of 716 ering Vadgaon(Bk.), Pune-41.

Vadgaon(B) Pune-41

them get started on the path to achieving the industry-recognized Associate Cloud Engineer certification!

Selecting faculty

We are seeking two (2) faculty nominees who will spearhead the program in your college. (You can nominate yourself as we'll) They should:

- Ideally be interested and committed to learning Google Cloud within 8-12 weeks. We welcome faculty who teach Cloud as part of the curriculum.
- Offer training and hands-on learning sessions to students enrolled in the program.
- Identify and highlight success stories of students which can be turned into testimonial videos or blogs.
- · Be available to share feedback about the course and progress of the program

Selecting students

Google Cloud Career Readiness program is aimed at pre-final year CSE (or related) students only. In the initial phase, the program is open to a maximum of fifty (50) students per college (25 each for both faculty).

Students chosen for the program must display a high level of commitment and interest in learning Google Cloud and completing all the required courses and labs within 8-12 weeks. Previous students who participated in the facilitator program but did not receive a seat or new students ones who are familiar with basic concepts related to operating systems, networking, databases and programming are good candidates for this program.

Subject: Congratulations, you are now a Facilitator | GoogleCloudReady Facilitator Program

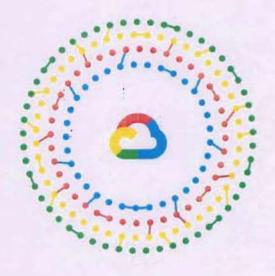

GoogleCloudReady Facilitator

#GoogleCloudReady

Congratulations! You are now a Facilitator.

Celebrate on Social

Dear Prof. Pramod,

It gives us immense pleasure to tell you that you have been selected as the **GoogleCloudReady Facilitator** for your institution. You are one of those select few across India who will help us make students in your institute #GoogleCloudReady & explore a career in a cloud-first world.

What is GoogleCloudReady Facilitator program?

Through the program, you as well as your peers will gain strong industry skills with hands-on labs that will help you launch a career in cloud. Also along the way, to keep you and your peers motivated, we will have rewards at different milestones:

- · A certificate of appreciation from Google to you.
- Google Cloud branded goodies bags, tshirts, hoodies and much more for you as well as your peers.
- · And even a Google Nest Mini.

Not to worry! We'll train you

To make sure that you are well equipped to help your peers, you will be trained directly by Googlers on the program's content for a month before you start. Please find your training schedule below. All sessions are online and we will add them to your calendar beforehand to keep you updated. It's COMPULSORY for you to attend each one.

Session	Date & Time
Training Session 1: Program Introduction + training on the 1st Track	8th Mar 2021 5:00 PM IST
Training Session 2: Training on the 2nd Track of the program	15th Mar 2021 TBD
Training Session 3: Training on the 3rd Track of the program	22nd Mar 2021 TBD
Final Kickoff Session: Sharing tips & tricks and other important program information	30th Mar 2021 TBD

Note: The timelines are tentative and we will notify you & update your calendar once finalised.

Prepare for your trainings

Your trainings will be conducted on our hands-on labs training platform called **Qwiklabs**. To take those labs, you need credits! Follow the steps below to create an account, take your first lab and get a **1 month credits pass** for the program.

- Go to Qwiklabs and create an account. (Remember to use this email ID to sign-up)
- Once created, go to the link below, start the lab and complete it in order to get your 1 month credits pass. (It will take 15-20 minutes after you complete the lab for the pass to be provisioned)
- If you face any issues or didn't get the pass, please reach out to support@qwiklabs.com with the below link and they will help.

Complete the lab

Need more information about the program?

Smt. Kashibai Navale College of Page 472 of 716. Vadgaon(Bk.), Pune-44. 8/31/2021

We know that you might still have a lot of questions about the program and we want to answer all of them. Please do remember to join your first training session on 8th March POSITIVELY and we will tell you everything you need to know. Also keep an eye out for our email for an invitation to your private facilitator community.

All the best & happy learning,

Akshit & the #GoogleCloudReady Facilitator Team

Your student progress report is here!

Visit Program Site

Dear Facilitators,

The GoogleCloudReady Facilitator Program 2021 has officially been concluded. It has been such an incredible journey and we applaud you for all of your efforts and hardwork. Thank you so much for taking this task of helping students become #GoogleCloudReady. Read through the general program updates and your milestone progress below.

General Updates & Reminders

Find your daily updates and reminders about the program below Smt. Kauhlber Navale College of Engineering

 The program has now ended - As of right now, we have stopped counting any new quests/skill badge completions of the students.

Page 474 of 716.

- and your milestone count is officially final. You can see the milestone that you have earned and identify the prizes that you are eligible for in the kick-off deck given in the resources section below.
- Information about student prizes -We have already made an announcement on this in our Google Chat community. We will be sharing further details very soon. Please do remember to ask your students to be patient.

Here is your progress report!

See the aggregate numbers for your report below to get a quick view of how your students are doing and what's your progress for the prize milestones. To see individual student progress and reports, please refer to the CSV file attached with this email.

Metric	Value
No. of students enrolled	665
New registrations (since yesterday)	0
No. of Quest completions	3006
No. of Skill Badge completions .	1516
No. of wrong applications	58

See the progress for your milestones below!

You've done it! You have successfully completed the ultimate milestone in the program. Give yourself a huge round of applause - this was not an easy task and you came out with flying colors. And yes, not to forget, each one of you are now entitled to a Google Home Mini as well along with other exciting prizes and the certificate from Google. Remember: the main motive of this program is to help students build a career in cloud. So keep on helping students. Happy Facilitating! :)

Milestone #1: Drive 400 Quests & 200 Skill Badges 💯

Milestone #2: Drive 800 Quests & 400 Skill Badges \(\begin{array}{c} \text{Vadgaon(Bk.)} \\ \text{Pune-41.} \\ \text{Pune-41.} \\ \text{Milestone} \(\text{#3: Drive 1600 Quests & 800 Skill Badges } \end{array} \]

The Principal
Smt. Kashibai Navale College Of Engineering Vadgaon Pune

03-08-2021

We are delighted to provide your Institute a Certificate depicting the Training you undertook for students. You engaged many learners right through this period (June 2016 – July 2017) in taking the IIT Bombay- ST courses and acquiring powerful IT knowledge.

This is under the partnership agreement between Smt. Kashibai Navale College Of Engineering Vadgaon Pune and IIT Bombay-ST (SpokenTutorial) Program powered by National Mission on Education through ICT, MoE, Govt. of India.

Again, in deep acknowledgement of your stellar efforts. We wish to collaborate many more times in this manner with you.

Letter of Certification

To,
The Principal
Smt. Kashibai Navale College Of Engineering Vadgaon Pune

03-08-2021

We are delighted to provide your Institute a Certificate depicting the Training you undertook for students. You engaged many learners right through this period (June 2020 – July 2021) in taking the IIT Bombay- ST courses and acquiring powerful IT knowledge.

This is under the partnership agreement between Smt. Kashibai Navale College Of Engineering Vadgaon Pune and IIT Bombay-ST (SpokenTutorial) Program powered by National Mission on Education through ICT, MoE, Govt. of India.

Again, in deep acknowledgement of your stellar efforts. We wish to collaborate many more times in this manner with you.

1. Amit Rawat

He is Team Lead for Head start Network Foundation and Host Startup Saturday Pune @ Head Start Network Foundation. He completed his Bachelor of Commerce in Economics, Statistics from University of Pune. He is working as Mentor, Business Strategist, Strategic Investor @ Startup Mentor & Technology Consultant India. He is Core Team Member, and Social Media Administrator @ Pune International Literary Festival. His skills in Computer Science field Social Media, Windows Server, Software Project, Technical Presentations, Active Directory, Operating Systems, Net, Networking, Troubleshooting, Vendor Management Experience, Vendor Management, Team Management, Strategy, Wireless Networking, CCNA, Testing, Social Networking, Business Strategy, Pre Sales, Servers, Software Project Management, Cloud Computing. His role in as a mentor in Head start is Strategy planning for customer acquisition, exponential growth, building founding teams, defining metrics and operational efficiencies, mentoring & coaching leadership teams, solving complex problems, cross border products and platforms are areas of interest.

About Headstart Mentor, Headstart Mentor is a hands off mentoring session for entrepreneurs, facilitated by Headstart. Our intention is to get qualifying startups coached by the industry's best and to build a pay-it-forward culture in the startup circuit. It is an' INVITE-ONLY' meetup which aims to provide a structure to 5 qualifying startups to find solutions to their problems by interacting with brilliant peers and experts in their industry. A Mentor session lasts for 2 hours and is organized on specific domains (like Healthcare, EdTech etc.) or horizontals (like sales, fund raising etc.). There is nothing you have to pay to get mentored, but you have to make a promise - to pay it forward by mentoring younger startups when you are ready and have an opportunity.

Mentoring Startups (early stage) in areas of:

- ✓ DEA VALIDATION, MVP/POC, GOTO MARKET, SCALING...
- ✓ Making the idea applicable in changing scenarios
- ✓ Building Business plans BUSINESS MODEL
- ✓ GOTO MARKET STRATEGY Marketing campaigns (ONLINE & OFFLINE)

2. Nikhil Gosavi

He is an Indian Tap Dancer, Dance Choreographer and a Music Composer. He was born in Nashik, trained in New York and currently based at Pune. He regularly delivers online dance lessons in Tap Dance, Bollywood and Hip Hop to a global student base ranging between New York, Mumbai and Tokyo. Nikhil Gosavi is a captivating performer who has won the hearts of audiences around the nation. After completing the International Student Visa Program in Dance from New York (2015), Nikhil has worked tirelessly to develop a unique style and technique, as well as to collaborate on various projects with artists from around the world. After returning to India, Nikhil found Bollywood To Broadway Entertainments as an effort to unify artists, make dance accessible and establish 'Broadway' in India. Ever since, Nikhil has directed projects and performances with Hip Hop, Kathak, Bharatnatyam, Tabla, and Sarod artists in India. Nikhil is constantly on the search for new and exciting opportunities. He has trained 2500+ students worldwide and choreographed for 150+ corporate shows and weddings. Nikhil has now become the most sought after specialist choreographer in the corporate and wedding scenes of India and the USA.

3. Pawan Rochwani

Pawan has successfully established Platform for Artists in thirty different cities and has worked with more than 30,000 artists from all around the country. His main aim at PFA is co-creation and collaboration. In his early days as a community builder, he made headlines with innovative ideas like PFA Art All Night, Art Getaways, etc. While the country was struck by the pandemic, he launched an online flea market, UNSEEN 3.0 & UNSEEN 4.0 which featured 80 local business owners and helped them reach a larger audiences and find a voice in this rapidly digitised world. Another flagship project of PFA is UNREAD, an anthology comprising works of 99 writers from all over the country, launched annually. Pawan also hosts a weekly podcast called When We Met, where he dives into the world of content and tries to empower creators by informing them of ongoing trends.

Pawan is the Lead of Community, Events and Partnerships at Pepper Content. He also routinely hosts webinars and discussions at Pepper and is the host of Pepper Spotlight.

Pawan also mentors students at MyCaptain on social media blogging, entrepreneurship

Vadgaon(Bk.)

Pune-41.

Smt. Kashibai Navale College Page 527 of 716; Vadgaon(Bk.), Pune-41. marketing, and many other topics. Apart from this he also writes a weekly Newsletter Relatively Correct. The essence of everything Pawan does can be captured by the words, "Community Builder". He is extremely proud of the ever-expanding creative community in India and at PFA. He has immense faith in this community and wants to help it reach its truest potential. He strives to empower every artist and help them find space in this highly competitive creative world.

As the lead of three important verticals, I have diverse responsibilities but some of the most prominent ones are. Maintaining and nurturing relationships with Pepper's diverse community of creators, organisation members, community partners, stakeholders. Produce engaging and creative marketing materials with assistance from the Marketing Director. Planning, Strategising and Organising Virtual and Offline Events that will lead to Community Building as well as Business Growth. Hosting the podcast Pepper Spotlight to interact with industry leaders from the content space. Managing campaigns like Next Big Creator Awards to uplift the overall creator ecosystem of the country.

1. Mayank Bhattacharya

Mayank Bhattacharya is an Indian social media star who has gained popularity through the eponymous Instagram account. With over 65847+ followers, Mayank Bhattacharya is adjanon (Bk.)

Smt. Kashibai Navele College Page 536 of 716g Vadgaon (bk.) Puna deemed as one of the popular influencers in India. Mayank Bhattacharya has set the username on Instagram as @themayankbhattacharya. Born on , , Mayank Bhattacharya hails from India. Established in 2014, Mayank Bhattacharya's Men's Essentials is India's first Men's Image Consultation and Style YouTube Channel. It is the place for a man's holistic growth via Image and Style. If you are an aspiring man seeking to transform yourself into a true blue 'Modern Gent', Men's Essentials is the perfect place for you! Welcome on board. The show is hosted by Mayank Bhattacharya and produced by TMB Studio Productions Pvt. Ltd.

The story goes like this; After having produced 400+ videos on Classic Men's Style and Image, the one common comment Mayank witnessed in his YouTube channels was "THE ABSENCE of a SOLID QUALITY T-SHIRT" for the modern Indian Men. Frustrated by the unpleasing fit, poor fabric and the sheer lack of a reliable Indian brand specialising in Basic Men's clothing, Mayank Bhattacharya set out to create one of his own. Thus in July 2018, TMB Basics was born and with a record sold out sale in less than 48 hours, he knew he had a purpose to serve. You see, TMB Basics is here to make a man's image and style an easy and effective process in communicating his best self. You may not find the latest-in-fashion here but rest assure, you WILL DEFINITELY FIND the BEST in Men's Style here. And for everything else that doesn't sail your boat of perfectionism, we are just an email or a message away to hear your feedback and do everything in our control to produce the best timeless elements of men's style. We are on a path to transform a million men's image and style and we would much appreciate your sincere support in helping us do the same. Our goal at TMB Basics is quite simple - Simplify your style and make 'LOOKING GOOD' easy. Founded by the Indian Entrepreneur and Content Creator Mayank Bhattacharya, TMB Basics's sole goal is to curate the timeless elements of Men's Style.

2. Nipun Dharmadhikari

Nipun Dharmadhikari is a popular public figure for his amazing skill of acting, writing and directing Marathi movies. Nipun was born in 1987. He is one of the young Drama artists and producer working on the Marathi stage. Basically he was born in a disciplinary academic household. He was admitted to Brihan Maharastra college of commerce (BMCC) in 2013 as it was very popular for its cultural activities. He stated his first acting career by acting in the plays for Purushottam krandak, which was Pune's covered inter-collegiate theatre activities.

Pune-41.

Smt. Kas Page 537 of 716. College of Lingingering Vadgaon(Bk.), Pune-41. competition. He is known for the revival of Sangeet Natak (Musicals) and long five act plays. His first contact with arts came when he did an impromptu performance of the Marathi play, Varhad Nighalay London La in front of his class, in school. The teachers found out and he then began performing for annual days and other public events. He was a student of Brihan Maharashtra College of Commerce, where he was studying to become a chartered accountant. In 2003, Dharmadhikari started acting in plays for Purushottam Karandak, Pune's intercollegiate theatre competition.

He started Natak Company in 2008, which produces Marathi plays. His maiden venture was the play Cycle, where he directed Amey Wagh. In 2009, he was seen in the Marathi film, Harishchandrachi Factory. He went on to direct two plays, the first one being Lose Control, which dealt with sexual fantasies of three teenagers; while the second one was Never Mind, starring Spruha Joshi. In 2013, Dharmadhikari also wrote for the Hindi romantic comedy drama film, Nautanki Saala!.

In 2015, Dharmadhikari was also featured in Forbes India's 30 under 30 list. In the same year, he was also seen in Highway, where he was seen playing a football fan. He was again featured on Forbes Asia's 30 under 30 list in 2016. He hosts the satirical talk show Casting Couch with Amey & Nipun on the YouTube channel, Bharatiya Digital Party, which started the same year. He made his marathi movie directorial debut through Baapjanma (2017). He also went on to direct the national award winning film, Dhappa. He was the guest of honour at Vinodottam Karandak in 2017. He has also directed award winning plays like Sharam Gayi Toh, 36 and Dalan.

3. Neeraj Rajput

Working as Associate Editor (Defence & Strategic Affairs) at ABP News. Covering military & security issues right from highest battlefield in world, Siachen to Tibet plateau on China border, Surgical Strike against Pakistan & air-strike on Balakot to undersea in submarine and at 35 thousand feet in air. My job (which is more a passion) has taken me to most fortified border in the world, DMZ on North-South Korea to largest military base, JBLM in US and twice to Russian military bases which were once considered as non-existent to the world. I am among selected defence journalist who have flown in cockpit of India's first indigenously

Vadgaon(Bk.)

Smt. IPage 538 of #16le College of Engineering Vadgaon(Bk.), Pune-44. developed attack helicopter, Light Combat Helicopter (LCH). A 'Defence Correspondent Course' alumni being organised by Ministry of Defence, Govt of India. Presenter of ABP News digital series on defence & security issues. Earlier worked as Chief Reporter (Crime) for about 06 years in the same channel & its earlier avataar (formerly STAR NEWS). My stint with journalism began with English daily, NATIONAL HERALD, and then switch over to electronic media with B.A.G. Films ('RED ALERT' on STAR NEWS) and then with SAHARA T.V.

4. Paula McGlynn

Paula McGlynn is Co-Founder of the Marathi content brand Bharatiya Digital Party (BhaDiPa) and CEO of it's parent company Gulbadan Talkies Pvt Ltd. BhaDiPa started making fresh, new and original content in Marathi in 2016 when there was no Marathi content in the digital space. Last year BhaDiPa revived the Marathi stand-up comedy scene and has expanded into several content genres including Travel & Lifestyle (Bha2Pa), News & Politics (Vishay Khol), and two shows available on MX Player "Pandu" and "Once a Year". BhaDiPa has become a voice for young Maharashtrians and has created an eco system of over 1 Million loyal followers.

Paula McGlynn is a model and actor from Canada who was born and brought in Vancouver. She did her schooling and college from her native place. Soon after her college, she headed into modelling industry followed by trying her luck in acting; she headed to Mumbai to enter in Bollywood or regional industry. She took the decision to shift to Bombay was in the wake of having a number of Indian friends in Canada who encouraged her to head to this city to make her career in this field. However, she coming to India, she worked in Fuzz Mix Media Productions as film director. When she came to India in 2013, it wasn't that easy for her to get the desired role. Though she got some small time options and soon she got in touch with the Marathi movie making company called Gulbadan Talkies. As the director was looking out a girl from overseas, who visit India falls in love with the country and its culture she was seen the perfect choice for the film Pindadaan by Prashant Patil. She has taken lessons for the film.

She took all her time to master the language so that she can give the best of her emotions over the silver screen. Twice the recipient of the SEU Wobility fund for her research on the film industry, Paula McGlynn has strong networks between both the Indian and Vancouver

Vadgaon(Bk.) Pune-41.

Sm. Kashibai Navale College of Engineering Vadgeon (S. Page 539 of 7 film industry and has started the BC – Indian Film & Media Initiative, a volunteer effort to increase business between the two industries.

5. Pushkar Aurangabadkar

Pushkar Aurangabadkar is an Entrepreneur, Author, Faculty, Trainer, Mentor & Artist. Pushkar is an IIM Calcutta alumnus and is the Founder Director of Milastic Education Private Limited. He started his career with a US based company in the Oil and Gas field and later established his entrepreneurial venture in the Education Segment. Pushkar is an IIM Calcutta alumnus and is a Rotary International Vocational Excellence Awardee for 2019. He is the Founder Director of Milastic Education Private Limited. Pushkar's core areas of work are management, leadership and life skills. He has authored 11 academic books through Nirali Prakashan on various subjects of 'Management' and 'Entrepreneurship'. These books are published and recommended for MBA, BBA, BCom, BCA programmes conducted through 3 Universities in India Savitribai Phule Pune University, Anna University Chennai and Dr APJ Abdul Kalam University Lucknow.

He is associated as a facilitator / trainer with renowned manufacturing, service and IT companies such as Mahindra Group, Endurance Technologies, ARAI, Harbinger, ADP, and many more. He is also associated as an Advisor / Mentor with few social organisations such as Sarthak Foundation, Aspirations & Realisations, Student Welfare Association, etc. Pushkar loves to teach. Hence he is also associated as a visiting faculty with some renowned management institutes. About Corporate Kirtan: Pushkar is the ninth generation in his family who performs 'Naradiya Kirtan' - a spiritual folk art form of India. He has innovated a training methodology in this domain - 'Corporate Kirtan'. Through this form, Pushkar reaches out to professionals from corporate, academic and social setups to address leadership and professional challenges related to workplace and careers. Corporate Kirtan explores business challenges through the modern wisdom of stalwarts like Simon Sinek, John Maxwell, Kurt Hann, etc; balanced with the spiritual wisdom of Sant Tukaram, Sant Dnyaneshwar, Sant Ramdas, Sant Eknath, Sant Namdev, Sant Kabir (and many other spiritual gurus). He has innovated an insightful training methodology named "Corporate Kirtan", and conducts it across educational and corporate place College.

Cultural Night

Speaker Details:

1. Anisha Dixit

Anisha Dixit is an actor who like all came to Mumbai in search of opportunities but unlikely couldn't find her breakthrough in Bollywood. One day while travelling in an auto-rickshaw to meet her friend, she was clicking selfies and making videos which later on she found very interesting. That made her wonder why not use an auto-rickshaw as a backdrop for her videos and selfies as auto-rickshaw represents India big time. She uploaded her first video on 17th November 2017 like a Ram Leila movie. She began shooting around rickshaws by inviting nearly 20-30 rickshaw wala Bhaiyas. This Rickshawali girl is popular with a girl-centric comedy channel on YouTube where she uploads videos of her day-to-day activities along with sketches and funny Vlogs every Tuesdays and Fridays. Before creating her YouTube channel, she was an actress in numerous films and theatre productions in Switzerland, the USA, India, and Germany. She completed her studies at the LeeStrasberg Theatre & Film Institute in Los Angeles, California. She is fluent in English, German, Hindi and also semi-fluent in French.

Vadgaon(Bk.)

Pune-41

PRINCIPAL Smt. KPage 546 of 716e College of Engineering Vadgaon(Bk.), Pune-41. She kept her name literally while traveling in a Rickshaw. Knowing the fact that there are tons of Rickshawala's and no Rickshawali is what inspired her to start her YouTube page. Her ultimate goal is to humor individuals and make them laugh wholeheartedly. Anisha strongly desires to inspire the Indian youth to be strong, confident and work hard towards achieving their dream. She wants to make people around her laugh and wants to portray that even girls can be chill and can accomplish everything they dream of if they put their will and determination into it strongly. She creates all her content for all the 10 to 35-year olds. She debuted her acting career with a Punjabi movie titled Punjab Bolda which was released in 2013. She was also associated with Karim Jovian who was featured in one of her videos "American tries Indian Chaat – Pani Puri for the first time". With a huge YouTube fan base of 2.33M subscribers, she has performed LIVE on stage for a huge audience at the YouTube fan fest 2018 and has also be featured on CNN Business, with a worldwide telecast. Apart from presenting a talk at TEDx, she has also been published in numerous publications including Mumbai Mirror, Cosmopolitan, Bombay Times, India Today and Harper's Bazaar.

2. Ayush Mahodaya

He is working as Business Development and Product Manager for CarlQ company. He is experienced evangelist with a demonstrated history of working in the automotive industry with strong operations professional with a Bachelor of Engineering (BE) focused in Computer Science from University of Pune. CarlQ is the new connected car ecosystem where car owners are empowered with data to demand the highest attention and services. CarlQ platform connects cars to their owners, and to the various service providers such as auto manufacturers, OEM, car insurance providers, auto dealership, auto workshop, roadside assistance providers, breakdown service provider, government agencies etc. CarlQ can help infrastructure providers and city planners to take maximum advantage of 'Internet of Things'. CarlQ is India's first connected vehicle platform. CarlQ facilitates OEMs, Insurance providers and telecom players to make optimum use of data generated by the vehicles and improve their customer experience. CarlQ is the platform of choice for mature enterprises looking for an advanced and scalable solution. We are a part of Varroc, a Tier 1 automotive component manufacturer incorporated in 1988 with successful listing on the Indian Stock Exchange in July 2018. Varroc designs, manufactures and supplies a diverse range of auto components to most of the Indian 2W, 3W and 4W OF MS. Coll

Vadgaon(Bk.)

3. Himanshu Goyal

Mr. Himanshu Goyal is an entrepreneurial leader with a track record of building, leading high impact, high performance organization that identify, create to lead in new markets to deliver growth. Mr. Goyal has been a Co-Founder of 2 Startups, Delivered and led 4 Product launch, 1 acquisition. He has always been fascinated with how things work from gadgets to hardware and software. His early passion for tinkering paved the way for his commitment to tech innovation and formed the basis of his core belief: continuous reinvention is how businesses disrupt and lead. Mr. Goyal's first professional experience with disruptive technology happened at Wipro, where he worked with key software product brands just as the new platform changed everything about internet-based software. He went on to lead some of the major initiatives at IBM, Digite, DPS and Wipro.

Along the way, he contributed to transformation with key customers in enterprise technology, nurtured a love of photography, became a devotee of digital technology, and discovered an appetite for creating Digital Curation Business at DPS. As a child, Mr. Goyal spent countless hours programming on his first PC, the BBC Micro. Later, he left his BBC Micro behind to earn a bachelor's degree in Computer Science. Mr. Goyal spends time in discovering new places, teaching and pursuing landscape photography. He has been a member of the Western Region Skills & Higher Education Committee of Confederation of Indian Industry (CII) for 2008-16. Formerly on Board of Studies member for Rajasthan Technical University, Madhya Pradesh Technical University (RGPV), Uttar Pradesh Technical University ((APJAKTU).

4. Nilesh Komatwar

Nilesh Komatwar, a 21 year old resident of Pune, Maharashtra and he run a digital agency namely DigitalNil which helps entrepreneurs, startups and freelancers to grow digitally by endorsing their talent and realizing their full potential with them. Nilesh is the founder of Quamatwar DigitalNeil Nilesh started his digital marketing journey at an early age. Before Nilesh entered the booming industry, Nilesh was in a commercial area and failed to launch a product. Nilesh worked in a business consulting company in Pune, India and met with many

Vadgaon(Bk.)

Pune-41

PRINCIPAL Smt. KaslPage 548 of 716. College of Engineering Vadgaon(Bk.), Pune-41. skilled entrepreneurs and startup founders. Now Nilesh is building a network with 100+ entrepreneurs. Nilesh Comrade had to face failure and he saw many entrepreneurs and startups failing which they received more pity. Through his experiences, Nilesh Kammatwar found that most entrepreneurs fail because they can not contact the right customers. So Nilesh decided to make his own firm and do online business. With the aim of introducing digital marketing lesson, Nilesh started giving intuitive lecture in MIT, Pune. Nilesh Komputwar has a strong connection to online branding and digital marketing.

5. Raj Shamani

Raj Shamani is a growing Instagram Influencer along with being entrepreneur, business founder, business consultant, social media marketing advisor, personal brand building advisor and many more. Raj Shamani is an experimental speaker, who is more comfortable in trying new things and failing than succeeding at once by following the same process again and again. A second generation entrepreneur that has years of experience of failing, making mistakes but ultimately succeeding in developing small businesses with his inspiring ideas.

Shamani is a young and talented business professional and he has experience working in almost every industry through his speaking engagements and personal interactions. Much of his previous experience comes with working with second-generation business entrepreneurs who are working with their families within a business. Shamani strongly believes in offering the family business mindset even with large corporations. Making sure that a business can offer this type of people-centric service while still utilizing modern ideas, ways heavy in his business experience. By sharing his inspiring story of the way that he helped his father grow his business by 10x within just six months he has been able to reach out to a number of arch partners worldwide with their own business operations.

He can bring a wealth of experience to the business world including support as an educational writer and speaker. He has also been featured on platforms like ABC, FOX, Medium, Yourstory etc. And contributes about his ongoing journey of everyday successes and failures on different platforms and his own Q&A show called Voices. Raj Shamani also hosts his own podcast in which he regularly provides ongoing advice to brands and young upcoming leaders. The title of this podcast is Figuring out with Raj Shamani. Throughout his

Vadgaon(Bk.) Pune-41.

PRINCIPAL Smf. Ke Page 549 of 116. College of Engineering Vadgaon(Bk.), Pune-44. ongoing affiliations and speaking engagements, he has had the pleasure of working with companies like Babson College and Forbes. Through his educational resources, Raj hopes to reach out to new generations of entrepreneurs vying to innovate with their brands.

As a celebrated speaker, Shamani is a 3-time Tedx speaker. He has been responsible for delivering 100 keynote addresses in 23 different countries at the age of 21. As a regular speaker and presenter, Shamani was appointed as a United Nations representative. With his work at the UN, he represents one of the youngest Indian representatives to ever speak in Vienna. He has given speeches on how to become an influencer in the business world as well as how owners can directly profit from their passions by expanding their businesses over time.

www.sinhgad.edu

Page 567 of 716.

Sinhgad Technical Education Society (STES) has been established with an objective to provide quality education programmes in multiple disciplines. Today, STES and its associate Shikshan Prasarak Mandals run 117 institutions acrass various campuses in the state and impart education to over 70,000 students.

The locations of these campuses are in pallution-free, lush green and picturesque environment conducive to learning.

In a short spon of 20 years, we have established our identity as one of the premier educational institutes and created a niche for the "Sinhgad" brand, not only in the state of Maharashtra, but in the entire country. In process we have invested in faculties and infrastructure to expand access to quality education and evolved aur governance structure to enable quick response to pramising knowledge imperatives. The result of all the above has been the delivery of quality human resource, to suffice the local needs.

PROF: M. N. NAVALE M.E. (Elect), MIE (I), MBA Faunder President, STES

The emerging global scenario seeks the convergence of academic resources beyond political boundaries and an increasing recognition of overseas travel and experience. To motch up to and to excel in such a global world, students will be required to possess exemplary skills. I am pleased to know that an Sinhgad Overseas Cell (SOC) is being started in the Sinhgad Technical Education Society to nurture the global aspirations of our students. The SOC will enable careers in a networked world and nurture student potential in sync with available global opportunities.

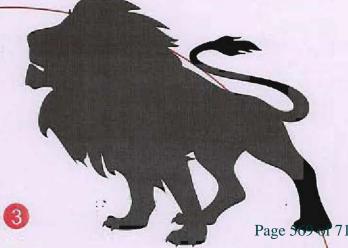

I encourage students to leverage maximum advantage from this incredible opportunity to develop and find a fit within the global environment and culture.

A wise man will make more oppourtunities than he will find.

> Francis Bacon, The essays

PRINCIPAL Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

DR. (MRS.) SUNANDA M. NAVALE B.A., M.P.M., Ph.D., Founder Secretary, STES

STES has been set up to serve the ; increasing demand for quality managers in the corporate world whilst striving for excellence and working towards its core value of inclusive growth for the greater good.

The pedagogy at STES has been focusing on developing global managers who prove to be a right fit with the fast changing business environment, which is characterized by rising uncertainty, complexity and speed of socio-economic, technological and political changes. The success of future managers will depend on their agility in responding quickly to uncertain situations, adaptiveness in dealing with complex and multi-cultural global environment and ability to innovatively leverage the opportunities arising with advent of fast changing technologies will enable careers in a networked world and nurture student potential in sync with available global opportunities.

I encourage students to leverage maximum advantage from this incredible opportunity to develop and find a fit within the global environment and culture.

STES remains committed to its already established goodwill and promises to continue to bring glory to the nation. It aims to develop into a modern Centre of Excellence in education and research in the national and international arena.

A major step towards the development of global work force is the Sinhgad Overseas Cell (SOC), which we are proud to establish in STES. The SOC will open the window for global outreach for our students.

I am sure the students will rally around this initiative, which strives for their "global tomorrow".

> Everything comes to us that belongs to us if we create the capacity to receive it.

Rabindranath Tagore

Vadgaon(Bk.)
Pune-41.

Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41. As we move forward in this century, Indian economy is taking a mighty leap in driving the global economy.

This has been possible only due to the extraordinary "brains" delivered by hollmark institutes like STES.

At STES, a conscious effort is being made to bring industry and academia on a common platform to create a learning environment enriched with theory and practice; one which will lead to the fulfillment of global requirements of human resources.

MR. ROHIT M. NAVALE Vice President (HR), STES

And we are only in the process of further development! In pursuit of knowledge, with an endeavor to empower the students to become human resource assets and contribute globally, STES is opening its Sinhgad Overseas Cell (SOC). The best in the field of academics and industry have applied their minds in designing the SOC, which is unique, stimulating as we las vigorous and demanding.

I am certain students will find the SOC to be the go-to place to accomplish their global dreams.

Kites rise highest against the wind, not with it.

Winston Churchill

PRINCIPAL Smt. Kashipai Navale College of Engineering Vadgaon(Bk.), Pune-41.

Baasting of the most competent and equally passionate faculty in the country, attracting the brightest young minds empawered by excellent infrastructure facilities, STES has created an environment that is competitively intense and intellectually satisfying.

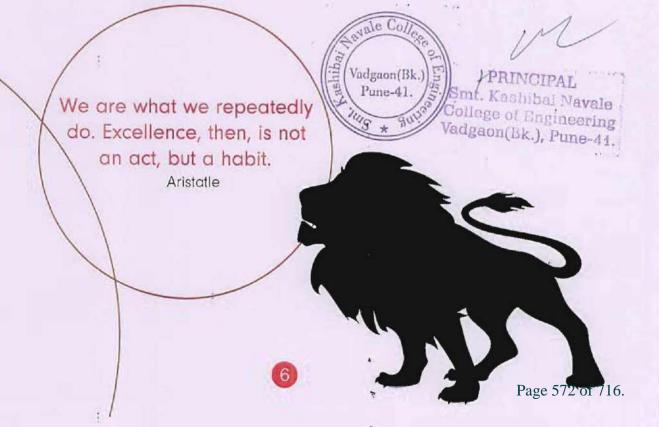

The changing scenario across the world in fundamental ways of glabalization and the advancement of technology has shrunk the world and revolutionized the scope of, and redefined trends in Engineering, Management and Computer Applications. At STES, a need was identified to create an environment conducive for building salid foundation of knowledge in research, technology supremacy, personality development and enhancement of creativity through motivation and drive.

MISS.RACHANA NAVALE Vice President (Admin), STES

In line with this vision, under the aegis of STES, we take the opportunity to endorse Sinhgad Overseas Cell with the objective of developing "globally proficient" trainees by nurturing their latent talents. An exposure will be provided at the Sinhgad Overseas Cell to develop into a centre of excellence in suitably shaping global careers of our students in the rapidly changing environment.

I am confident the SOC will stimulate the students to rise up to the global level.

Introduction

Sinhgad Institutes, a truly revolutionary establishment, believes in holistic development of the students to enable them to not only sustain but excel in the "Global Warld". Sinhgad Institutes has always been at the fore front when initiating out of the box ideas, which can assist the students in enhancing their skills and qualities and set them aside from the pack of students from other technical institutions.

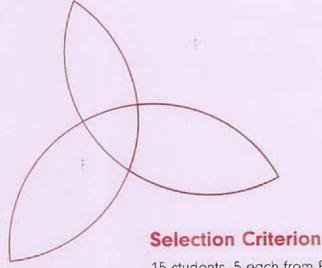

The Sinhgad Overseas Cell (SOC) is one of the many such initiatives started by the Sinhgad Institutes. The aim of the SOC is to place the students from Sinhgad Institutes in universities / industries abroad, either for higher studies (PG / Ph.D) or for trainings / internships / full time work apportunity.

Placement abroad is not just about giving competitive examinations such as GRE/GMAT/TOEFL/IELTS. First and foremost, a student needs to have exceptional soft skills. They need to have some research output to showcase his/her research / innovation skills. Finally, and most importantly, their technical skills must meet the global benchmark; else, they will find it difficult to sustain the pressure when the overseas placement commences. SOC will not only train the student in soft skills as well as technical skills but also supervise in the technical tasks undertaken. The outcome of this will be a student with exceptional qualities; one who can be placed abroad; most importantly, one who can match up and excel in the global world.

A read to the total and while

Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

15 students, 5 each from Engineering, Sciences & Management background, will be inducted in to the SOC ever year. The selection process for those to be inducted into the SOC will follow the steps given below.

Step 1: Application Filing – Interested candidates will submit the Application Form along with the Statement of Purpose (SOP). They will request the "referee" to submit the Letter of Recommendation (LOR) to the SOC office.

Step 2: Entrance Examination – Shortlisted candidates will sit for the entrance examination which will test the logical and domain specific knowledge.

Step 3: Presentation of Statement of Purpose - Shortlisted candidates will undergo a personal interview, wherein they will present their SOP, orally.

Vadgaon(Bk.)

Pune-41.

PRINCIPAL Smt. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

Training modules

Training Modules: Students inducted in to the SOC will be trained in the following four modules.

- Communication Skills: Reading, Writing, Listening & Speaking in English
- 2. Personality: Behavioral & Dressing
- 3. Country Specific Skills: Listening & Speaking; Cultural & Geographical
- 4. Technical Skills: Research & Development; Projects & Innovation; Software & Hardware

Training in the above modules will be provided in groups as well as on individual basis. While the duration of the training program will depend on the quality and the copobility of individuals, it will run anywhere between 1-3 months.

Supervisory phase

Post-training, students will be assigned a supervisor who works in the "technical area of interest" of the student. Under the quidance of the supervisor, students will undertake a task: either a research project, case study or an industry problem. Based on their performance in application of the troining modules, in the task undertaken, assessments will be made and corrective measures will be implemented. The supervisory phase is not a duration specific activity. A student will remain in this phase until he makes a successful landing, abroad. During this phase, 3rd party assessment will be undertaken to gauge the improvement in soft skills. The improvement in technical skills will be assessed in the form of successful completion of the technical task undertaken. Quality of the research popers published will be the additional criteria of assessment, which the students from Engineering and Sciences will have to satisfy.

Placements

In the last semester of their degree program, after successful completion of the training as well as the supervisory phase, students from Engineering and Science background will be placed in foreign universities for higher studies (PG / Ph.D). In addition, the SOC will make an attempt to provide opportunities to those interested in full time work in foreign countries.

Students from Management background will be provided with summer internship in institutes / industries abroad.

Respected Sir / Mam,

To begin with, I would like to thank the respected Principal Sir of your institute as well as you and your team of faculty and students for organizing a seminar on the topic of higher studies and foreign language. The response at the seminar was overwhelming. In next couple of days, I will write back to you in detail about the execution with respect to GRE / German / Japanese training.

Like mentioned in the seminar at your institute, we are organizing first, of many to come, admission conclave on the 30th of August at the Activity Center in Vadgaon Campus. Following universities from the USA will be presenting themselves at the conclave.

- 1. Oklahoma State University
- 2. University of Texas at Arlington
- 3. Rochester Institute of Technology
- 4. University of Maryland at Baltimore
- 5. State University of New York at Albany
- 6. The University of Toledo
- 7. New Jersey Institute of Technology
- 8. University of Bridgeport
- 9. State University of New York at Binghamton
- 10. Dallas Baptist University

The conclave will open at 3 PM on Thursday the 30th of August. The venue is: Activity Center, Ground Floor, SKNCoE, Near SloM, Vadgaon Campus.

I kindly request you all to have this message shared with all students and request everyone to attend in huge numbers. We will be able to make this first conclave a big success only with your support.

Please feel free to call me for any further discussions on the topic.

Thank You

Dr. Jayesh L. Minase

Dy Dean, Training & Placement (Engineering)

Respected Sir / Mam,

To begin with, I would like to thank the respected Principal Sir of every institute, the institute coordinators, the faculty and most importantly the students for supporting the education abroad as well as the foreign language training activity.

Very happy to inform you all that 616 students attended the higher studies-USA conclave at the Sinhgad Activity Center on the 30th of August. The university representatives as well as the team from Imperial Education was overwhelmed by such tremendous response which they did not receive any where else!

Other than a successful conclave, we had fruitful discussions on various ways we could collaborate with these universities for mutual benefits. And, like every of our visitor appreciates, our guests at the conclave thoroughly enjoyed their stay with us and appreciated our campus, its facilities and the hospitality we extended.

ale Co

Vadgaon(Bl

Pune-41

The conclave saw representation from following 10 universities from the USA:

- 1. Oklahoma State University
- 2. University of Texas at Arlington
- 3. Rochester Institute of Technology
- 4. University of Maryland at Baltimore
- 5. State University of New York at Albany
- 6. The University of Toledo
- 7. New Jersey Institute of Technology.
- 8. University of Bridgeport
- 9. State University of New York at Binghamton
- 10. Dallas Baptist University

Smr. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

Students visiting the conclave have requested for many such conclaves to be arranged in near future. Also, students have requested for GRE as well as German and Japanese language training to be started at their institute. Over the next week 1 will share details on this aspect. Also, 1 request you to inform all the interested students that, as of today, we have 30 plus universities from USA / UK / Europe / Australia lined up for conclave over the next 2 months.

In the coming week, two seminars are scheduled:

 Higher Studies-USA seminar involving Wayne State University and Colorado State University is scheduled at 10 AM at RMD Warje campus on the 4th of September

2. Higher Studies-Europe seminar involving two universities from Finland and Estonia respectively is scheduled in the afternoon at SCoE on the 4th of September

Page 582 of 716.

Please share this information with interested students. Also, I request institute coordinators for higher study abroad activity to share list of interested student to coordinator of host institute for the respective seminar so that seats can be reserved in advance.

Once again, I thank you all for your support. Will share photographs from the conclave, on google drive in a day or two.

Thank You

Dear All,

In continuation to the execution of the GRE/German/Japanese training programs, I kindly request you to share the registration sheet, attached here with, with the students of your institute. The details required of the student are:

- 1. Name
- 2. Branch
- 3. Year
- 4. Mobile No
- 5. Email Address
- 6. Training Interested in

Kindly get the sheet filled and mailed back to me by EoD, Friday 7th of September. Kindly note that per institute there should be one sheet only.

For any further discussion please feel free to ring me.

Thank You

Javesh

Dear All,

After successfully organizing the first ever higher studies conclave, Sinhgad Institutes is organizing second such conclave involving 6 reputed universities from the USA on the 25th of September. Following universities from the USA will be presenting themselves at the conclave.

- 1. Northern Kentucky University
- 2. Marquette University
- 3. New York University
- 4. George Washington University
- 5. University of St. Thomas
- 6. Wayne State University

The conclave will open at 2 PM on Tuesday the 25th of September. The venue is C3 building of Sinhgad College of Engineering, Vadgaon (Bk).

I kindly request you all to have this message shared with all students and request everyone to attend in huge numbers. We will be able to make this conclave a big success only with your support.

Please feel free to call me on 8605947681 for any further discussions on the topic.

Respected Principals, Vice Principals and Hods,

We are pleased to inform you that, SCoE is organising an" Higher Education in Estonia" are visiting on 24th of September 2019.

They are willing to provide our students a platform for higher education abroad. Their university representatives would be briefing about the admission process and would like to interact with students. We appeal you to kindly inform your TE, BE students and MBA second year students, who are interested in seeking Higher Education in Estonia & wish to participate in the conclave.

The registration link is https://forms.gle/1NiLdPDanwckGh2d9

Venue Details:

10:00 AM to 11:00 AM in C2 Building, Second floor, Computer Engineering seminar Hall. 24th September 2019

Please inform coordinators to contact me and ask students to register on link. T Pl. Note- In case of MBA only second year students.

Thank you, Regards, Mrs. Girija G. Chiddarwar Assistant Professor Department of Computer Engineering Ph:9767170888

Sinhgad Engineering Institutes

Subject: Organization of orientation seminar for higher education in Estonia

Respected Sir.

You are kindly requested to organize an orientation seminar on "Higher Education in Estonia" for interested students from engineering institutes on your campus. Team from StudyEstonia, with whom Sinhgad Institutes has a MoU, will deliver the seminar. Per campus only one seminar, of one hour duration, needs to be organized. The schedule for the same is as below.

Sr. No.	Name of Campus	Date of seminar	Timing of Seminar	Organizing Institute		
01	Vadgaon-Ambegaon	24/09/2019	10:00-11:00 AM	SCoE		
02	Kondhwa	24/09/2019	12:30-1:30 PM	SAE		
03	Narhe	24/09/2019	3:00-4:00 PM	SITS		
04	Warje	25/09/2019	10:00-11:00 AM	RMDSSOE		
05	Lonavala	25/09/2019	12:30-1:30 PM	SIT		

You are kindly requested to assign a coordinating faculty for the seminar and share the details of the same to the undersigned by EOD, 23rd September. Also, you are kindly requested to promote the seminar with other engineering institutes on your campus for interested students to attend in big numbers.

Thank You

Respected Sir,

As you are aware, Imperial Overseas has been associated with Sinhgad Institutes for last three years. They have helped us organize university specific seminars as well as admission conclave on "Higher Studies USA" since last two years. Also, this year, Imperial accepted our invitation to be one of the sponsors at Sinhgad Karandak 2020.

This August, we will again be organizing admission conclave for Higher Studies USA. Thus, to enlighten all the students of third year engineering, across all branches at your institute, I kindly request you to schedule "information seminar/s" any date between 11th to 31st of March 2020. Considering the quantum of students at Sinhgad Institutes, Imperial is happy to provide multiple speakers so that seminars can be run smoothly and in parallel, if required.

For execution, Mr. Akshay Bhandari, 8291894256, will be the SPOC from the Kothrud office of Imperial. I kindly request you to assign a SPOC from your institute who could connect with Mr. Akshay for smooth execution of this seminar activity.

I would be more than happy to assist with any further discussion on this topic.

Thank you for your continuing support.

-Jayesh

1. Number of rounds: 2

1st round will be online and the final will be live performance. In the first round (online) each band will submit their maximum 01 Min 30 Sec (videos exceeding mentioned time will be disqualified) video song (Hindi/ English) in .avi or .wmv format to Sinhgad Institutes' Sinhgad College Of Engineering, (Vadgaon) Pune along with registration fees of Rs. 1500/- (Between 25st December 2019 to 22th January 2020). Maximum 30 bands will be selected on first come first serve basis during mentioned time period.

- 2. No Metal Bands will be allowed
- Videos of above mentioned 30 bands will be uploaded to our Facebook Page (25th December 2019 to 22th January 2020).
- Among all the bands, the top 12 who get the maximum likes during mentioned time period will be selected for the second round.
- 5. Entry fee: The 12 selected bands will have to pay Rs.500/- before the performance in final round.
- 6. In final round each Band will perform one cover & one Original Composition in a total time of 15 Min. including setup time & sound check.
- 7. The cover song should be in Hindi only; the original composition can be in Hindi/English.
- 8. The cover song should be a mashup of more than 2 Hindi songs (No regional language).
- 9. Each band will be judged on the basis of stage presence, skills and originality.
- 10. If any band exceeds the time slot or fails to follow rules given will be disqualified on the spot.
- 11. The winning band will get cash prize of Rs 1,00,000/- and 1st runner up will get cash prize of Rs. 50,000/-. The Top 3 bands will get an opportunity to perform on the final day of Sinhgad Karandak Neon 2017.
- 12. On the final day top three bands will perform for 30mins each including sound check and other setup time.

About Sinhgad Sports Karandak - It started as a series of events for students studying under the aegis of Sinhgad Institutes and has transformed over the years into a festival that showcases talent from different colleges both in and outside of the Sinhgad Institutes family. Thousands of students throng to various campuses of Sinhgad Institutes during Sinhgad Sports Karandak which is now becoming one of the most awaited events in the college year.

Sinhgad Sports Karandak mode its first appearance in the year 2006. Since then, there has been no looking back. It all nipped in bud due to the passion of the dynamic leadership of the Sinhgad Institutes, Dr. [Mrs.] Sunanda M. Navale (Founder Secretary) and Mr. Rohit M. Navale (Vice-President HR). Sinhgad Sports Karandak is a wide spread of various sports events both indoor and outdoor. It is organised for inter-campus, inter-collegiate and international students.

SINHGAD STUDENT COUNCIL

Report on

Blood Donation Camp (2019)

After due deliberations it was decided to organize the Blood Donation Camp on 16 July, 2019 at SKNCOE Student Activity Center. Sinhgad Student Council, Rajeshahi Pratisthan and Sou. Venutai Chavan Polytechnic organized the "Blood Donation Camp" in collaboration with Smt. Kashibai Navale Medical College and General Hospital, Narhe.

The blood donation camp was inaugurated by the hands of Shri. API Satish Umbare, Sinhgad Road Police Station. Dr. K.R. Borole, Dean of Student Life, Principal of Sou. Venutai Chavan Polytechnic Dr. Mrs Mrunalini Jadhav and Vice Principal Mrs. Sujata K Biyani. Prof. Jayesh Minase, Prof. Dhananjay Khankal were present for the event. PI Datta Gaikwad and API Vikram Dighe visited the camp. Students and the staff participated enthusiastically and by 3.30 pm, 70 bottles of blood were collected.

On the same day we had set up an eye donation camp of "My Home India" under the guidance of Shri. Jaywant Jadhav, coordinator of My Home India. Around 40 staff and students pledged to donate their eyes.

The event was co-ordinated by Mrs. Rupali V. Patil and Mrs. Shailaja Ahirao (Staff co-ordinators) Parth, Vaibhav and Abhishek (Student coordinators).

The tag line of Blood donation camp was:

"Care a little, Share a little-Donate Blood!"

INTRODUCTION:

STES Racing is a Formula Student Team of Sinhgad Technical Education Society, Pune India dedicated to design, manufacture and test a Formula Prototype racecar. We have been participating since 2013 in different formula student competitions held in Lincoln, Italy, Japan. The cars we have built until now are based on the concept of Gandhian Engineering. The philosophy helps us building the car for more performance at lower cost for a greater number of people.

THE COMPETITION:

Formula Student is a student engineering competition held annually in various countries worldwide. Teams comprising of students around the world design, build, test, and race a small formula style race car. The cars are judged on several criteria based on their performance, safety, reliability, documentation, and potential business skills.

The competition is broadly divided in 2 different categories where overall capabilities of car is evaluated both statistically and dynamically comprising of a grand total of 1000 points.

Efficiency	

OBJECTIVES OF TEAM:

Design for Manufacturability and Assembly: The vehicle is designed in such manner that the manufacturing of the vehicle will be simple and cost-effective.

Reliability: Overall target of testing for each season is decided to be more than 400km to check reliability of components.

Design for Weight Reduction: Being in a competition where weight plays a major role, we strive to reduce it each year by making certain design changes which in turn increases our efficiency and performance in various areas.

Suit. Kas Page 667 of 716. College of his ineering Vadgaon (Bk.), Pune-44.

ACHIEVEMENTS:

Since the inception of our journey in 2013 we had the hunger to learn and compete amongst the best teams over the world. Formula Student Lincoln and Michigan in USA, Formula Student Italy, Formula Student Japan, and Formula Bharat were the events we participated. Over these years we have evolved immensely in terms of both knowledge and rankings. Currently we are ranked 9th all over India and plan to achieve the podium in upcoming events.

Here you can look at some of our achievements from past years.

SEASON 2016-17 (FSAE JAPAN):

- •5th in Business Logic Case
- Lightest Indian Car at FSAE JAPAN
- Highest Ranked Indian
 Team at the Event

SEASON 2017-18 (FSAE JAPAN):

- Lightest Indian Car at FSAE JAPAN
- Fastest Team to clear Technical Inspection

Smt. Kashibai Navale College of E. Page 668 of 716. Vadgaon(Bk.), Pune-41.

STES PACING Formula Student Team

SEASON 2018-19 (FSAE ITALY):

- •5th in Business Logic Case
- •25th in Cost Report
- •31st in Design

SEASON 2019-20 (FSAE LINCOLN and FORMULA BHARAT):

- •7th in Design
- 23rd Overall

Vadgaon(Bk.)

PRINCIPAL Smr. Kashibai Navale College of Engineering Vadgaon(Bk.), Pune-41.

SEASON 2020-21 (FORMULA BHARAT VIRTUALS):

This year had been the most challenging season for us as a team ever, considering Covid19, the event switched to a virtual event, where there were drastic changes in its format, but the team pulled through, and this year we've had the biggest jump in ranks across all events in Formula Bharat, which resulted in the Team being featured in various news publishers including **Times of India**.

Pune's STES racing team of Sinhgad Institutes ranks amongst the top 10 in Formula Bharat 2021

Last updated on - Mar 4, 2021, 00:15 IST

Whether it is representing India on an international forum like Robo Wars held in China, International Rocketry Competitions held in the USA, Formula Student Racing competitions in Germany, Japan, Italy, USA or entry into Under 19 Cricket Team India, World Chess Championships, Hackathons and so on, students of Sinhgad Institutes have always brought home laurels.

MAEER'S MIT Group of Institutions, Pune and Doordarshan India have been co-hosting the prestigious ROBOCON India (robotics contest) since 2005. This contest gives a platform to the engineering students from across India to showcase their skills in robotics.

The International ROBOCON is hosted by the Asian Broadcasting Union (ABU) in a different country each year. The winner of ROBOCON India represents India at the International ROBOCON.

ROBOCON is an interesting and innovative game-cum-intellectual exercise for budding engineers, determined to innovate and create machines to produce the desired results. Participation in this activity is an end-to-end competitive experience from concept design of a system of robots programmed to perform according to the rules of the game played on a high precision technical contest area. The aim is to complete the task based on the theme declared by the host country of International ROBOCON.

We appreciate you for fostering the spirit of competition and supporting your student for participating and showcasing their talent, excellent team work, spirit of innovation & creativity in ROBOCON India every year.

We wish you the very best for all your future endeavours.

METEOR 2016

Meteor a Robotics workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering. The purpose of this workshop is to motivate engineering students to do something 'hands-on' in their field. Students are introduced to the field of robotics in this workshop. Team robotics has been conducting this workshop for the last 10 years. Over the years, our team has also been changing the technology that is taught during the workshop

While we all are working together for this various competition we even host a Robotics and Automation workshop for the engineering Fresher's mostly focused on introducing them to robotics and giving then a hands on experience. We provide Robot to participant students. Which have different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

This workshop is now at state level platform in where participants from all around the state come. We even have guest lecture by various industrialist of the fields such as Mechanical design and manufacturing, electronic circuitry, and computer programming.

During the workshop, there are guest lecturers of technical leads of companies like Schmaltz India Ltd. Janatics & Pneumatics, Drona Aviation which are having products used in the field of Robotics and Automation. The students get to know about the companies and their contribution in this field which creates an industry interaction of students. It was guided by Dr.S

Smt. Kan San Navale Colleg Page 694 of 716.ng Vadgaon(Bk.), Pune-44. Jocab who is MD of Schmaltz India Ltd and Mr. N.G.Joshi Sr.General manager of Janatics Pneumatics Ltd.

Students are also advised to do some changes in their rovers post-event as per their interest and curiosity. The team also helps such students by solving their doubts in such cases.

Speaker- Dr. Jacab (Managing Director, Schmalz India Ltd.

METEOR2017

Meteor is a Robotics & Automation workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering, Vadgaon since 2010. This workshop is platform for Mechanical design and manufacturing, electronic circuitry, and computer programming are explained as a part of research and development.

In the workshop we provide Robot to participant students. Which have different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

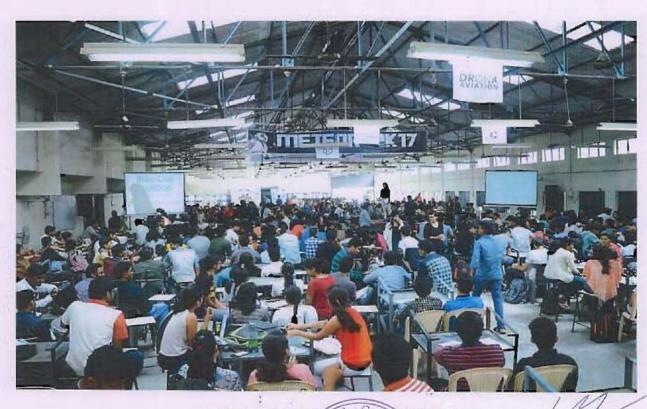

During this workshop, we organized few guest lecturers for students. The guest lecturers are technical leads of companies like Pari Robotics, Janatics pneumatics, Drona Aviation many other speakers, which are having products used in the field of Robotics and automation. This workshop is a platform in where participants from all around the state come for career in Robotics and Automation. Nearly 450 students are participated in this event

METEOR 2018

Robotics which is a mixture of electronics and movable parts, motors and accessories which is been provided by Team Robotics, STES Kashibai Navale College of Engineering, Vadgaon(Bk.),is organizing a 2-day Robotics workshop 'Meteor 2K18' on 29th-30th September 2018, attracting an attendance of nearly 232 students from across the state each year. Meteor, as a workshop has been successful in inculcating among the budding engineers, the current needs of the related fields and industry. Meteor also allows the keen youngsters to develop ideas and provides the platform for innovation. We give knowledge of different operating modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

METOR has help a lot to motivate the robotics development. It has help student to built from scratch using microcontroller and self made PCB board. It has also made available self learning kit, readymade kits as well as self building kits. These kits are designed for various robotics needs of users.

IN ASSOCIATION WITH SINHGAD STUDENT COUNCIL

INVITATION FOR

METEOR

To,
The Vice-Principal
SMT. Kashibai Navale College of Engineering
Pune

We hereby take this as an opportunity to invite you to Pune's largest Robotics workshop **METEOR** and enlighten the event with your presence.

Kindly accept our invitation

Date - 29th & 30th September 2018

Meteor 2019

Meteor is a Robotics workshop organized by Team Robotics of Smt. Kashibai Navale college of engineering. The main purpose of this workshop is to motivate engineering students to do something 'hands-on' in their field. Students are introduced to the field of robotics in this workshop. Team robotics has been conducting this workshop for the last 10 years. Over the years, our team has also been changing the technology that is taught during the workshop.

The design and development of a basic rover are explored by the students in this workshop. Mechanical design and manufacturing, electronic circuitry, and computer programming are explained as a part of explaining the functionality of the rover. The components and instructions for making of the rover are given to students from which they build their rover.

The event is organized on a high scale making it one of the largest robotics workshops in Pune. 128 students participate in this event from almost 28 engineering colleges in Pune. Our students give training to participant of Robot which is operated by different modes like line tracing, edge detection, manual operating, Bluetooth operating & Obstacle detector.

Vadgaan/Bk

Smt. Kashibai Navale College of Engineering Vadgaon(Bk. Page:7074of 716. During the workshop, there are few guest lectures for students. The guest lecturers are technical leads of companies like Baumer, Schmaltz, Janatics & pneumatics, Drona Aviation which are having products used in the field of robotics and automation. The students get to know about the companies and their contribution in this field which creates an industry interaction of students. Students are also advised to do some changes in their rovers post-event as per their interest and curiosity. The team also helps such students by solving their doubts in such cases.

The event also has a competition at the end of the workshop. Students have to complete on the tracks given by the organizer using the rover made during the event. This helps to have a fun ending for the event and keeps the motivation of students to do something new and special in their field.

METEOR2019 Inaugurated by Vice Principal Dr.K.R.Borole.
