The hosts invited the mesa president Chaitanya to speak on behalf of all students and thank the teachers for the day to day efforts they put in for a better future of the students. Thereafter the HOD of mechanical dept Dr.Kore was invited on the stage to speak a few words. As always the HOD enlighten us in his short but heartwarming speech.

The programme then took a turn on the fun side. The hosts entertained us with a few cheeky comments and one liner. Then we had our first game: The debate. The topic of the debate being: Should DSE students be allowed to take part in MESA activities in the first Semester? On the 'FOR' side we had Bhosale sir and on the 'AGAINST' side we had Ghorpade sir. The debate had all the 'masala' and take-ones one had expected. There were huge cheers for each argument presented by either of the sides. The debate was such an equal that the students were divided on equal fronts and we couldn't decide a winner.

Next the students of MESA had arranged for a few awards which were a bit cheeky but in a funny way. After all the awards were distributed, we had a face recognition game which was hosted by Chaitanya. For some professors the face was easily recognized but for some a careful examination was required. All in all everyone had fun and the game was done with, with a loud round of applause.

Thereafter the programme was concluded with a vote of thanks towards the teachers by the Vice President of MESA-Prasanna. The teachers were thereafter invited for snacks and games in mechanical department. After snacks were done, the teachers played a round of Musical Chairs which brought a great view of spectacle and enjoyment for the teachers playing as well as all the spectators.
