REPORT: BRIDGE COURSE – Finance for Non-Finance

Program Details:

Day: Monday & Tuesday

Date: 3-4 January, 2022

Time: 10:00 am – 1:00 pm

Venue: Platform used - Microsoft Teams

Participants/ Attendees: 89

Event Objective(s):

The newly admitted students of MBA First year come from a diverse geographic and educational background. There is a gap that is identified by the institute that puts a few students in an apprehensive position with regards to their ability to grasp finance or accounting as a subject. The non-commerce graduates especially feel a lag in terms of understanding some of the concepts in Finance. Bridge Course is a preparatory course, that can be considered as supplementary knowledge that is provided to students to impart basic knowledge in them about the advanced subjects that will be taught to them in the upcoming semester. It is a connecting courses that connect a student's previous course and the course student has joined so that he/she does not have to begin from the start of the course.

Guest Speaker Profile:

Dr. Prachi Pargaonkar is currently the Director at SKN's Sinhgad School of Business Management. Maam is a Chartered Accountant and holds a Doctorate in Finance. She has done her Masters in Commerce & FCA. Dr. Prachi has held various positions at Sinhgad management Institutes starting from her role as a faculty member to being Dean, Joint Director at Narhe campus and now finally

taking over as Director of SKNSSBM Ambegaon campus. Her association with Sinhgad has been a long journey. Maam conducts a number of training programs in the areas of Accountancy and Finance. Dr. Prachi Pargaonkar has published a number of Papers in National and International Journals of repute.

Event Brief:

The Bridge Course idea was sparked by the deliberations on composition of students of various educational and geographic backgrounds. The Course was discussed and planned over a period of two days so as to enable students absorb the concepts and understand the application of these concepts. The trainer clarified the concepts and laid a foundation for the students to comprehend financial figures and be able to make decisions rather informed decisions based on the readings of the content taught.
