Once we passed out from college, we get busy in our day-to-day life. We always want go to college, meet old friends, revisit our happiest days and many more. But our strict schedule doesn't allow us to do it. Alumni Association makes it happen. Alumni Association strives to develop connections among alumni and institute to strengthen their commitment to SAE.

Alumni meet provides platform to share their view and support for the institute. It helps to bring new technologies, build professional relations with industry and update the knowledge of economics. SAE Alumni Association was established in 2010. Till now we have organized seven alumni meets, for which the response was very good.
