### **Student Satisfaction Survey Report (2021-2022)**

Sinhgad Institute of Business Administration and Research (SIBAR) is committed towards all-round development of the students. The institute always conducts co-curricular and extra-curricular activities for the holistic development of students. The institute organizes industry visits, cultural events, sports events, group discussions, workshops, seminars, and many learner oriented activities. The institute considers the inputs and feedback from the students very important to bring relevant and fruitful changes in the institute. The student feedback considerably showcases the actual quality of teaching-learning process thereby enabling identification of the strengths of teaching as well as the possible areas for improvement.

Student Satisfaction Survey (SSS) was conducted online to understand the effectiveness of teaching-learning in the institution. A questionnaire was shared with students to collect the feedback. The institute encouraged the students to take active participation in Student Satisfaction Survey. Total 174 students from MBA and MCA participated in the Student Satisfaction Survey.

The survey questions included parameters like syllabus, course outcomes, mentoring, usage of ICT tools for teaching, internships and other activities. The survey revealed that the students were very satisfied with the overall teaching learning process. The students were highly satisfied with the faculty, syllabus coverage, teaching methodology, faculty interaction with the students, internships and the facilities provided by the institute.
