3. SIOM Incubation Centre:

Entrepreneurs are regarded as national assets that should be cultivated, motivated and remunerated to the greatest possible extent. They can change the way we live and work. They not only create wealth from their entrepreneurial ventures, but also create jobs and the conditions for a prosperous society, which can produce a cascading effect or virtuous circle in the economy. The stimulation of related businesses or sectors that support the new venture furthers the economic development.

Several brainstorming sessions and deliberations at SIOM by Alumni, Director SIOM and Faculty members has given shape to, and is at the verge of giving birth to its Start-up cell "SHRUJAN... a SIOM initiative".
