The Chief guest of the program enlightened us on the fact that finding an effective problem that serves the needs of the common man was as important as finding a solution to a problem, this paradigm shift in the working of Indians could change its impression of being just a service based country that provided cheap labor to being a land of invention and innovation.
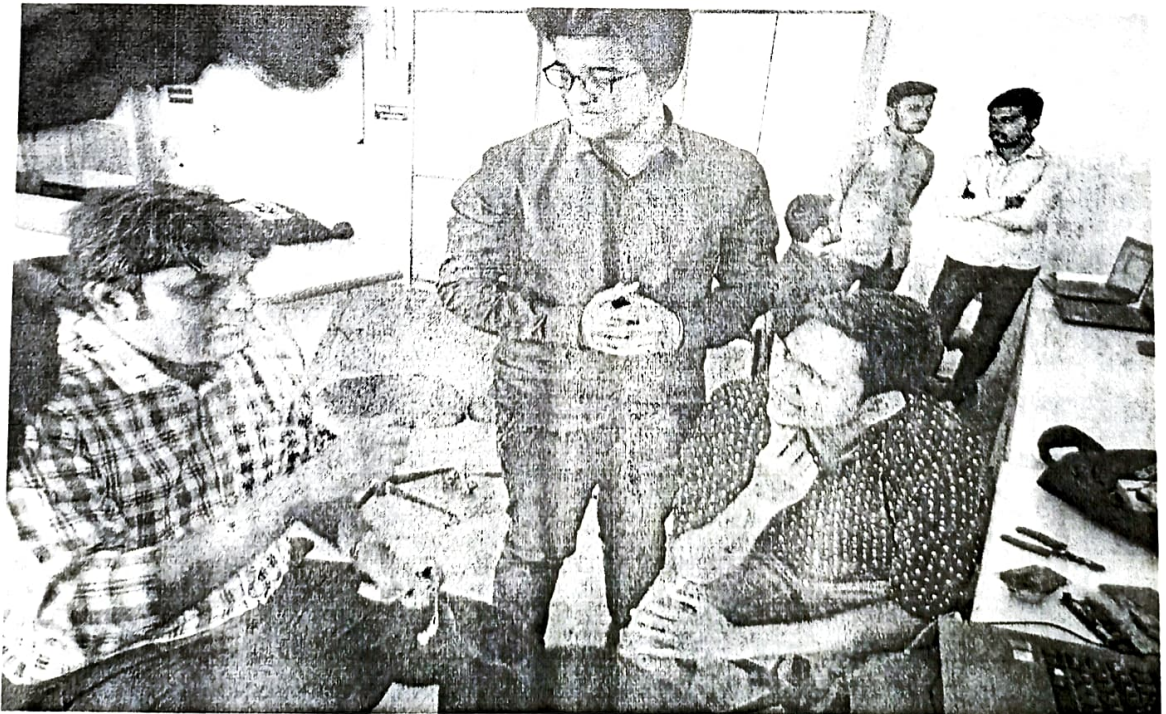

We then had the prize distribution by Prof .B.B Gite , Mr.K.S Avhad,Mr Shahaji Modhe,Mr Sambhaji Katrajkar,Miss Anagha Kulkarni. The judges were happy with the variety of projects and called this a learning experience, different from the monotonous environment of the companies.
