REPORT ON “TREE PLANTATION PROGRAM”

PLACE: LAKE CITY (BOPDEV GHAT)

DATE :16 JULY,2019

On 16th JULY, 2019, SINHGAD ACADEMY OF ENGINEERING, KONDHWA(BK) successfully completed the event of Tree Plantation under the NATIONAL SERVICE SCHEME at BOPDEV GHAT. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂ . As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The event was began with the welcoming of guest Honourable Mr. R.B.BAJARE ,MR. B.B.GITE, MR.ATUL INGOLE . SDO(BSD) Mr. L.J.DEOKATE Sir. Welcome speech has been given by the society member of the lake city (Bopdev Ghat). At that time Principal advice to volunteers to think differently for the Society to make positive changes and to make improvement, SDO introduced guest at the time.

Mr. L.J.DEOKATE shared his past experiences with volunteers that how he got the success through NSS and what difficulties he faced while performing his role as Programme Officer. He said that “In society all the human beings are comprise equal importance, no matter with the Men or Women.” He also said that the dedication is must to accomplish the goals and dreams in life. Mr. BHISE sir also addressed the volunteers and passed a message of kindness & being helpful to the needy people.

After the inspirational words of guests and Principal we all move towards the place where tree plantation took place. Total tree planted by all others including teachers, volunteers and guest was more than 150 on the day.

All NSS volunteers proudly planted trees and decided that they will plant more and more trees and take care of them.

Thus tree plantation drive was successfully conducted by NSS.

Fort conservation event

Every community and society has a very precious heritage which has to be and can be transferred to the next generation. The monuments we can get a glimpse of India's past through these monuments. With their elaborate superfluities and wonderful architecture, Indian monuments represent one of the most outstanding facets of the Indian culture. But simply possessing them are not enough. Preserving them should be equally prioritised. It is disheartening to see people, forgetting that they are doing an irreparable damage to these archaeological masterpieces, throwing trash, inscribe their initials, names, or messages on these national treasures.

In order to further strengthen the commitment for protection of monuments, we members of NSS team decided to conduct a cleanliness drive at one most famous fort in Maharashtra the Rajgad fort located in pune district. At first two senior volunteers were hired to survey the place first just to ensure safety and check willing of other volunteers to trek. So after getting a green signal we finalised our destined to Rajgad fort. And the day was finalised on 12th of feb 2020 to go.

Finally the day arrived we departed at 5 am in morning from the front gate of our college. It was too early so breakfast poha and cup of tea was provided to all volunteers. Everyone was energised and excited. Then we seated in our bus and started our journey towards our great destiny. Around 6:30 we arrived at base of the Rajgad fort. With the thrill and radiant energy we were ready to climb the fort. We started from gunjavane (chor darwaza) to trek. It was a blissful morning we enjoyed while trekking. Sooner we reached at padmavati temple around at 8:30am there we halted to have some snacks and to quench our thirst for which we were carrying 4 water jars. We also carried a first aid kit to avoid medical emergency if in any case of injury to anyone.

When we touched to the fort soil had some different kind of energy which took away all our tiredness and we were ready to get started with our main purpose of arrival, the cleanliness

drive. We wore the gloves and began to collect the trash and plastic waste and cleaned surrounding premises heading towards the padmavati maachi (suvela maachi). The dirt and dust did not deter spirit of any volunteers and they took part in the cleanliness drive enthusiastically.

There were two reasons behind to conduct this drive one was, of course, to conserve the fort, and the second was to promote the initiative, 'Swachh Bharat'. We believe that Clean, Happy and Healthy Citizens impart Healthy and Developed Nation. Every volunteer were willingly participating in picking up paper and plastic and sweeping.

At the end of the activity, five big sacks of trash were collected that mainly included plastic bottles and cups, wrappers and polythene bags. Kudos to the entire team of NSS with zeal and enthusiasm the task was completed exemplarily

Then we gathered at temple again. From the pali path way we trek down. Finally reached at the base of the fort around 3:30 pm, without thinking anything we moved towards a small village hotel and eat authentic meal roti, kaju masala, thecha, papad, daal tadka, and rise. Our stomachs were indulged. Then at 5:00 pm we started our journey way back. While travelling back we halted at a place place for tea and refreshments. At 7:30 pm we reached back to the college. It was a unique experience for all of us. We were curious to be the part of this great drive.
