Once we passed out from college, we get busy in our day-to-day life. We always want go to college, meet old friends, revisit our happiest days and many more. But our strict schedule doesn't allow us to do it. Alumni Association makes it happen. Alumni Association strives to develop connections among alumni and institute to strengthen their commitment to SAE. Alumni meet provides platform to share their view and support for the institute. It helps to bring new technologies, build professional relations with industry and update the knowledge of economics. SAE Alumni Association was established in 2010. Till now we have organized eight alumni meets, for which the response was very good.

Vision and Mission

Vision: Meet old friends, make new friends and discover new opportunities.

Mission: SAE Alumni Association provides and supports alumni programs and services, facilitates communication with alumni and seeks to strengthen alumni bonds of fellowship, professional association, leadership and the service of humanity.

Objectives

Prospective: recognizing that affinity for the SAE experience begins with the quality of the graduate student experience and is enhanced through lifelong learning and engagement.

Supportive: responding to and anticipating the needs and interests of graduate alumni must guide our efforts in promoting their personal and professional development.

Comprehensive: supporting and developing the graduate alumni network requires a “Whole of SAE” approach, one that fully integrates the efforts of all SAE’s, on campus and worldwide.

Inclusive: our approach must also enliven and enrich the lives of graduate alumni by reinforcing an atmosphere of fellowship.

The Alumni are the face of Institute. They spread institute approach worldwide. Alumni supports placement activities, they are invited as Resource persons on areas of their expertise, work as Examiners for practical examinations / Project evaluation, Participation in curriculum add on courses, Work as Judge for contests organized at the Institute and render Industrial Training & arranges visits to their industries. So many activities performed by Alumni, and to keep track of all these activities communication is important.

To foster the need of communication with Alumni in institute, Alumni Association is established at Sinhgad Academy of Engineering in the year of 2010. The Vision of Alumni Association is “Meet old friends, make new friends, and discover new opportunities!” In view of the vision, the mission statement is, “SAE Alumni Association provides and supports Alumni programs and services, facilitates communication with Alumni, and seeks to strengthen Alumni bonds of fellowship, professional association, leadership and the services of humanity”. Till date eight Alumni meets have been arranged at SAE for which we got huge response.

-----Civil Department Alumni Meet-----

The Alumni Meet Event was organized online by Civil Engineering department on 12th of February, 2022 at 4:30 pm. As this whole event was conducted virtually the alumni and teachers were invited using digital invites and messages. The event started off with a welcome from the anchors.

The Alumni of this college are working in various fields like education, social, Sports, drama, cultural, politics, etc. The aim or the objective of the establishment of Alumni Association is to develop and to maintain long term relationship in the alumni working in different fields. It is a very active alumni working for the development of the college. Sinhgad academy of Engineering Alumni Association has contributed immensely to the development of college students and the academic endeavors of the college. The various alumni are invited by different departments of the college for the guest lectures and to give the knowledge of industries, National Laboratories and the new development in the various fields to the college students regularly.

For this online program the invitation was given by the alumni committee to the college alumni through personal email and Whats App. A Whatsup group was also run by the alumina association from so many days. The flyer of the program was spread through the electronic media.

----E&TC Department Alumni Meet-----

Virtual Alumni Meet Report

The Alumni Association of “*Sinhgad Academy of Engineering*” organized “*ALUMNI MEET 2022*”- a programme to facilitate, consolidate and coordinate Alumni Activities *on 12th February 2022*. The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements . *ETSA* arrange this event for seniors every year , but this time it was a unique one as it was arranged virtually due to pandemic. As you all know students were very enthusiastic about the function in offline mode but the event could not be held offline, hence we decided to celebrate theevent online.

The programme started with the welcome speech of our *Principal Dr. K. P. Patil* sir who addressed the seniors by wishing them a great career ahead.

We had put some fun activities for students as game online. It had two sections. The 1st game was easier than the 2nd. We showed them photos in zoomed in portion. And asked them to guess. The answer was to be given 1 point; 3 points in the difficult round. The person with the most points by the end of the game wins!
