1	Evaluation of re-liquefaction resistance using shaking table tests	ASPIRE, Savitribai Phule Pune University, Pune	http://bcud.unipune.ac.in/Template_Aspire/
2	Effect of geopathic stress on canal and its deterioration.	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
3	Environmental performance evaluation of building through LCA model	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
4	Evaluation of re-liquefaction resistance using shaking table tests	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
5	Software defined radio (SDR) implementation of multiple input multiple output system (MIMO) using universal software radio peripherals (USRP).	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
6	Automated traffic violation detection and penalty system	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
7	Hardware accelerator for embedded processor.	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
8	3D reconstruction of brain tumor using machine learning	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
9	Sensor less vibration exciter for vibration testing	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
10	Heat transfer enhancement by air jet impingement on a heat sink	BCUD, Savitribai Phule Pune University, Pune	https://bcud.unipune.ac.in/
11	Space radiation from the optically transparent planar Micro strip Antenna integrated with the solar panels of small satellites	ISRO-Savitribai Phule Pune University, Pune	http://www.unipune.ac.in/isro/
