Dr.Roza Parashar welcomed and felicitated the guest. She introduced the guest speaker and gave the introduction of the workshop. Guest Speaker motivated students to achieve the life goals through the various laws of success. Each one has power and capacity, work should be done from our spiritual thoughts, and we have to work on non-visible energy to see the manifestation that will happen in the physical life. He also explains 5 habits for unending happiness Praise, Celebrate, Gratitude, Appreciate and Smile which will help in happy and successful life. Whatever is given to the society will definitely come back to you. If you help people the universe will help you because every action has equal and opposite reaction. He also explained how subconscious mind works, how universal mind works and if we work hard for it then universe help us to achieve that thing.

Following are the Laws which were explained:

- > The Law of Unity
  - -"We all guide ourselves with the same laws"
  - -"We all are from the same source"
- ➤ The Law of Thinking
  - -"Every thought has a frequency & a vibration"
  - -"Thoughts become Things!"
- > The Law of Attraction
  - -"What you think and what you feel, and what manifests, is always a match. Every time. No exceptions!"

Thoughts must be accompanied by Action "

The Law of Supply

"All the supply that ever was, still is and ever will be remains the same. There can never be a shortage...."

"The creator is the source of supply"

- ➤ The Law of non-resistance
  - -"Whatever resists....Persists"
  - -You can fight for peace"
- > The Law of Receiving
  - -"You will only receive when you are ready to receive"
  - -"Receiving- Giving"
- > The Law of Success
  - -Man is meant to succeed in everything that he does..that's the law."

Guest Speaker distributed the certificates after completion of workshop to the participants. At the end of the session Dr.Roza P expressed vote of thanks. Students also submitted the Takeaways and Learning's for the session and gave their positive feedback for the session.
