Novel Ideas In Multidisciplinary Techno-Innovations
Technically Sponsored by IEEE Signal Processing Society, Pune Chapter
(NCNMT-2021) 29th - 30th June, 2021

ABOUT HOST INSTITUTE

Honorable Prof. M. N. Navale, a great visionary and dynamic leader, laid the foundation of a Sinhgad Technical Education Society (STES). Sinhgad Technical Education Society's Sinhgad Academy of Engineering (SAOE) was established in year 2005. SAOE is approved by All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai, and is affiliated to Savitribai Phule Pune University, Pune. The institute is accredited with "A" grade by National Assessment and Accreditation Council (NAAC).

The institute offers bachelor degree (B.E) in Computer Engineering, Information Technology, Electronics and Telecommunication Engineering, Mechanical Engineering and Civil Engineering with the total intake of 660. It also offers Masters Degree (M.E) in Electronics & Telecommunication Engineering (VLSI & Embedded Systems). Savitribai Phule Pune University (SPPU) has approved two PhD research centers in the department of Mechanical and Electronics & Telecommunication Engineering.

ABOUT THE CONFERENCE

e-National Conference on Novel Ideas in Multidisciplinary Techno-Innovations (NCNMT-2021) is being organized by Department of Electronics and Telecommunication Engineering SAOE, Pune in Online Mode on MS TEAMS Platform to provide a podium for Teachers, Scholars and Students around the Nation to exchange perspectives, discuss research results and gain the desired expertise in the field of Science and Technology with multidisciplinary approach.

CONFERENCE TRACKS

Topics of interest include, but are not limited to:

- Multidisciplinary research in science and technology.
- Engineering applications in Fundamental sciences.
- Machine Learning and Data Science in Optimization
- Mixed Integer and Linear Programming
- Nano technology and Nano science
- VLSI and Embedded technologies
- Digital Image and Signal processing
- Industry Applications
- Emerging Trends in Optimization

CALL FOR PAPERS

We invite academicians, practitioners, research scholars and students to submit research papers. Research papers covering any other topic related to Engineering which is the main theme of the Conference are welcome.

All the selected papers will be published in **UGC CARE** Journals with additional fees.

Authors have to register on "Easy Chair" submission link is provided below. And Submit the paper in the below link

<https://easychair.org/conferences/?conf=ncnmt2021>

INSTRUCTIONS

- Maximum length of the paper should be less than 6 pages.
- Authors can download standard IEEE paper template. <https://www.ieee.org/conferences/publishing/templates.html>

BEST PAPER AWARD

- Three Best Paper Awards will be announced.
- Awardees will be given IEEE Student Membership with e Certificate.
- There will be many consolation prizes also.

IMPORTANT DATES

- Date of Conference : 29th and 30th June 2021
- Last date for submission of full paper : 10th June 2021
- Notification for acceptance of full paper : Up to 20th June 2021
- Last date for submission for camera ready paper : 22nd June 2021

NCNMT REPORT

Sinhgad Academy of Engineering organized its first ever e- national conference titled Novel Ideas in Multidisciplinary Techno-Innovations, NCNMT 2021 on 29th and 30th June 2021. The conference was well attended by eminent academicians, faculty members and students from reputed technical and educational institutions from different parts of the country and representatives of governmental bodies and industry.

e-National Conference on Novel Ideas in Multidisciplinary Techno-Innovations (NCNMT-2021) which is being organized by Department of Electronics and Telecommunication Engineering SAOE, Pune for Teachers , Researchscholars and Students around the Nation to exchange perspectives, discuss research results, and gain the desired expertise in the field of Science and Technology with multidisciplinary approach,.

The first day of conference started with Welcoming and Opening Ceremony in virtual mode at Sinhgad Academy of Engineering through Microsoft Teams platform. Principal Dr K.P.Patil and Vice principal Dr K M Gaikwad addressed the participants with short welcoming speeches. The Invited, Keynote Speaker Dr Rajendra Tilekar addressed the audience and shared knowledge and rich experience of application of ICT and technology related to companies and institutions.

This conference has graced by more than 250 delegates participating from many Engineering colleges, making this conference a truly national conference in spirit.

This is the first conference in the history of our Institute which is completely conducted on a digital platform in line with the social distancing norms due to COVID-19 pandemic.

conference is technically sponsored by IEEE Signal processing society, Pune chapter. The IEEE's first society, the Signal Processing Society is the world's premier professional society for signal processing scientists and professionals. Signal processing is the enabling technology for the generation, transformation, and interpretation of information. SPS serves its members through high quality publications, conferences, technical and educational activities, and

leadership opportunities. Its goal is to keep members abreast of the latest information and to serve the public at large. The IEEE's first society, the Signal Processing Society is the world's premier professional society for signal processing scientists and professionals since 1948.

In this conference, we have received a total of 92 papers with approx. 250 Authors in different tracks through easy chair conference management tool. We have received papers from all branches of Engineering..

All the manuscripts have gone through thorough reviewing process with the help of eminent scholars in their respective field and from great institutions from Maharashtra and other states.

All accepted papers had been categorized into the ten sessions: out of 75 selected papers, 58 scientific papers were presented by authors from 15 Engineering colleges from various departments. We have run three sessions parallel both in the Morning and Evening for two days. In each session approximately 6-8 papers were be presented and evaluated. Our Session Chairs, After the second round of evaluation from Judges and session chairs, the best papers were awarded.

The major outcomes that we expect from this conference is a national framework for the changing education systems around the world and how it can be inclined with the concept of social distancing caused due to COVID-19 pandemic.

The Conference Proceedings CD was released by the Chief Guest Dr Rajeev Chitguppi on the occasion and the certificates to the participants too were given away.

A few participants who gave their feedback on the conference praised the institution for hosting its first ever e conference in such an impeccable manner and said that they were overwhelmed by the hospitality offered by the organizers.

Dear Sir/ Madam,

Greetings!!! from the Technical Program Committee (TPC) of **e-National Conference on Novel Ideas in Multidisciplinary Techno-Innovations (NCNMT-2021)**, Technically sponsored by IEEE Signal Processing Society, Pune Chapter from Sinhgad Academy of Engineering, Pune, India. The conference will be held on 29-30 June 2021. We have received very good responses towards paper submissions from all over the nation including our native state. As an eminent academician and expert in your field, we shall be grateful for your voluntary contribution in judging the quality of papers and presentations delivered by the presenter in this conference.

In this context, we request you to judge the papers presented in this conference. Your expertise in the field and suggestions on paper will help the researchers to grab the further research opportunities in their research field. Also it will improve the quality of presentation and further of the conference.

Please find herewith brochure and schedule of the conference. The conference will be held using MS-Teams platform. We kindly request you to download MS-Teams App for smooth conduction of conference.

We are really looking forward to working with you.
Thanks & Regards

Dear Sir/Madam,

Greetings!!! Thank you for your service as a Session Chair for the e-National Conference on Novel Ideas in Multidisciplinary Techno-Innovations (NCNMT-2021), Technically sponsored by IEEE Signal Processing Society, Pune Chapter from Sinhgad Academy of Engineering, Pune, India. Your help enabled us to meet the time schedule required and develop an excellent program. With the increasing number of manuscript submissions, your timely reviews were necessary to guide the selected superior works in presentation at the conference. The resulting program is the best yet, and is sure to delight the scholars who attended the conference. The conference was held on 29-30 June 2021. As an eminent academician and expert in your field, we are grateful for your voluntary contribution in judging the quality of papers and presentations delivered by the presenter in this conference.

Your dedication is most appreciated and helps to make Sinhgad Academy of Engineering, Pune, the outstanding organization. We are really looking forward working with you in future also.

Thanking you,

(Dr. K. P. Patil)
