“Interpersonal Skill Development for Entrepreneurs”

by

Uniquet, on 13 February, 2020

One day workshop was organized By SAE Kondhwa and Uniquet, Pune on “Interpersonal and Entrepreneurial Skills Development” for SE, TE and BE students of SAE Kondhwa.

Venue: Room Number 23, SAE Kondhwa.

Time: 2.30 pm to 04.30 pm

Day and Date: Thursday 13 February, 2020.

Uniquet had already conducted a workshop on Interpersonal and Entrepreneurial Skills Development” for all SE, TE, and BE students on 31 January, 2020. Students who were genuinely interested in starting their own startups and enterprises were further allowed to participate in workshop conducted on 13 February, 2020.

The first session started by Mr. Ashutosh by helping students to identify the problems faced by the society and how solution can be offered by the startups. Mr. Ashutosh also divulged upon various other aspects of Entrepreneurship such as image building, brand building, how to identify unique business within society.

The next session was given by Mr. Prasad, who gave students an insight to value-proposition, revenue model and customer engagement. Mr. Prasad also threw some light on the aspects of distribution channel and customer segmentation. The students were also information about the modules which will be conducted by Uniquet under the IESDP program.

The students experience from the workshop was very fruitful. The organizers thanked delegates from Uniquet for extending their support towards developing the ecosystem of Entrepreneurship within college.

“Interpersonal and Entrepreneurial Skills Development”

by

Uniquest, on 31st January 2020

One day workshop was organized By SAE Kondhwa and Uniquest, Pune on “Interpersonal and Entrepreneurial Skills Development” for SE, TE and BE students of SAE Kondhwa.

Venue: Seminar Hall, SAE Kondhwa.

Time: 11.00 am to 01.30 pm

Day and Date: Friday 31 January, 2020.

The inauguration session began with the auspicious hymns of Sarawati Vandana along with the lighting of lamp done by all the dignitaries. The principal of SAE Kondhwa facilitated guest of honour Mr. Ashutosh Suman, Mr. Vishwajit Sharma and Mr. Prasad. Principal shared his thoughts on need of entrepreneurship in today’s world with the students and dignitaries.

The first session started by Mr. Ashutosh by sharing his personal story of becoming Entrepreneur from student’s life. He not just created interest in the minds of students about entrepreneurship, but also forced students to channelize their thoughts about entrepreneurship as their carrier option.

After the conclusion of first session by Mr. Ashutosh, students were enlightened about the practical aspects of entrepreneurship through the knowledge and experience of Mr. Viswajit Sharma. The next session was given by Mr. Prasad Rode who provided students with guidance of starting their entrepreneurial journey from the student’s life itself.

The overall workshop was very enthusiastically accepted by the students who felt highly motivated as a result of interacting with the dignitaries. The students henceforth look forward for more such events for enhancing their entrepreneur skills and career option.

The TBI Cell and EDC Cell will be indebted to Uniquest for their invaluable resources and guidance. We look forward for arranging such sessions in the near future.

Total Participants: 20

One day Seminar was organized by Electronics and Telecommunication Engineering Department on “**Understanding Intellectual Property and Patents**”

This program was scheduled and conducted for one day dated 27th FEB 2020 from 11.00 AM to 1:00 PM. Session was conducted very well by Resource Persons.

Registration for seminar was carried out by Coordinator: Prof. Prof. A. B. Ingole

This seminar was inaugurated by **Dr. K P Patil, Principal, and Dr. K. M. Gaikwad (HOD and VicePrincipal), SAE Kondhwa.** Briefing about the seminar was carried out by Prof. A. B. Ingole. Total 20 faculties and research scholar students registered and attended this Seminar.

The session was very interactive with questions from faculties and clearing the doubts by Resource persons with their Expertise and Experience in the Field. All attending faculties were explored with how effectively this knowledge can be utilized in Electronics and Telecommunication Engineering applications areas.

The certificates were distributed to each attendee for attending this program.

About the Seminar:

Speaker has explained various aspects of copyrights with example. The various formats about the industrial designs were also explained. After filing of copyright how one can use technology for commercialization is explained. Lastly speaker explained how we can transfer the technology to potential company and thereafter how to do agreement and how to tackle issues related to litigation is explained.

Vision

उत्तमपुरुषान् उत्तमाभियंतृन् निर्मातुं कटीबध्दाः वयम्।

We are committed to produce not only good engineers but good human beings, also.

MISSION

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

About the institute:

STES's Sinhgad Academy of Engineering (SAE) was established in year 2005. SAE is approved by All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai, and is affiliated to Savitribai Phule Pune University, Pune. The institute is accredited with "A" grade by National Assessment and Accreditation Council (NAAC).

About the Seminar:

One day webinar on **Basic of IPR, how to identify which IP is relevant for your idea/concept.** Intellectual Property – refers to creations of the mind, such as inventions; literary and artistic works; designs; and symbols, names and images. Intellectual Property rights provide protection for creations and inventions, to enable creators and inventors to earn recognition and financial benefit from their work..

“Convert Idea To Business: A Pathway To Success”

by

deAsra Foundation, on 20th March 2019

One day workshop was organized By SAE Kondhwa and deAsra Foundation Pune on “Convert Idea To Business: A Pathway To Success” for SE TE and BE students of SAE Knodhwa.

Venue: Seminar Hall SAE Kondhwa.

Time: 11.00 am to 01.30 pm

Day and Date: Wednesday 20 March, 2019.

Inauguration session was started by auspicious hymns of Sarawati Vandana and lighting of lamp along with all the dignitaries. Principal and Vice Principal of SAE Kondhwa facilitated today's guest of honour Mr. Dhananjay Khire and Ms. Jyoti Gogate. Principal and Vice Principal shared their thoughts on need of entrepreneurship in today's world.

The first session started with Ms. Jyoti Gogate giving thought provoking session which made students interested for taking entrepreneurship as their carrier option. She not only motivate the audience but also gave insight to the basics of entrepreneurship. Students were encouraged and had several practical doubts cleared during her session.

The second session was conducted by Mr. Dhananjay Khire who shared his valuable experience and knowledgeable case studies of successful entrepreneur. Students not only found the role models from the case studies but also the confidence to go ahead and start their own enterprise in the coming future.

The overall workshop was a grant success and students are looking forward for such useful interactions in the coming future with some successful entrepreneur. The TBI Cell, EDC Cell and IIC Cell will be indebted to deAsra Foundation for their valuable resources and look forward for arranging such sessions in the coming future.

Vision

उत्तमपुरुषान् उत्तमाभियंतृन् निर्मातुं कटीबध्दाः वयम्।

We are committed to produce not only good engineers but good human beings, also.

MISSION

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity & technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant Society.

About the institute:

STES's Sinhgad Academy of Engineering (SAE) was established in year 2005. SAE is approved by All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai, and is affiliated to Savitribai Phule Pune University, Pune. The institute is accredited with "A" grade by National Assessment and Accreditation Council (NAAC).

About the Seminar:

One day Seminar on **Intellectual Property Rights**. Intellectual property is a category of property that includes intangible creations of the human intellect. There are many types of intellectual property, and some countries recognize more than others. The most well-known types are copyrights, patents, trademarks, and trade secrets.
