Savitribai Phule Pune University,
Pune.

Subject: Requesting for corrective action on syllabus feedback analysis.
(Suggestion for syllabus drafting for B.E. Civil 2019 Pattern)

Subject/Code	Suggested addition in Term Work
Computer Programming in Civil Engineering	Hands on practice for Python software applications such as Python Programming and Python programs for civil engineering problems.

We have taken feedback on syllabus from students, teachers, and alumni as it is our regular activity of every academic year. We have done analysis of that feedback and on that basis, we are suggesting latest software to be added in the forthcoming revised Civil Engineering syllabus of 2019 Pattern. It includes latest software to be added in the forthcoming revised Civil Engineering syllabus of 2019 Pattern viz. Python Programming and Python programs for civil engineering problems. It will improve Employability of our final year students.

Thank you.

Your's sincerely,

(Prof. R.B. Bajare.)

The,
Board of Members,
Department of Computer Engineering,
Savitribai Phule Pune University,
Pune.

Subject: Requesting for corrective action on stakeholder feedback analysis.

Respected Sir,

We have taken feedback on syllabus of students, teachers, and alumni, as it is our regular activity of every academic year. We have done analysis of that feedback and on that basis, we are suggesting few things to be get added in Computer Engineering syllabus.

1. Deep learning and Cyber security.
2. AWS cloud should get added in upcoming syllabus.

Please, consider our suggestion and take action needfully.

Thank you.

Your's Sincerely,

(H.O.D)

Subject: Requesting for corrective action on stakeholder feedback analysis.

Respected Sir,

We have taken feedback on syllabus of students, teachers, and alumni, as it is our regular activity of every academic year. We have done analysis of that feedback and on that basis, we are suggesting few things to be get added in E&Tc Engineering syllabus.

1. Data Science and Cyber security should be included in syllabus.

Please, consider our suggestion and take action needfully.

Thank you.

Your's Sincerely,

(H.O.D.)

The,
Board of Members,
Department of Engineering Science
Savitribai Phule Pune University,
Pune.

Subject: Requesting for corrective action on syllabus feedback analysis.

Respected Sir,

Solving problems and thinking critically are two skills that can help our children succeed in today's work environment. CEOs ranked creativity as the most essential leadership attribute they were seeking for in employees in a recent IBM poll.

We solicited feedback on the syllabus from students, professors, and alumni, as is our customary practise throughout the academic year. We analysed the feedback and, as a result, we've proposed a few changes to the Engineering Science curriculum.

1. Communication skill and personality development.
2. Leadership and Quality Improvement Program.
3. Place a greater emphasis on hands-on and project-based learning.

Introduction to above program, we are available to assist and evaluate our students.

Thank you.

Your's sincerely,

Dkaur

Subject: Requesting for corrective action on stakeholder feedback analysis.

Respected Sir,

We have taken feedback on syllabus of students, teachers, and alumni, as it is our regular activity for every academic year. We have done analysis of that feedback and on that basis; we are suggesting few topics to be included in Information Technology syllabus.

1. Blockchain Technology to be introduced in syllabus.
2. Curriculum should have the topic like Bioinformatics dealing with application of IT in field of life sciences.

Please, consider our suggestion and kindly do the needful.

Thank you.

Yours Sincerely,

(H.O.D)
