SKNSITS/2021-22/329 Date: 27/04/2022

Report of Alumni Meet Program on 27th April 2022

SKNSITS has organized anAlumni Meetprogram on 27th April 2022. The program was started at 9.30am. Due to pandemic situation meeting has organized through MS Teams.

Welcome at College:

Dr. M. S. Rohokalewelcomed the gathering and briefed about the SKNSITS, Vision,Mission of College and the actual Moto behind the Alumni Meet program etc.

Address by Principal of College:

Dr. M. S. Rohokalehas addressed the Alumnistudents, in his address he has talked about the central idea behind the meeting. He has given the examples of various programs conducted at the College. He has also highlighted the points which will help students for their academics as well as social growth through the programs like STP activity, TNP activity, SOC activity, Student Achievement and faculty Achievement.

Major activities and contributions of this association are:

- Involvement in curriculum development.
- Conduction of seminars/Invited talks for the students.
- Support for final year projects.
- Feedback from the Alumni is being continuously received for academic development and

Career opportunities for students.

- Information about placement/ job openings across the country.
- Recommendations for curriculum modifications based on industry requirement.
- Internships for students.

Suggestion given by the Alumni:

1] Interact with students for their personal problems as well.

2]Take workshops for students to focus and improve their ambition of goal professionally.

3] Need to improve industry interaction
