2nd July 2019

To,
Dr. Prof. Yewale Sir.
HOD – Mechanical Engineering.
SAOE- Kondhwa,
Pune.

Subject: Proposal to conduct seminar

Dear Sir,

We would like to congratulate you for your efforts to build a strong foundation for future professionals graduating from your esteemed institute. At CADD Centre, we are aligned to these efforts and would like to take this opportunity to offer our experience of 31 years to further augment the vision you hold for the students of today and improve their employability.

We propose to conduct Seminar or Workshop that will educate our students about the opportunities available to them in the Mechanical industry and how they can make a mark for themselves in the revolutionary world.

List of Sessions will conduct in timely manner.

1. Industry oriented Seminar
2. Product Demo + Seminar (On particular software)
3. Motivational

As a gesture of encouragement for the students, we will also be offering them free course discount vouchers. To ensure the students' convenience we propose to host this seminar in your college premises and seek your permission for the same.

Now, with your encouragement, your students can go ahead to become future experts. Looking forward for your support in facilitating the opportunity for your students.

Thank You.

Yours Sincerely,
Kishor Lekurwale

Resource Person:- Dnyaneshwar Dhanak Sir (Operational Manager - CADD Centre, Pune)
Organized by:- Prof. S S Yewale Sir,
Conducted by:- Mr. Y. K. Dhage
Date:- 5th July 2019.

An Eminent speaker, Dnyaneshwar Dhanak Sir (Operational Manager - CADD Centre, Pune). The Lecture was arranged on 05th of July 2019 in room no. 11 at Mechanical Engineering Department. The lecture was scheduled with two sessions for first shift for 73 students of 11.

Prof. S S Yewale Sir felicitated Dnyaneshwar Dhanak Sir to welcome for lecture. Prof V.T Pawar & Prof. Y.K.Dhage introduced the speaker and requested to deliver the lecture.

Sessions were very interactive with questions from students and clearing the doubts by speaker. Students were explored with vast area Mechanical Engineering software's where they can build their career in correct direction. Sir has elaborated basic fundamentals with PPT presentation which consists of so many examples, figures & pictures. Students shown deep interest in lecture and assured future work modeling software's

The session was concluded with vote of thanks by Prof. V.T.Pawar

Respected All,

Happy to inform you that a MoU for training in German and Japanese language has been signed by Sinhgad Institutes with Global Dialect Language Solutions. This was done on 11th of October 2018 by SIT Lonavala. Thank you Dr. Gaikwad Sir and team for the initiative!

As you all are aware, this year we were able to secure two placement in Japan Third Party, Japan at an annual package of 33.28 Lakhs. Many more recruiters have shown their interest, provided our students know little bit of Japanese language.

Many of our students undertake MS program in Germany. This requires them to have cleared at least two levels of German language. For this, they join a training academy outside. Similar to higher studies conclave organized for USA, Estonia, Finland, UK and Australia, our Sinhgad Overseas Center is in talks to organize conclave for German Universities as well.

Knowledge of these languages will be of great benefit to students aspiring for placement in Japan / higher education in Germany.

Thus, I humbly request you all to connect with Mr. Akshay Khirid, Founder of Global Dialect to organize a seminar for interested students. He can be reached at 7276082099. This seminar will include a demo lecture. After the seminar, students can register their interest.

For any further assistance and clarification please feel free to contact me at 7391076428/8605947681.

A copy of the MoU as well as the training details and fees are attached here with for your reference.

Thank You for the support.

Jayesh

Subject: Invitation for Seminar on "Training in German and Japanese Language".

Sir,

With reference to the above subject, we are pleased to invite you to deliver Seminar on "Training in German and Japanese Language" for SAE students. Details of it are as below:

Date: 15/07/2019

Time: 10:00 am to 12:00 am

Your guidance will be beneficial to our students for the future.

Please accept the invitation.

Thanking you.

Event: Seminar on “Training in German and Japanese Language”

A MOU for training in German and Japanese language has been signed by Sinhgad Institute with Global Dialect Language Solutions.

This year we were able to secure two placements in Japan Third Party, Japan at an Annual package of 33.28 lakhs. Many more recruiters have shown their interest provided our students know little bit of Japanese language.

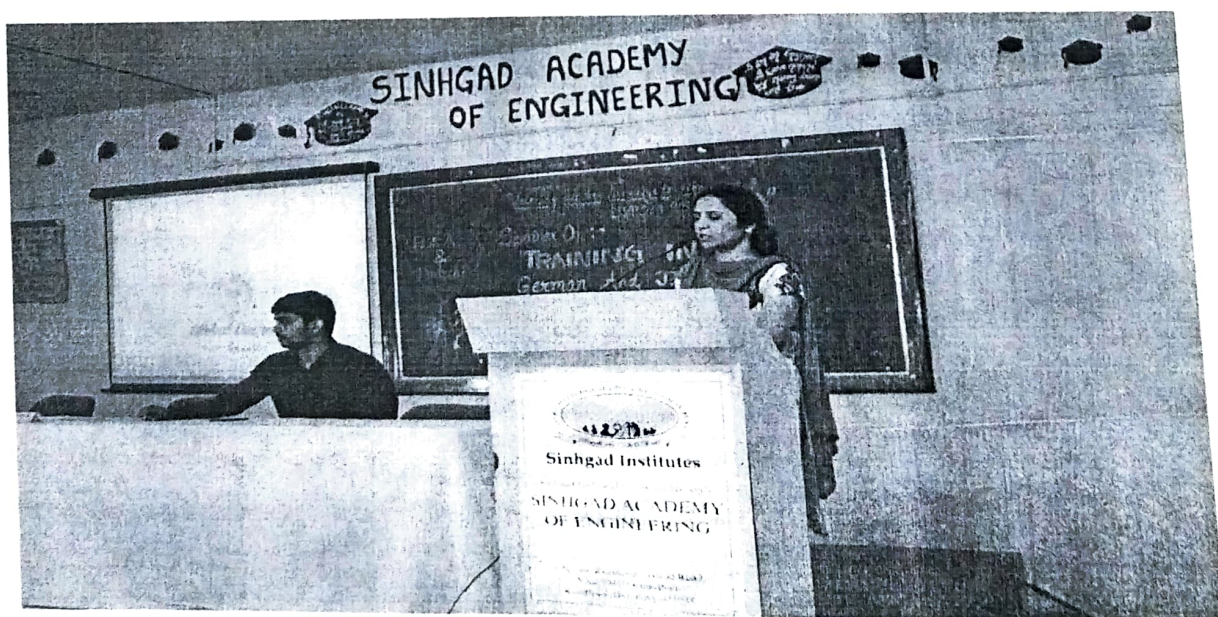

Knowledge of these languages will be of great benefit to students aspiring for placement in Japan/higher education in Germany.

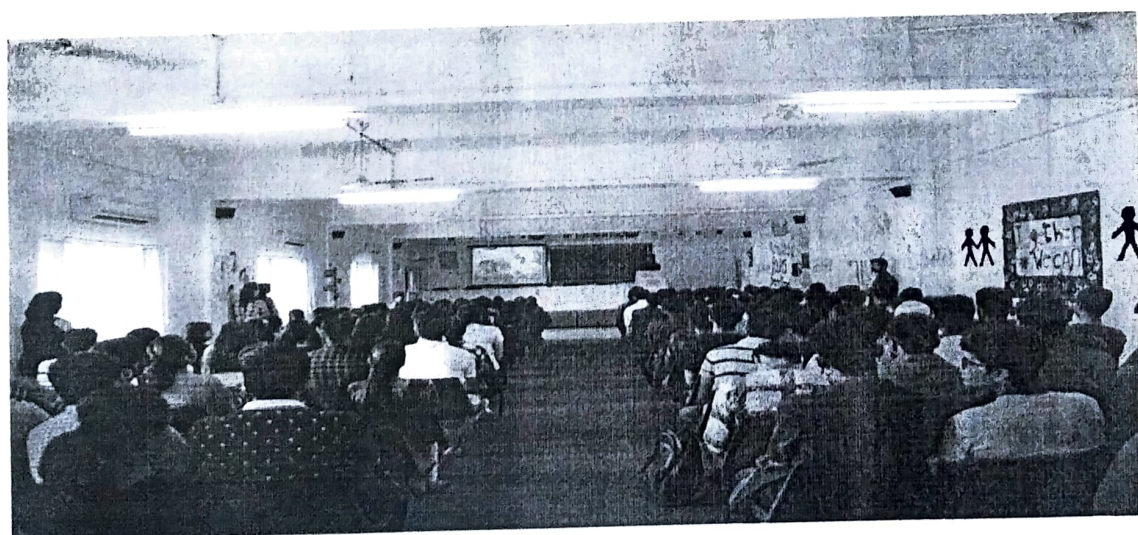

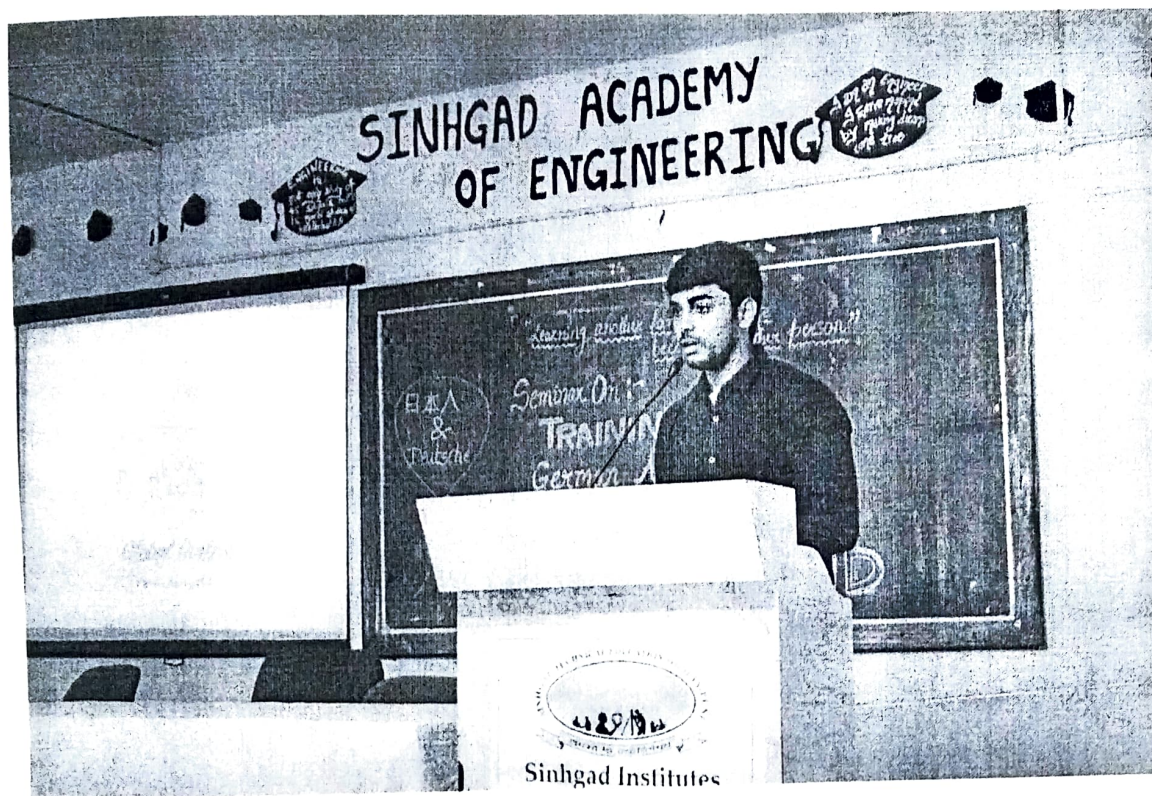

With this regard, we had **organized a Seminar on “Training in German and Japanese Language”** for SE, TE and BE students of all branches on 15th July 2019

Speaker: Mr. Akshay Khirid (Founder and Director Global Dialect Language solutions)

Venue: Seminar Hall

200+ students attended this seminar.

Event Coordinator

Mrs. A. S. Shinde

Date:01/08/2019

Notice

Pre-Placement Talk

All Students of Comp/IT/E&TC/Mech are hereby informed that The Training & Placement Cell is pleased to inform you that **Accenture** Company is scheduled to visit for campus placement on 02/08/2019.

For the same purpose a Pre-placement talk is arranged on 02/08/2019 where students can clarify details such as salary break-up, job profile, place of work, bond details etc. with the company. Students are required to be well versed with all these details by clarifying them during the pre-placement talk. Interested Students in a particular company are required to attend its pre-placement talk. The interaction with the representatives of the companies should be in a very dignified manner. Students shall not question the policy of the company.

Session will be in online mode and link will be sent well in advance to your Whatsapp group.

Dr. D. K. Kamat

T&P Officer

Training & Placement Officer
Sinhgad Academy of Engineering
Pune- 48

Accenture Placement Report

Accenture is an Ireland-based multinational professional services company that specialises in information technology (IT) services and consulting. *Accenture Technology* focuses on technology software, implementation, delivery, and research & development, including its Technology Labs for emerging technologies.

Accenture Company was scheduled to visit for campus placement on 02/08/2019 at Sinhgad campus by the Training & Placement Cell.

Students from Comp/IT/E&TC/Mech were eligible for the placement drive. Total 450 students at SAE level had registered for the same. For the same purpose a Pre-placement talk was arranged on 02/08/2019 where students clarified details such as salary break-up, job profile, place of work, bond details etc. with the company. Students were well versed with all those details by clarifying them during the pre-placement talk. The interaction with the representatives of the companies was in a very dignified manner.

Total 54 students were placed On Campus as well as Off Campus from SAE. Training responsibility was assigned to Dr. Durgaprasad Kamat T&P Co-ordinator from SAE.

Infosys Placement Report

Bitwise is an Indian multinational information technology company that provides business consulting, information technology and outsourcing services. The company was founded in Pune and is headquartered in Bangalore. Infosys is the second-largest Indian IT company. Infosys provides software development, maintenance and independent validation services to companies in finance, insurance, manufacturing and other domains.

Bitwise Company was scheduled to visit for campus placement on 18/10/2019 at Sinhgad campus by the Training & Placement Cell.

Students from all branches were eligible for the placement drive. Total 100 students at SAE level had registered for the same. For the same purpose a Pre-placement talk was arranged on 09/10/2019 where students clarified details such as salary break-up, job profile, place of work, bond details etc. with the company. Students were well versed with all those details by clarifying them during the pre-placement talk. The interaction with the representatives of the companies was in a very dignified manner.

Total 42 students were placed On Campus as well as Off Campus from SAE. Training responsibility was assigned to Dr. Durgaprasad Kamat T&P Co-ordinator from SAE.

Dear Mam,

We are conducting the first stage of campus drive i.e. Presentation, Online test and GD at our Kondhwa campus on 9th October 2019.

PFA updated list of registered students for your campus drive.

Day 1 (Presentation / Online Test / GD): Date – 9th October 2019

Please find below address details and Google map direction of our kondhwa campus for your reference.

Address - Sinhgad Institute of Business Administration & Research - SIBAR Kondhwa Campus - Kondhwa-Saswad Road, Near PMC Octroi center, Kondhwa (Bk), Pune-48.

Google Map Direction - <https://goo.gl/maps/u9uuweVyBkTDxT2D7>

POC -

Kamat Sir TPO - SAE Kondhwa - 9767100901

Ambarish Sir, SKNCOE – TPO: 9922213686

Yogesh Sir, SIT - Lonawala TPO : 8308816115

Kindly revert back if any query

Thanks and regards

Subject: Bitwise Solutions :: BE-CS/IT 2020 batch on-campus drive
To: abhishek.pandey@sinhgad.edu <abhishek.pandey@sinhgad.edu>
Cc: Pallavi N Kale <Pallavi.Kale@bitwiseglobal.com>

Hello Team,

Kindly find below details of the preparedness needed for the of this upcoming drive.

Schedule for campus drive-

- 26th September'19- Pre-placement presentation, Online Test & GD at the college.
 - We'll be having Rupali Veerkar- AVP-HR for the pre-placement presentation.
 - Also, Pallavi Kale- Recruitment Head for the pre-placement presentation and Group Discussion.
 - And an alumni of Sinhgad College will be joining us.
- 27th September'19- Technical interviews followed by Final interviews at the college.

Below is the setup needed to be done for the online test:

1. Install SEB(Safe Exam Browser) on Windows7 and above versions of OS.
 - a)Hit the following URL in Google Chrome or Mozilla Firefox browser :
ece.bitwiseglobal.net/access.php
 - b)It will Pop out an window which will ask for "Launch Application"
 - c)Click on "Launch Application" button
 - d>Login screen (Bitwise Elite Corps) will appear at the screen

We are expecting that above screen is ready until the pre-placement presentation is finished.

2. Minimum 5mbps bandwidth need to be kept reserved for the labs in which test is going to be conducted.

Reach out to me in case any problem persists while installing SEB and setting the lab for online test.

Important pointers with respect to students who will be appearing for the drive:

- Candidates are expected to be formally dressed and well groomed.
- Latecomers will not be taken into consideration.
- Candidates should be fitting in criteria of 55% throughout their academic years.
- Candidates holding any other offer should not appear for the process.
- Candidates should not have any live backlogs.

Best Regards,

Rutuja Rajeshirke

HITACHI CONSULTING SOFTWARE SERVICES INDIA PVT. LTD.

Start and Grow Your Career @ Hitachi Consulting!

Hitachi Consulting has great opportunities for graduates to begin their consulting careers. We believe structured training roadmaps, together with on-the-job immersion on client projects, is the best way to grow and refine your consulting skills. You will interact with leading edge technologies in practice, experience different functional areas and get a window into the diversity of challenges facing many of our clients. For them, the pace of change is accelerating exponentially, and we are building teams to face those challenges.

Eligibility Criteria: Engineering Graduates / Post Graduates from Computer Science & Information Technology with aggregate 70% marks in the highest degree.

Job Details:

Position to hire: Consultant

Location: Hyderabad/Pune/Bangalore

CTC: ₹ 6.5 LPA

Your time as a Consultant is focused on learning how to consult through formal training, and most importantly, with real world experience. We are looking for individuals who want to apply their education to help solve our clients' most challenging issues.

As a Consultant, you will be exposed to a variety of industries, processes and technologies. Each project that you are staffed on will vary in duration, industry, location and the expectations of your role. One project may be focused on supporting the implementation of a highly complex IT system, the next may be helping reengineer processes to improve efficiency. At each client engagement, you will be exposed to different business processes, organizational structures and technologies and with it, you'll face different challenges and learn about different solutions.

As part of a project team you will be assigned to work on a specific part of the solution, developing your foundational consulting skills in the process. Those skills typically include client communication, analysis, solution building and development support.

The job profile of a Consultant @ Hitachi Consulting includes Software Development/Programming/Coding, Testing, Implementing projects and application maintenance activities. Depending on your nature of work, you may be

interacting with customers in innovating solutions for their problems using digital technologies.

Researching, designing, implementing and managing software programs

Coding and Testing using relevant technologies

Identifying areas for modification in existing programs and subsequently developing modifications

Writing and implementing efficient code

Determining operational practicality

Developing quality assurance procedures

Deploying software tools, processes and metrics

Maintaining and upgrading existing systems, training users

Working closely with other developers, UX designers, business and systems analysts

Interfacing with clients and onshore counterparts

Key Attributes:

Business acumen

Strong domain knowledge and experience

Problem solving & Analytical skills

Excellent communication skills

Flexible, proactive approach
