A report on "Debate" Competition - Techtonic 2016

The event **"Debate Competition"** organized by Computer Department was started at **11.00 a.m. On 9 Febrruary 2017, Thursday.** The event was organized at **class room number 132.** The **total no of participants** were 80.

About The Event

On 9 Feb 2017 Debate Competition was organized by Event Teacher Co-ordinator Asst. Prof. Priti Moon and supported by Event Student Co-ordinator Shivani Sharma. Topics related to debate competition were related to demonetization, budget 2017 and Engineering. Students prepared the topics on the spot within 15 min of buffer time. Judges gave point on the basis of their introduction, opening of debate, well structured argument, closing debate. There were 3 rounds in Debate Competition.

- First Round

  In First Round we made debate between pair of students. This was cut off round. We gave each debate 5 mins. In this round judges have selected 4 groups for semifinals. It was very difficult task for judges to select 4 groups as all students perform really well.

- Semi-Final Round

  In semifinals best 4 groups entered. We gave them 10 min. for debate. In this round judges selected 2 groups for final round
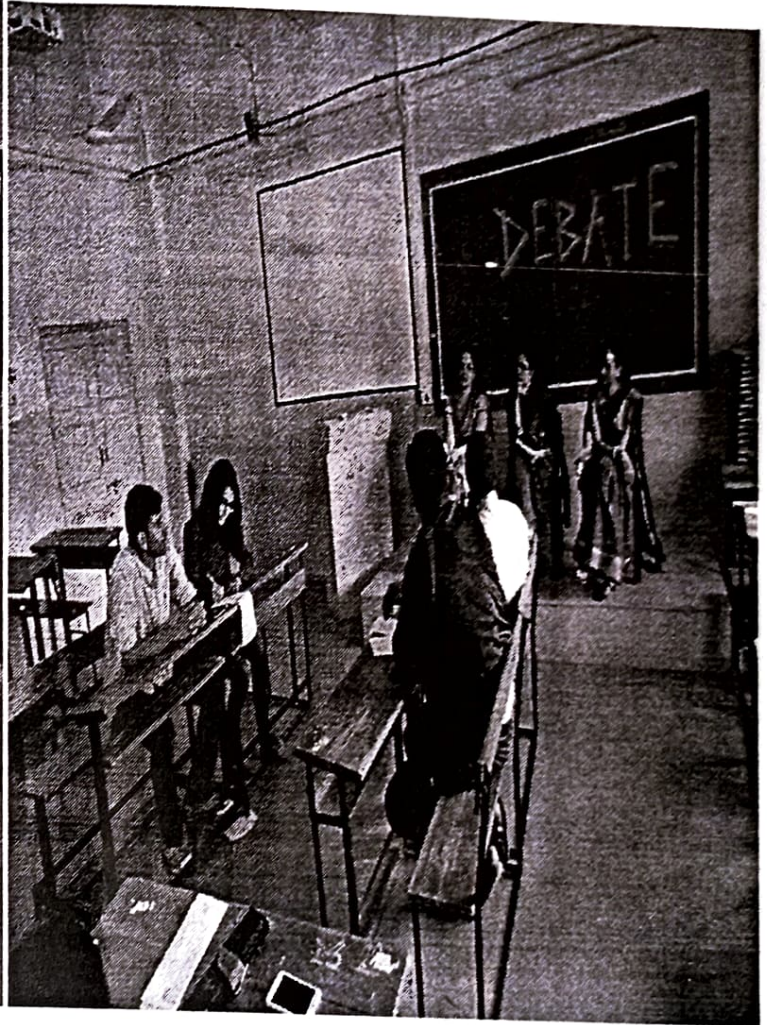

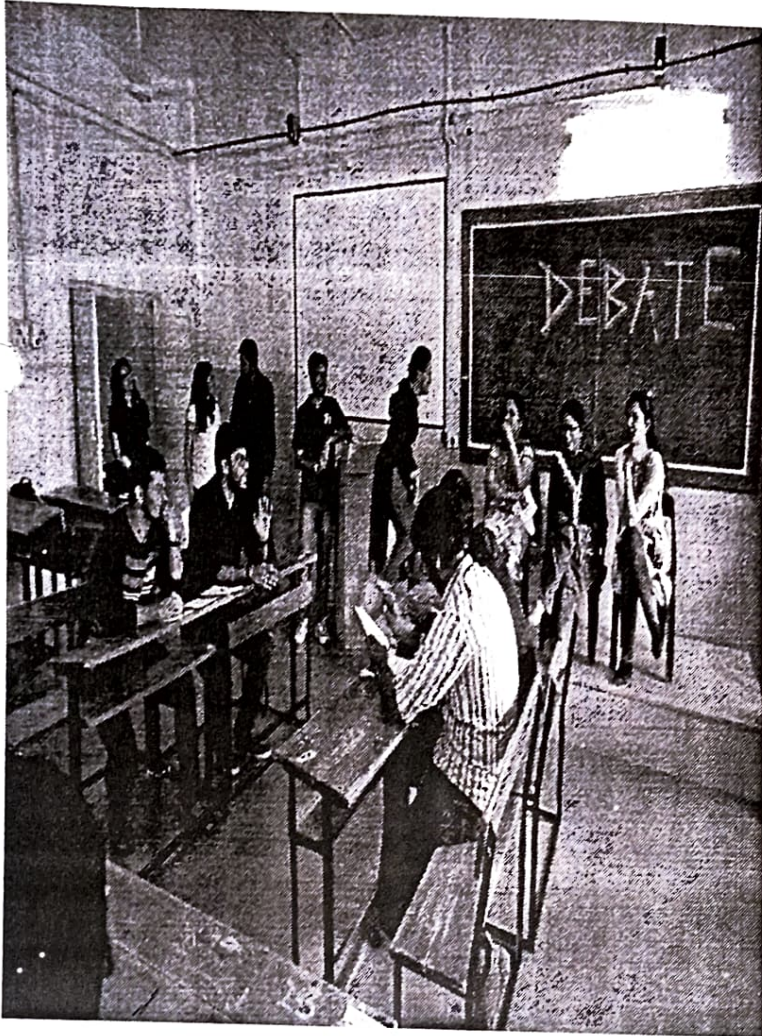

- Final Round

  In final round topic of debate was "Which is best operating system for smartphones – android, ios". Participants performance was excellent. It was difficult call for judges to select winner.

Winner – Sonaisha and Piyush
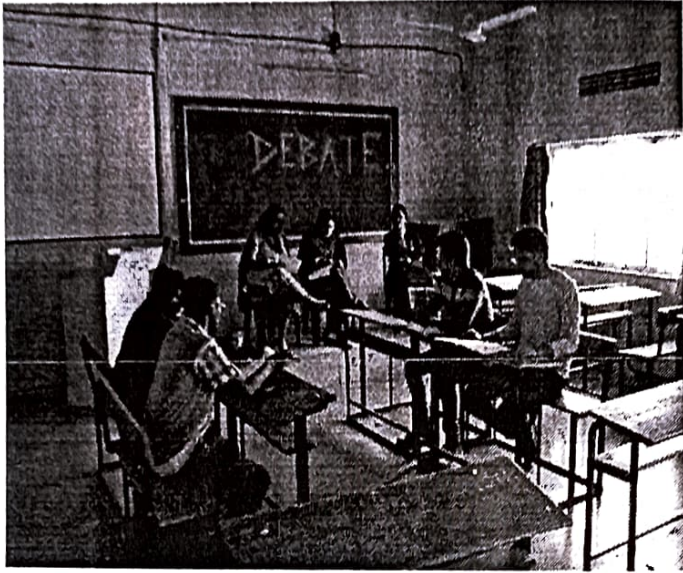

1st Runner Up – Saloni and Shrusti
