

Faculty Profile

Name	Dr. S. J. Kulkarni	
Qualification	Ph. D. (Biochemistry)	
Experience	Teaching- 15 Yrs., Industry- 0 Yrs.	
Date of Joining STES	14/07/2008	
email id	sjkulkarni.scoe@sinhgad.edu	
No. of students guided	Ph. D. - 00; M.Tech. - 02	
Publications	https://scholar.google.com/citations?user=jHEuaigAAAAJ&hl=en	
Patent granted/published	Granted - A process for extraction and purification of Resveratrol Published - A process for purification of Safranal	
Funded Research Projects (Number) Details:	<p>Project title- Development of acid phosphatase based biosensor for heavy metal ion detection' Amount received- 2 Lakh Duration-2009-2010 Funding agency- Board of College and University Development Outcomes - UG projects</p> <p>Project title - Bioprospecting and optimization of extraction of Trans-Resveratrol: Commercially important anti-aging, antioxidant polyphenol Amount received – 2.30 Lakh Duration – 2016-2018 Funding agency - Board of College and University Development Outcomes - UG projects</p>	
Significant Achievements:	Received Two times R. Chandrashekar Memorial Prize for Best Industry Oriented Research Work
