A Report on "FIRST YEAR ENGINEERING INDUCTION" Program

The event "FIRST YEAR ENGINEERING INDUCTION" organized by Mechanical Department was started at 10.00 a.m. on Tuesday, 31st July 2018. The event was organized at Sinhgad Academy of Engineering, Kondhwa in Room no. 25. The total no. of students were 38. and MESA committee members were 15 who were volunteers for the program.

• **EVENT DESCRIPTION**

F.E. Induction Program is organized to make the newly admitted students aware about their department in more detail. In the program students were first addressed by our H.O.D of Mechanical Engineering Department Prof. S.C. Shilwant who informed the students about different facilities provided to mechanical engineering students, research lab, projects, and about different scholarships. Then they were addressed by our S.T.P Co-coordinator Prof. Y.U. Chapke who informed them about Student Training Program and its benefits. Then they were addressed by our S.O.C coordinator Prof. A.S. Patil who informed the students about SOC and its functions. Then they were finally addressed by our BAJA/SUPRA Coordinator Prof. A.P. Kalmegh who informed to students in details about different motor sports clubs in our college and their creations and competitions they face every year and also showed them some videos based on manufacturing of different cars and quad bikes.

We invited Dr Rajiv B (Head & Associate Professor of Production Engineering & Industrial Management Department) and our Alumni Mr. Achintya Paradkar (Simulation Engineer for Jaguar Land Rover, Advanced Engineering, TATA Technologies, and Pune). Both Speakers were felicitated by our H.O.D of Mechanical Department Prof. S.C. Shilwant. They addressed the students and encouraged and inspired them to become better and real hard working engineers. They also gave them living examples of their experience and advised how to tackle difficult situations, how to be always ready for anything, how to deal with stress during examinations, how to deal with nervousness during interviews and public speaking.

A Report on "FAREWELL 2k19" Program

"May the road rise up to meet you. May the wind be even at your back. May the sun shine warm upon your face and the rain fall softly on your fields. And until we meet again, may God hold you in the hollow of his hand".

The auditorium of Sinhgad Academy Of Engineering echoed with the blessings on the evening of date 10th April 2019 when Mechanical Family of SAOE came together to bid farewell to the outgoing 2018-19 batch of class BE students. It was the evening of mixed emotions for all present at the school

auditorium to witness the official send-off for the class BE students at the valedictory ceremony 2k19. The day was a fiesta devoted to the years spent together with friends and teachers to reminisce joyous moments. The Auditorium was festooned appropriately. Students of Team MESA organized farewell party with great enthusiasm and of course endeavoured to leave a trail of nostalgia behind for the twelfth.

It was a beautiful evening, the sun shining brightly as the batch of 2018-19 showed up, dressed in their finery. The young ladies glowed in fuchsia-coloured saris whereas gentlemen carried themselves smartly in sherwanis and suits. Elegantly dressed, the outgoing students entered the Auditorium at

A waste management event was organized on 27th September, 2018 by the NSS team of Sinhgad Academy of Engineering, Kondhwa. The main motive of the event was to spread awareness about the proper management of garbage. The event was carried out at the residential area of Yewalewadi, Pune. Efforts were taken to educate people about the segregation of garbage into "dry waste" and "wet waste". This event brought forth a platform to distribute dustbins marked "dry waste" and "wet waste" separately. Dustbins were distributed between residents, vegetable vendors and clinics without any cost. The event was a huge success as volunteers as well as the people on the receiving end gave a positive response to this initiative.

A Report on Teachers day Program

Resource Person:
Organized by: - MESA
Conducted by: - Mr.V.T.Pawar/Mr.V.K.Dhage
Date: - 11th September 2018

On Monday, 10 September 2018 teachers day was celebrated at Sinhgad Academy of Engineering, Kondhwa, Pune. Teacher's day is celebrated every year on 5th September to mark the birthday of the great learned Dr.Sarvepalli Radhakrishnan.

The students of mechanical engineering students association (MESA) had arranged a programme for the teachers of mechanical department to celebrate this special day. All the teachers were invited to attend the programme at 2:00pm. Along with the teachers all the students of SE, II and BE were also invited to the programme. The programme was arranged in the seminar hall.

The programme began with loud cheers for the hosts of the day Manisha and Mayuri. The hosts invited the mesa president Chaitanya to speak on behalf of all students and thank the teachers for the day to day efforts they put in for a better future of the students. Thereafter the HOD of mechanical dept Dr.Kore was invited on the stage to speak a few words. As always the HOD enlighten us in his short but heartwarming speech.

The programme then took a turn on the fun side. The hosts entertained us with a few cheeky comments and one liner. Then we had our first game: The debate. The topic of the debate being: Should DSE students be allowed to take part in MESA activities in the first Semester? On the 'FOR' side we had Bhosale sir and on the 'AGAINST' side we had Ghorpade sir. The debate had all the 'masala' and take-ones one had expected. There were huge cheers for each argument presented by either of the sides. The debate was such an equal that the students were divided on equal fronts and we couldn't decide a winner.

Next the students of MESA had arranged for a few awards which were a bit cheeky but in a funny way. After all the awards were distributed, we had a face recognition game which was hosted by Chaitanya. For some professors the face was easily recognized but for some a careful examination was required. All in all everyone had fun and the game was done with, with a loud round of applause.

Thereafter the programme was concluded with a vote of thanks towards the teachers by the Vice President of MESA-Prasanna. The teachers were thereafter invited for snacks and games in mechanical department. After snacks were done, the teachers played a round of Musical Chairs which brought a great view of spectacle and enjoyment for the teachers playing as well as all the spectators. The programme was concluded with great amount of fun and memories.
