Students are the future contributors of the society's wellbeing. Traffic Rule Awareness for the safety is the most neglected thing. Hence, Sinhgad Institute of Business Administration and Computer Application (SIBACA), Lonavala organised a Traffic Awareness Program on 9th June 2022 (Thursday) at Lonavala City near Kumar Resort Traffic Signal.

This activity was carried out in association with Maharashtra Police Department (Lonavala Branch). Prior permission of the Lonavala Police Station was taken for this program.

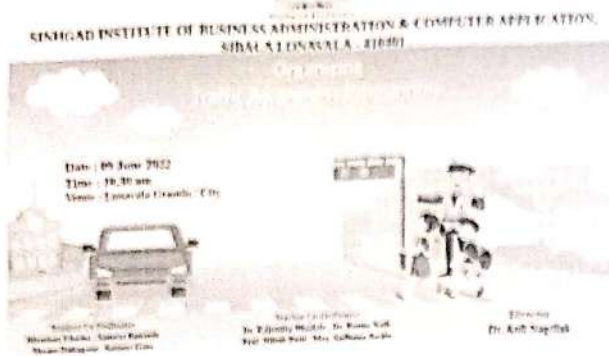

Total 40 students and all faculty members participated in the program. Students had prepared various posters on traffic awareness including slogans and traffic rules. All students gathered at college campus at 09.30 am in the morning. College arranged a bus for all the students and faculties to reach at the venue.

As scheduled the program started at 10.00 am in the vicinity of Lonavala Traffic Signal near Kumar Resort. As planned, few students interacted with pedestrian to make them aware about the traffic rules and the precautions to be taken while commuting. Another set of students were holding the placards showing the slogans and symbols of traffic rules. Rest of the students was assisting the traffic police to navigate the traffic.

The one donating blood was taken to the relaxation room for the rest of a few minutes and given certificates and refreshments. Total 115 units of blood bags were collected at the end of the day till 3 PM.

The camp ended at 3.00 pm. It was a proud moment for the students, faculty members and non-teaching staff for successfully organizing this blood Donation Camp.
