Once we passed out from college, we get busy in our day-to-day life. We always want go to college, meet old friends, revisit our happiest days and many more. But our strict schedule doesn't allow us to do it. Alumni Association makes it happen. Alumni Association strives to develop connections among alumni and institute to strengthen their commitment to SAE. Alumni meet provides platform to share their view and support for the institute. It helps to bring new technologies, build professional relations with industry and update the knowledge of economics. SAE Alumni Association was established in 2010. Till now we have organized six alumni meets, for which the response was very good.

Vision and Mission

Vision: Meet old friends, make new friends and discover new opportunities.

Mission: SAE Alumni Association provides and supports alumni programs and services, facilitates communication with alumni and seeks to strengthen alumni bonds of fellowship, professional association, leadership and the service of humanity.

Objectives

Prospective: recognizing that affinity for the SAE experience begins with the quality of the graduate student experience and is enhanced through lifelong learning and engagement.

Supportive: responding to and anticipating the needs and interests of graduate alumni must guide our efforts in promoting their personal and professional development.

Comprehensive: supporting and developing the graduate alumni network requires a “Whole of SAE” approach, one that fully integrates the efforts of all SAE’s, on campus and worldwide.

The Alumni are the face of Institute. They spread institute approach worldwide.
