

REPORT: Eye Checkup Camp

Program Details:

Date: 6TH JULY 2022

Time: 10AM to 01PM

Venue: SIBAR Examination Room

Participants/ Attendees: About 151 students and staff members.

Event Objective(s):

The objective of this event was to spread awareness on eye disorder, their early detection and detect refractive errors and eye ailments.

Event Brief:

A team of Eye specialists from Smt. Kashibai Navale Medical College and General Hospital headed by Dr. Shashank Ghawate with 6 residents came to do eye checkup at SIBAR.

Students from SIBAR, Teaching and non-teaching staff took active participation in this camp.

The camp was advantageous for the students as they got an opportunity to know more about various aspects of eye care.

The doctors brought well-equipped eye examination tools to examine the students effectively. They also spoke to the students about how to increase awareness and improve access to eye healthcare services. The students also asked the queries they had in their mind which were

1)FIRO-B

The FIRO-B(Fundamental Interpersonal Relations Orientation-Behavior™) instrument helps individuals understand their behavior and the behavior of others. With the insights of an individual's interpersonal needs it can help improve workplace interactions.

2)MBTI

Myers Briggs Type Indicator. This is a tool which is frequently used to help individuals understand their own communication preference and how they interact with others. Having an awareness of what MBTI is can help you adapt your interpersonal approach to different situations and audiences.

3)Abstract reasoning

Abstract Reasoning is most closely related to fluid intelligence: our ability to quickly reason with information to solve new, unfamiliar problems, independent of any prior knowledge. It includes lateral and flexible thinking, logical reasoning, and generating solutions beyond the most obvious.

4)Learning style inventory

Learning style inventories are designed to help respondents determine which learning style they have. These inventories typically take the form of a questionnaire that focuses on how people prefer to learn. Respondents choose the answers that most closely resemble their own preferences. All these test were taken and evaluated how to improve on for becoming future ready managers.

REPORT: Blood Donation Report

Program Details:

Day: Friday

Date: 30/12/2023

Time: 10:30 am

Venue: Sibar, Pune

Participants/ Attendees: 28

Event Objective(s):

To understand and make awareness regarding blood donation camp.

Event Brief: Blood Donation Camp On, 30/12/2021.

A blood donation camp was organized in our Institute on 30-12-2023. It was held in the Room no 13. All the preparations such as arrangement of beds, sanitation etc. were made. A team of doctors and nurses from the local hospital had reached in time. The Chief Guest of the Camp was Mrs. Snehal Navale. She inaugurated the Camp by cutting the ribbon with her Dr. Dhananjay Mandlik (Director SIBAR), Dr. S.D. Sawant (principal SKNCOP) and Dr. Patil (Principal SAE, Kondhwa) (Dr. Wazal Principal SCOC) were also present. The blood bank which was called by our institute was Smt. Kashibai Navale General Hospital Blood Bank, Narhe Pune. The students of our Institute and the other Institutes besides the people of the city were participating in the camp. Staff members were also enthusiastic for donating their blood. They laid on bed with a soft ball in their hands. Then the process of extracting the blood started. The process took more than 20mins for each donor. Our Director Dr. Dhananjay Mandlik had donated blood keeping in mind the social duty.

There were also very prominent students & people who were there to donate blood. The Blood Donation Camp continued till 5:00 pm. It was certainly a memorable day for us. All staff members decided to donate blood in future as well.

Event Brief:

Activities

- 1) Breast Cancer Awareness speech & Checkup
- 2) Cervical Cancer Awareness Speech & Checkup

According to the National Breast Cancer Foundation, when breast cancer is detected early and hasn't spread to anywhere else in the body, the 5-year relative survival rate is 99 percent. "That's why being proactive about your health through early detection is so important," says Dr

What can you say about breast cancer awareness? Awareness surrounding breast cancer is incredibly important as early detection, often through screening, can catch the disease when it is most treatable. According to the American Cancer Society (ACS), breast cancer is the most common cancer in American women, except for skin cancers. Cancer awareness is the key to early detection and better health-seeking behaviour. Cancer is quite common in both developing as well as developed countries, but awareness is yet poor among the general population. Poor awareness may lead to poor uptake of screening modalities and delay in diagnosis.

सिंहगड महाविद्यालयाच्या विद्यार्थ्यांनी राबवला उपक्रम किल्ला स्वच्छता मोहिमेतून जनजागृती

■ राष्ट्रसेवार न्युज नेटवर्क

पुणे : सिंहगड इन्स्टिट्यूट ऑफ बिझनेस अडमिनिस्ट्रेशन अँड रिसर्च, कोढवा (सिबार) येथील एम. बी. ए. च्या पहिल्या व दुसऱ्या वर्षातील विद्यार्थ्यांनी सिंहगड किल्ल्यावर स्वच्छता मोहिम राबविली.

विद्यार्थ्यांनी सर्व प्रथम सिंहगड किल्ला पावी चट्टन नखोर तानाजी मातुसरे याच्या प्रतिमेचे दर्शन घेत शिवगर्जना देऊन गडाची स्वच्छता करत पर्यटकांना स्वच्छता, फिटनेस आणि एकतेचे संदेश दिले. या उपक्रमासाठी मुलांबरोबरच मुलींवाही सहभाग मोलाचा ठरला. या प्रसंगी ७१ विद्यार्थी आणि प्रा. कौस्तुभ वोरकर व प्रा. क्रितीका उपस्थित होते. सिबार आणि सिंहगड

स्वच्छता मोहिमेतून पर्यावरणाचा संदेश

■ सिंहगडावर पाव वाटेने जाणारे अनेक पर्यटक दरीच्या दिशेने प्लास्टिकच्या बाटल्या, पिश्या, धर्माकोल, दारूच्या बाटल्या भिरकावतात. अशाप्रमाणे हा कपरा दरीत अडकून बसतो. निसर्ग संवर्धनासाठी राबविण्यात आलेला सिंहगड महाविद्यालयाचा उपक्रम विद्यार्थ्यांना पर्यावरण जनजागृतीपर संदेश देणारा होता.

इन्स्टिट्यूट कोढवा कॅम्पस ये. प्रा. डॉ. धनेजय महालिक यांच्या विशेष मार्गदर्शनातून विद्यार्थ्यांनी विविध उपक्रम राबविले.

या उपक्रमाविषयी बोलताना प्रा. डॉ. धनेजय महालिक म्हणाले, छत्रपती शिवाजीमहाराज यांनी स्वराज्य निर्माण केले ते गड किल्लांच्यामाध्यमातून. मात्र यातील काही गडकोटाची अवस्था बिकट झाली आहे. यामध्ये सिंहगड किल्लाचा समावेश आहे. या किल्लाची स्वच्छता,

साफसफाई करून गड सवर्धनाचे काम तरणाडूने केल्यास त्यांच्यात पर्यावरणविषयी जनजागृती वाढविण्याचे काम होईल. याप्रमाणे महाविद्यालयाच्या माध्यमातून असे उपक्रम राबविले जातात. संस्थेचे संस्थापक अध्यक्ष प्रा. एम. एन. नवले, संस्थापक सचिव डॉ. सुनंदा नवले, संस्थेच्या उपाध्यक्ष रचना नवले अष्टकर, उपाध्यक्ष रोहित नवले यांनी या उपक्रमासाठी विद्यार्थ्यांचे विशेष कौतुक केले.

REPORT: CSR Visit to Mamta Foundation

Program Details:

Day: Tuesday

Date: 03 January 2023

Time: 11am - 01pm

Venue: Mamta Foundation

Event Objective(s):

1. To cultivate a spirit of social responsibility amongst the students.
2. To provide platform for students to learn the way NGOs work for the benefit of society.
3. To apprise students about rising health concerns especially HIV/ AIDS.

Event Brief:

Sinhgad Institute of Business Administration and Research Pune conducted a CSR visit for MBA first and second year students. Mamta foundation is a top player in the category NGOS in the Pune established by Mrs Shilpa Budukh. This foundation provides shelter to HIV Children in the age group of 4 years to 20 years.

Students had a discussion with the residents & asked about their routine. To help them with academics and career opportunities students took the initiative and exchanged the numbers to be in touch with them. Then snacks & stationery was distributed to Mamta Children. After breaking the ice, residents of Mamta foundation showed the handicrafts to our students and to encourage their skills students bought those items. This visit helped to raise awareness about the disease and forms of combating it to avoid social stigma and reduce anxiety among individuals in society.

मा. महोदय/महोदया,

ममता फाउंडेशन हे एच.आय.व्ही. बाधित अनाथ निराधार मुला मुलींसाठी निवासी वसतीगृह आहे. सध्या ४ ते २० या वयोगटातील ३५ मुले-मुली प्रवेशित आहेत.

आज आपण वैयक्तिक/आपल्या मंडळ/मार्फत स्वच्छ भेट या निमित्ताने संस्थेतील मुलांना मदत केली. आपले हे मदतकार्य अतिशय कौतुकास्पद व महत्त्वपूर्ण आहे. आपण आपला बहुमूल्य वेळ देऊन आमच्या कार्यास हातभार लावला याबद्दल आम्ही आपले अत्यंत आभारी आहोत. आपण केलेली मदत ही सत्कारणी लागेल याची आम्ही ग्वाही देतो. या निरागस मुलांना आपल्या प्रेमाची सहकार्याची सदैव गरज राहिल.

आपल्याकडून मुलांना पुढील मदत मिळाली.

मुलांसाठी खाऊ व क्लेशनरी
(केक, बिस्किट, वेफर्स, इ.)

धन्यवाद !

आपले विनीत

Program Details:

Day: Friday to Tuesday

Date: 8th July to 12th July 2022

Venue: Industrial Visit to Parle-G at Hyderabad

Participants/ Attendees: 27 students (MBA-I & II year students) & 2 Faculty Members

Event Objective(s):

- Team Building
- To know actual working style of corporate world
- Communication skills
- Personality development through job requirements
- General awareness

Event Brief:

Sinhgad Institute of Business Administration and Research, Kondhwa, Pune has organized an outbound learning program cum Industrial Visit to Hyderabad for our MBA students between 08/07/2022 to 12/07/2022.

Industrial Tour Details:

Parle-G visit :

Parle-G, a company established nearly a century ago is today's most loved brand of biscuit & confectionery segment.

Parle-G is having variety of products manufacturing like different types of biscuits especially Parle-G glucose & Hide & seek manufacturing plant located over there. Daily 1550-1600 packets going for sell out for these two products. Students learned the manufacturing procedure, various machinery used into process, time management, packing techniques, EOQ technique used in purchasing, operation & supply chain management etc.

Students were very impressed by knowing such systematical way of working in Parle-G. In reality they went through G means Genius. The company representative addressed students & apprised them that Parle-G is a company not only as a name on the consumers tongue, but a brand that our country India resonates with. It has very systematically researched its consumers.

The representative then informed students on how Parle-G focuses on quality, nutrition, & superior taste. The students were then shown some videos to reinforce their observations.

Salarjung Museum: This museum has 38 galleries with 20 galleries on the 1st floor while the rest 18 galleries on the 2nd floor. There are several valuable items on display at the museum including the famous statue, Veiled Rebecca.

NTR Garden: Deemed as one of most expensive gardens in India, the NTR Garden is a popular attraction of the city of Hyderabad. Sprawling across an area of 55 acres, it houses the memorial of the great leader of Andhra Pradesh, Late N T Rama Rao.

Lumbini Laser show: Developed in 1994 by the Hyderabad Urban Development Authority, Lumbini Park has been named after the birthplace of Lord Buddha. Students were informed about learnings of Lord Buddha apart for just viewing the show. Lord Budha constantly reminded his disciples that learning is endless and that learning should not restrict to self but should radiate like a laser to all.

10 July :

Ramoji Film City : A stage to observe & know how strategies were used in a movie like Bahubali that was shot in R.F.C. One of the largest film studios in the world. It is also listed in the Guinness Book of World Records. It tops the list of most amazing things to do in Hyderabad. Its brilliant architecture and sound technical facilities make it suitable for all the pre and post production of a film.

Birla Mandir: Located atop a 280-foot-high hillock of Kalapahad, the beautiful Birla Mandir has derived its name from the industrialist Birlas who have constructed Birla temples in various parts of the country. The temple has an 11 ft. tall statue of Lord Lakshminarayana with a magnificent lotus carved around it.

• **11 July :**

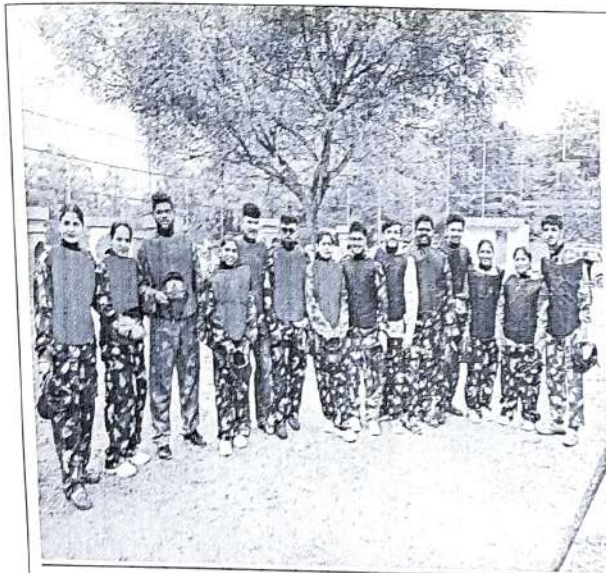

Golkonda Fort : Built by Qutub Shahi Kings, Golconda fort presents an impressive structure, with eight gates and 87 bastions. It is only 11 km away from the city and is well connected as well.

Charminar : The iconic symbol of Hyderabad, the very well known Charminar is located in the Old City. It was built by Sultan Mohammed Quli Qutb Shah in 1591 in the honor of his wife Bhagmati. Also referred to as the 'Arc de Triomphe of the East', Charminar is adorned with four towers in each corner.

Visit to Bombay Stock Exchange (BSE) & Reserve Bank of India(RBI) Monetary Museum (Mumbai)

Program Details:

Day: Wednesday

Date: 7th December 2022

Venue: BSE & RBI Visit

Participants/ Attendees: 71 students (MBA-I & II year students) & 6 Faculty Members

Event Objective(s):

- Updating the knowledge of financial terms
- To know actual working of BSE & RBI
- How to invest in stock market?
- Online procedures of stock market & market trends
- Improving knowledge of Stock market & banking operations
- General awareness about market up & downs
- How stock market or RBI policies impacting on GDP & NI?

Event Brief:

Sinhgad Institute of Business Administration and Research, Kondhwa, Pune had organized Visit to BSE & RBI for our MBA students on 7th December 2022. The journey started at 5 am from SIBAR Kondhwa campus. Three batches with (25 students each) were taken for visiting BSE & RBI.

BSE Limited, also known as the **Bombay Stock Exchange (BSE)**, is an Indian stock exchange which is located on Dalal Street in Mumbai. Established in 1875 by cotton merchant Premchand Roychand, it is the oldest stock exchange in Asia, and also the tenth oldest in the world. The BSE is one of the world's largest stock exchanges by market capitalization.

Students enthusiastically observed to know the actual working of BSE, their share trading, investment patterns, portfolio management and capital market working procedures. They learned the practical financial knowledge through this visit.

Then students went to know the **RBI Monetary museum** in the afternoon. RBI Monetary Museum or Reserve Bank of India Monetary Museum is a museum in Fort, Mumbai that covers the evolution of money in India, from the earliest barter system and the use of cowries to paper money, coins, stock markets and modern-day electronic transactions to crypto currency.. Finance students understood monetary evolution through this visit which is actually a part of their curriculum. Another aspect of visiting the museum is research studies conducted in the past and probable future researches, that will aid in understanding any country's economy build-up.

The students learned through observing how trading is actually done, and also understood how the market affects stock prices & eventually trading.

The design Mr. Rajendra Pande briefed students and explained several areas of trading, starting from basics of how to trade, and how one has to be very rather be extremely prompt in decision making, so as to not be on a losing side.

abroad. The principal focus for those pilgrims is the Golden Temple and its complex of several adjacent buildings located around the tank.

- **Jalinwala Baug** - A short distance away from the Golden Temple complex is a spacious park, Jallianwalla Bagh, where on April 13, 1919, British colonial government troops fired on a crowd of unarmed Indian protesters, killing 379 of them and wounding many more. The site of the Massacre of Amritsar—as that incident came to be called—is a national monument. Another violent political clash took place in Amritsar in 1984, when troops of the Indian army attacked hundreds of Sikh separatists who had taken up positions in, and heavily fortified, the Golden Temple complex.
- **Wagha border** - Wagah also spelled Wagha, is a village and union council (UC 181) located in the Wahga Zone near Lahore City District, Pakistan. The town is famous for the Wagah border ceremony and also serves as a goods transit terminal and a railway station between Pakistan and India. Wahga is situated 600 metres (2,000 ft) west of the border and lies on the historic Grand Trunk Road between Lahore and Amritsar in India.

14 April : **Kullu** - Kullu is a municipal council town that serves as the administrative headquarters of the Kullu district of the Indian state of Himachal Pradesh.

Kullu Valley is sandwiched between the Pir Panjal, Lower Himalayan and Great Himalayan Ranges, located in Northern India, 497 k.m. away from the capital of

India. Adventure activities were done by students in this tent stays like paragliding & river rafting.

Snow point (solang valley, atal tunnel) - Solang Valley derives its name from combination of words Solang (Nearby village) and Nallah (water stream). It is a side valley at the top of the Kullu Valley in Himachal Pradesh, India 14 km northwest of the resort town Manali.

- **Hidimba devi temple** - Hidimba Devi Temple, locally known as Dhungari Temple, [1] also known variously as the Hadimba Temple, is located in Manāli, a hill station in the State of Himāchal Pradesh in north India. It is an ancient cave temple dedicated to Hidimbi Devi, wife of Bhima, a figure in the Indian epic Mahābhārata.
- **Vasisht Ashram** - Vashisht is a village in Kullu district, Himachal Pradesh, India. It is a popular tourist place. Vashisht is a village located 3 km from Manali across the River Beas. This village is famous for its sulphurous hot water springs and sanctified by three main temples dedicated to Lord Vashisht, Lord Shiva and Lord Rama built just next to the springs.

17 April Journey: proceed to kullu...Manali is a town, near Kullu town in Kullu district in the Indian state of Himachal Pradesh. It is situated in the northern end of the Kullu Valley, formed by the Beas River.

Subject: Approval for Industrial Visit- 2022 at Kullu-Manali-Amritsar

Respected Sir/Madam,

We are organizing industrial visit at Kullu-Manali-Amritsar for MBA students in 1st week of April 2023. Approximately there would be around 60 students including MBA-I & II year students. *We have routed this visit through Punekar Edu. Tours Forum.*

Being management institute, industrial visit is a part of their curriculum activity for the development of students. It will help the students to enhance knowledge through practical experience.

Details of industrial visit at Kullu-Manali-Amritsar attached herewith this letter. All expenses for industrial visit will bear by students.

Name of IV Coordinator: Prof. Urmila Nikam

Location: Kullu-Manali-Amritsar

Dates: April, 2023

We request you to grant us the permission for the Industrial Visit.

Thanking you,

Prof. (Dr.) Dharmarajy Mandlik

Director, SIBAR

Bridge Course (2020-2022)

As the guide lines of SPPU, the main purpose of the Bridge Course in Master of Computer Application (Pattern 2020) is to bring all students on a uniform platform, it has 4 Credits with 60 Hrs. The evaluation and assessment will be done at Institute Level through the mode of Objective Type Question (MCQ, fill in the blank, True or False) having total course Marks weightage of 100 Marks.

List of Courses:

Sr.No	Course	Total Marks Weightage	Total No. of Sessions
1.	Essentials of Networking	15 Marks	8 Hrs
2.	Introduction to Web Technology	15 Marks	8 Hrs
3.	Fundamentals of Programming/ Problem solving techniques	15 Marks	8 Hrs
4.	Fundamentals of Database Management System	15 Marks	8 Hrs
5.	Fundamentals of Applied Mathematics	10 Marks	7 Hrs.
6.	Fundamentals of Operating Systems	10 Marks	7 Hrs.
7.	Recent trends in IT and Job opportunities	10 Marks	7 Hrs.
8.	Fundamentals of Information systems((various Business Processes Domains)	10 Marks	7 Hrs.

Students here learn the skills and knowledge they need to succeed in their new academic program or career field. In essence, Bridge Courses serve as a bridge between where a student is now and where they want to go, helping them overcome obstacles and achieve their goals.

We have successfully conducted these sessions and the students are really happy with this program, as the students belong to different backgrounds in their graduation level. This course had truly motivated and boosted their confidence levels in understanding all the fundamental basic concepts related to various computer subjects & hands on practical sessions for some of the subjects also helped them & made ease of understanding and adapting to the various upcoming technologies.

One Day Workshop on Responsive Website Development

REPORT

Date: **22nd June 2022**

Time: **1:30PM to 5:00PM**

Venue: **Lab-2, SIBAR-MCA**

Registrations: **65**

Co-ordinator: Dr.Farhana Desai

A One Day Workshop on “Responsive Website Development” was organized under Institution Innovation Council, SIBAR-MCA on 22nd June 2022.

The objective of the workshop was to motivate students for creating a responsive and effective website with graphic design ideas that relate to web design and learn how to implement the theory knowledge into a user friendly design framework. The students could use various design layouts in bootstrap and were able to host the website created by them. The combination of HTML, CSS and Javascript could help to design a responsive website.

The workshop was conducted by Mr. Swami Panjala Founder & CEO of Elite Softwares, Pune. Since 2011 more than 1000 clients in Website development, application development and company having own products as school ERP, College ERP, recruitment portal and CRM software. During academy 6000+ students trained for web development and for self employment. There were nearly 200+ start ups launched after technical workshop.

Key Outcome:

Following were the key outcomes of the one day workshop:

- a) Structure and implement HTML/CSS
- b) Apply intermediate and advanced web development practices like Bootstrap
- c) Apply various design layouts of Bootstrap
- d) Use external code packages for the working result
- e) Develop a responsive website and host it on a web server

The workshop was fruitful to the students as they very well understood and implemented their responsive website designing skills.

Poster Competition

"Quest for App"

REPORT

Date: **8th June 2022**

Time: **3PM to 7:30PM**

Venue: **Reading Hall, MCA Library, SIBAR**

Registrations: **71 (Groups 17)**

Co-ordinator: Pramodini Dange, Dr.Farhana Desai

A poster competition "Quest for App" was organized under Institution Innovation Council, SIBAR-MCA on 8th June 2022.

The objective of the competition was to motivate students for brainstorming and generating innovative ideas to handle projects. We are living in the era where we are using gadgets for our mundane tasks including teaching-learning too. The idea behind this poster competition was to make students understand the innovation methodology behind popularity, success of various mobile/web applications that we use in our daily routine, also to study architectural framework, startup ideas and move towards acquiring necessary skills for developing such applications.

The posters were evaluated based on the parameters; Innovative Idea, Creativity, Communication Skills, Depth of research, Design and Theme and Overall Grade.

The posters were evaluated by a panel of three judges; two from academia and one from industry:

1. Dr. Netra Patil, Director, SIBAR-MCA, Pune
2. Mr. Rohit Sawant, Founder, CEO, Narmware Software, Pune
3. Dr. Prachi Murkute, Assistant Professor, SIBAR-MBA, Pune

Key Outcome:

17 groups of 66 students presented their Posters to the judges and received very insightful remarks and suggestions for research and further development of ideas. Initially the event was planned for two hours but extended for another two and half hours as the enthusiasm amongst the judges, students and faculty members was overwhelming because each poster group wanted to showcase their poster ideas. All groups presented their posters well and cash prizes were awarded to first three winners of the competition:

Group No.	Poster Title	Prize
9	Whats App	I
5	Spotify	II

Sowing the IPR Seed

REPORT

Event Type:- IPR Awareness.

Date: 15 July 2022, 11.20am to 12.30 pm

Mode: Online on MS Teams

Participants: 165

Speaker: Pankaj PBorkar

Coordinator and SPOC: Archana Nair

The Ministry of Education's Innovation Cell (MIC), in collaboration with All India Council for Technical Education (AICTE), has launched the "**Kalam Program for IP Literacy and Awareness (KAPILA)**". It aims at creating awareness about IPR and form an IPR Eco-system in the country by the means of higher educational institutes. As a part of the same interest SIBAR was given the opportunity to host the IPR awareness program under the flagship KAPILA.

The speaker allotted to us was Mr. Pankaj Borkar, Dy. Patent Officer, NIPAM. Sir holds two decades of experience the office of patents and IPR. He was an amazing resource and shared the details like types of IPR, their examples and ways in which they can be filed. He instead a lot on creating awareness about IPR in our society so that we can protect the idea that is original to the country and its people. Sir also emphasised on how women were being encouraged to be part of the IPR filing process by giving quick processing and examination opportunity.

Mr. Borkar also answered question of the viewers and maintained an environment of exchange. He gave clear cut solutions to problems being face by the IPR filers and also shared reference material for future references.

The one and a half hour session ended after the Q&A, with a vote of thanks proposed by Prof. Archana Nair. She thanked Mr. Borkar for the time and effort. Special thanks were extended to the STES Management and Director Dr. Netra Patil. The participants were thanked for the enthusiasm and eagerness to learn an know IPR.

REPORT
AVISHKAR 2022

Date: **15th September 2022**

Time: **11.30AM to 2:30PM**

Venue: **MCA Lab-I, SIBAR**

Participants: **40 (Groups 7)**

Co-ordinator: **Dr Pramodini Dange**

The objective of this event was to inculcate research culture among students and encourage innovative, novel thinking and participate in the **Avishkar -2022** as per the directives of **Savitribai Phule Pune University**.

The posters were evaluated based on the parameters; Relevance, Methodology Adopted, Contribution, Depth of Research, Innovativeness, Outcome and Overall Grade.

The posters were evaluated by a panel of two judges

1. Prof. Aruna Kulkarni, Assistant Professor, SIBAR-MBA, Pune
2. Dr. Sharada Patil., Associate Professor, SIBAR-MCA, Pune

Following Posters were evaluated by the judges:

Category : Management			
Sr No	Level	Project Title	Name of participants
1	PG	Blood Helpline System for Thallasemia Warriors	Shradhha Badhe, Madhuri Daware, Vijaya Kabra
2		PM POSHAN	Rohini Kasbekar, Shubham Narke, Sabnam Sayyed, Harshada Choudhari
3		Detection of GI Tagged Products	Gauri Tappe
4		Smart Grampanchayat	Chandrashekhar Gorse, Nipul Pawar, Suyog Ambi, Vivek More
5		Enhancement of PMPL Public Transport	Sumeet Tambe, Mohini Kadam, Shubham Jagdale
Category : Management (Teachers Level)			
1	TH	IMDr	Prof. Archana Nair
2		Market basket analysis for Knowing sales pattern	Prof. Snehal Dhane

Key Outcome:

Seven groups, five groups of students and two faculties presented their Posters to the judges and received very insightful remarks and suggestions for research and further development of ideas. The enthusiasm amongst the judges, students and faculty members was overwhelming because each poster group wanted to showcase their poster ideas. All groups presented their posters well. The first two winners of the competition:

Category	Poster No.	Poster Title
Management (PG)	1	Blood Helpline System for Thalassemia Warriors
	2	PM POSHAN
	3	Detection of GI Tagged Product
Management (Teacher)	1	IMDr
	2	Market Basket Analysis for Knowing Sales Pattern

GEOGRAPHICAL INDICATION

DETECTION OF GI TAGS PRODUCT

GAURI TAPPE, MGA, SIDRA, PUNE

ABSTRACT

The objective of this work is to help producers of original and authentic agricultural products as well as handicrafts to reach to end users with their identity of origin and authenticity. Now days, with the help of digital technology this objective can be achieved and taken up to the end user effectively. Here we propose to use QR Code system for the products to track the original producers and their target customers. This will help to track the authenticity of the products (Agricultural/handicrafts), for the monetary benefit and recognition of the authentic producers and maintain customer feedback. The scope of this work will be to maintain, expand the handicrafts and original agro products at a global level where profit share of the original producers can be tracked and controlled

PROBLEM STATEMENT

- In today's competitive world, many duplicate products are sold. And this duplicate looks like the original product, just because of their packaging and labeling.
- Hence the customers were dissatisfied and did not respond well and they do not believe in the geographical origin of products.
- Due to customer dissatisfaction and duplicate manufacturers, the farmer or the original manufacturers suffers a lot of losses.

SOLUTION STATEMENT

- All bridges between the consumer and the authentic producers are broken.
- Department of industry protection and intellectual rights ministry of commerce and industry will provide a QR code in the form of a tag to the producers to detect the counterfeit.
- Third party will scan the QR code and the information will be displayed on the screen. This will ensure the authenticity of the product. (Information on QR code)
- And this will ensure the consumer and the producer both are benefited and hence, this will not cause the producer to suffer a loss.

DATA FOR QR CODE

1. INDUSTRY CERTIFICATE
2. APPLICANT AND PRODUCT DETAIL
3. PRODUCT PRICE(INCL. OF ALL TAXES)
4. TRANSPORTATION REQUIRED INFORMATION
5. CUSTOMER TRACKBACK

ADVANTAGES

1. DIRECT CUSTOMER

2. EASIER THROUGH SOCIAL MEDIA AND TELEVISION

SAMPLE QR CODE CANNOT DETECTED

ON TOP OF THIS PLATFORM, THOSE WHO DON'T KNOW ABOUT GEO-REFERENCING THEY WILL ALSO KNOW WHAT GI IS

PM POSHAN ABHIYAAN

The Government has approved the Centrally Sponsored Scheme "Pradhan Mantri Poshan Shakti Nirman POSHAN Abhiyaan" to reduce stunting in identified Districts of India with the highest malnutrition burden by improving utilization of Anganwadi Services and Improving the quality of Anganwadi Services delivery.

Objectives:

- We can track the status of nutrition students.
- We can monitor the attendance with help of fingerprint identification.
- Parents can also view nutrition status as well physical health of student.
- We can detect the meal given to students by using the object detection.
- We can identify the student by face using face detection.

IMDr: Live Independent, Stay Connected

Product Introduction:

- India is a fast-growing economy. Working-class citizens frequently switch cities, nationally and internationally.

- The aging family members are reluctant to re-root themselves with the young ones. With more senior citizens choosing to live alone, monitoring their well-being is a concern for the family.

- I propose a solution in the form of a device "IMDr" that can be worn as an ornament or a wearable gadget.

On good days

On a continuous basis IMDr will monitor

- Heartbeat
- Pulse
- Blood Pressure
- Oxygen Saturation
- Sleep Timer
- Stress Level

And collect the data for complete investigation of our dear ones health.

For emergency situations IMDr will send alerts.

Will have Data-driven Alerts, One Button based trigger, Voice-activated trigger and Impact based trigger.

These alerts can be sent on mobile phones of any 2 selected contact numbers.

The alerts will have a distincting tone for grabbing the attention of the receiver.

An Auto Alert Unlocks Feature is installed.

During Crisis

- Data-driven Alerts
- Button based trigger
- Voice-activated trigger
- Impact based trigger

Product Specifications

Swappable Battery with 30 hrs backup

WiFi Range - 50m

Resistant to Water & Sweat

One button Operation

Features of IMDr are kept simple keeping in mind the age-group to which we are offering the solution.

The voice-based and one-button click will be an easy accessibility option.

Swappable batteries will relieve the elderly from the hassle of charging. Will also reduce the down time of the device.

Blood Helpline system For Thalassemia **Worriers**

Ms. Shraddha U. Badhe Ms. Madhuri R. Daware Ms. Vijaya A. Kabra

MCA, SIBAR, Pune

Introduction:

Thalassemia is genetic disorder. Thalassemia is an inherited blood disorder Caused when the body doesn't make enough of protein caved hemoglobin. When there is not enough hemoglobin, the body's red blood cells don't Function properly and they won't survive for lo period. So there are fewer healthy red blood cells traveling in the bloodstream.

Red blood cells carry oxygen to all the cells of the body. Oxygen is a sort of food that cells use to function. When there are not enough healthy red blood cells, there is also not enough oxygen delivered to all the other cells of the body, which may cause a person to feel tired, weak or short of breath. This is a condition called anemia. People with thalassemia may have mild or severe anemia. Severe anemia can damage organs and lead to death.

Problem Statement:-

- NATIONAL HEALTH MISSION GUIDELINES ON HEMOGLOBINOPATHIES IN INDIA Research in 2016
- India has the largest number of children with Thalassemia major in the world - about 1 to 1.5 lakhs and almost 42 million carriers of β (beta)

thalassemia trait. About 10,000 -15,000 babies with thalassemia major are born every year.

- India is a capital of Thalassemia Patient Thalassemia Patients needed every 15-20 days getting a blood transfusion.
- Thalassemia blood helpline system to a help finding a blood donors time to time when patients' blood needed .

Objective

This web-based application provides:

- This system will ensure hospital to have good supply or inventories of blood bags.
- This system check the availability of blood bags anytime.
- This system will manage the information of its blood donor.
- This system will contain the function to check if the person donate blood for the last 3 months. And giving to the fresh blood to Thalassemia Patients.
- This system will allow good documentation about the donor and its blood donation activities.
- This system will support fast searching to find match blood bags for the right person.
- This system attached to NGO's for the arranging blood camp in critical situation

Solution

- This system allow to request for blood to the blood donor,(i.e. three months) for specific patients(Identifier from the blood groups).The

blood donors can be sufficient to the blood donate(3 months durations)
Its can be donating blood otherwise the system search other blood donors.

- This system will be the biggest involvement for the blood bank. The blood donors visiting the blood bank and donate the blood. Then blood bank processing on that blood(Whole testing about the blood). The blood bag is satisfy for the transfusion for the thalassemia patients...There will be the satisfaction of the required blood to the thalassemia patients.

Tracking PM POSHAN and outreach

Abstract:

The Government has approved the Centrally Sponsored Scheme 'Pradhan Mantri Poshan Shakti Nirman (PM POSHAN)' for providing one hot cooked meal in Government and Government – aided Schools from 2021-22 to 2025-26. The Scheme is being implemented by the Ministry of Education. Under the Scheme, there is provision of hot cooked meal to children of pre-schools or Bal Vatika (before class I) in primary schools also in addition to the 11.80 crore children of classes I to VIII studying in 11.20 lakh schools. The Scheme is implemented across the country covering all the eligible children without any discrimination of gender and social class. The main objectives of the PM POSHAN Scheme (earlier known as Mid-Day Meal Scheme) are to address two of the pressing problems for majority of children in India, viz. hunger and education by improving the nutritional status of eligible children in Government and Government-aided schools as well as encouraging poor children, belonging to disadvantaged sections, to attend school more regularly and help them concentrate on classroom activities.

Problem Statement:

PM POSHAN is a mid-day meal programme for giving one hot cooked and nutritious meal to students of class 1 to 8 in all Government and Government-aided schools. Students from pre-primary class (Balvatika) will also be included from the year 2022-23. These meals are given once every day in school during school days. It is mandated that each child should get 450 calories and 12 grams protein at primary level and 700 calories and 20 grams protein at upper primary level per day. Third party evaluation has shown that this programme has a positive impact in retention of students in schools. We need to track each child attendance and taking of POSHAN and the consequent impact on physical health and well-being as this has a direct co-relation to cognitive growth of the child. We would also like to know the weekly Menu of each school, so that we are clear that the requisite calories are being served to each child. We will.

Objectives:

- Prevent and reduce Stunting in children (0- 6 years)
- Prevent and reduce under-nutrition (underweight prevalence) in children (0-6 years)
- Reduce the prevalence of anaemia among young Children (6-59 months)
- Reduce the prevalence of anaemia among Women and Adolescent Girls in the age group of 15-49 years
- Reduce Low Birth Weight (LBW)

What Is Geographical Indication?

A geographical indication (GI) is a sign used on products that have a specific geographical origin and possess qualities or a reputation that are due to that origin. In order to function as a GI, a sign must identify a product as originating in a given place.

“Geographical indication” is defined in the Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS) and in the Geneva Act of the Lisbon Agreement on Appellations of Origin and Geographical Indications.

MISSION STATEMENT

- Geographical Indicate Product Will Have A Place In Heart Of The Customer.
- The Origin Of The Producers Will Be Well Received

PROBLEM STATEMENT

HOW THE COUSTOMER CAN DETECT THE GIVEN IS GI PRODUCT ?

- Geographical indication products are delivered to customers internationally and nationally.
- In today's competitive world, many duplicate products are sold. And this duplicate looks like the original product ,just because of their packaging and labeling.
- hence the customers were dissatisfied and did not respond well. and they do not believe in the geographical origin of products.

- Due to customer dissatisfaction and duplicate manufacturers, the farmer or the original manufacturers suffers a lot of losses.

SOLUTION STATEMENT

WHAT IS THE SOLUTION THAT COUSTOMER CANDETECT THE ORIGIN OF GEOGRAPHICAL PRODUCT ?

- Think of the digital world, today many things are made possible by electronic gadgets.
- Department of Industry Promotion and Internal Trade, Ministry of Commerce and Industry will provide QR code of geographical origin of manufacturer to deliver their products to consumers.
- And after delivery to the customer, they can scan the QR code and get the product information easily .
- And this will satisfy the consumer and likewise the producer's bottom line, and this will not cause the producer to suffer a loss.

DATA FOR QR CODE

After Scanning An URL give following data:

1. GI Tages For Given Product
2. Information AboutOriginal Manufactural
3. State(place) Of Origin
4. Product Price(incl. of all taxes)
5. Transportation Required Information
6. Product Mfg. date And Exp. date
7. Customer feedback

Smart gram panchayat

Chandrashekhar Gorase, Suyog Ambi, Nipul Pawar, Vivek More

MCA, SIBAR, Pune

“Smart Gram Panchayat” or “E-Panchayat” system which helps people from rural area to solve some of their day to day problems like meeting with sarpanch, resolution of issue, issuing of some certificates like character certificate with just few simple clicks sitting at comfort of home or work place without the need to take leave and meet in physically in person. There are many other complications in the present-day panchayat system. So, for this reason we have tried make an application. “Smart Gram Panchayath” is a web application that is specially designed to establish an environment, where in village public can easily communicate with the village councils.

Problem statement

1. It is easy to connect with pdo officer through e gram panchayat
 2. They have to maintain every detail about the scheme that they are providing in the village.
- This system provides advanced way to store records of schemes and history.

Objectives

The user can request any application, suggestion, and complaint at anywhere and at any time. The village public will register to the application and avail for the facilities. an helpdesk set up in every village and manned by trained individuals to handle farmers queries and provide solutions. Through this application public can easily contact the PDO regarding any issues such as availing for services, complaints filling, bill payments, application filling and feedbacks. The PDO can easily keep track on the village problems and managements.

2. A Case Study on application of data mining market basket analysis for Knowing sales pattern (association of items) Using apriori algorithm

Mrs. Snehal Ajay Dhane, SIBAR, Kondhwa

ABSTRACT

Restaurant owners must be ready to always innovate and remain to be able to meet customer needs through products that can attract customers and determine strategies promotions that can boost sales.

The proposed idea is an attempt to analyze the customer's needs and knowing the sales pattern means association of items using the technique data mining called as apriori algorithm. Information about sales patterns can be used by restaurants to create more attractive promotional strategies to boost sales by referring to items and menus that are often purchased together. To be able to find out the purchase patterns by customers simultaneously, knowing what products are often purchased simultaneously can be used data mining techniques using apriori algorithms. Apriori algorithm is used to generate association rules. Information about the association's rules in purchasing items (menus) by customers can be used by restaurants to create more attractive promotional strategies to boost sales by referring to a selected combination of items that are often purchased simultaneously.

Later the results of this study are in the form of a web based application to analyze purchasing patterns (item association rules) by customers where the purchase pattern can be used as recommendations in determining the promotion development strategy for restaurants.

Workshop
on
Design Thinking, Critical thinking and Innovation Design
REPORT

Date: 10th May 2023

Time: 10:00AM to 5:30PM

Venue: MCA Class C7, SIBAR, Pune

Participants: 45

Coordinator: Dr Pramodini Dange, Prof. Archana Nair

Resource Person: Prof. Archana Nair

The workshop started with inaugural speech of Dr. Netra Patil and felicitating the Resource Person Prof. Archana Nair. The resource person conducted the motivating workshop so interactive with active participation of each student.

During the workshop, Prof Archana Nair shared the approaches for design thinking, critical thinking and innovation to bring out the best ideas and solutions from the students. She elaborated how to approach problems using structured methods of gathering observations, breaking cognitive fixedness, and generating creative ideas for solutions, apply creative solutions and behavior-change analysis to innovation development and internal team processes and ways to develop a strategic innovation toolkit and learn when and how to apply design thinking and innovative problem-solving tools. She also explained how to practice empathy in applying a human-centered approach to design techniques, such as user research, user experience, prototyping, and journey mapping.

In the afternoon session, Prof. Archana Nair conducted various activities to make students think and act on problem solving and design thinking. Here, the students identified the problems they face around and with the design thinking approach to find innovative solutions to solve those problems.

In the later session, the resource person conducted pitching event where students presented their ideas and solutions. At the end of the workshop, prizes were given to top 3 ideas and gifts were presented to each participant of the workshop by Prof. Archana Nair.

Incubation Center Visit to
COEP's Bhau Institute of Innovation Entrepreneurship and Leadership, Pune
REPORT

Date: 24th May 2023

Time: 3:00PM to 5:00PM

Venue: Auditorium, COEP's Bhau Institute of Innovation Entrepreneurship and Leadership, Pune

Participants: 36

Coordinator: Dr Pramodini Dange, Prof. Archana Nair

As per the response to the mail communication with Prof. Mayuresh Kulkarni, Incubation Manager, COEP's Bhau Institute of Innovation Entrepreneurship and Leadership, Pune, a visit to Incubation Center at Bhau Institute was organized by IIC, Sinhgad Institute of Business Administration and Research. 33 students and 3 faculty members reached the auditorium at 3.00PM.

The objectives of this visit were:

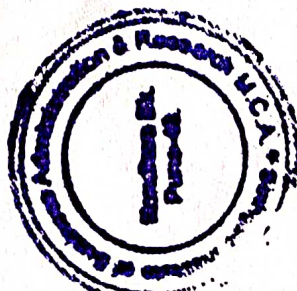

- To make students and faculty aware of different projects and operational mechanism of the Incubation Center,
