Report on Career Counseling: Entrepreneurship as a  
Career

## About Us

Sinhgad Institute of Management has carved a niche for itself in the field of Management education through academic excellence and Innovative Teaching Learning Process. Since its inception in 1994, Sinhgad Institute of Management remains the most preferred institute among MCA aspirants because of eminent Faculty, Research and promising career opportunities. Sinhgad Institute of Management works with a mission of Holistic Development of students through unique pedagogy, Research industry interface and Socio-environmental connect. This is exemplified by consistently securing the top ranks in Pune University and two consecutive accreditations by National Board of Accreditation.

## Our Mission

Holistic development of students and teachers is what we believe in and work for. We strive to achieve this by imbibing a unique value system, transparent work culture, excellent academic and physical environment conducive to learning, creativity and

technology transfer. Our mandate is to generate, preserve and share knowledge for developing a vibrant society.
