Giving knowledge about intership and placement

1:Some staff should be more interactive

2: Very supportive teachers

3:Listens all the problems and gives satisfactory solution all the time

1 it so happens that there are at max 3 teachers that teach very well out of 5

2 if a complaint is raised by the students against teachers there are very few teachers who actually try something new or try to cooperate with the students

3 the most important thing is that the students shouldn't be allowed to use their mobile devices , as they make funny videos or vulgar videos of teachers .
